Notwithstanding the foregoing, no indemnification is available under the limited liability company agreement of any of the LLCs in respect of any such claim adjudged to be primarily the result of bad faith, willful misconduct or fraud of an indemnifiable person. Any act or omission by an indemnifiable person done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care shall not constitute bad faith, willful misconduct, or fraud on the part of such indemnifiable person. Payment of these indemnification obligations shall be made from the assets of the applicable LLC and the members shall not be personally liable to an indemnifiable person for payment of indemnification.

The limited liability company agreement of CC VIII, LLC (“CC VIII”) provides that, to the extent permitted by applicable law, a member, a manager, a director, or an officer, their respective affiliates shall be entitled to indemnification from CC VIII for any loss, damage, or claim incurred by such person by reason of any act or omission performed or omitted by such person in good faith on behalf of, or in connection with the business and affairs of, CC VIII and in a manner reasonably believed to be within the scope of authority conferred on such person; provided that any such indemnity shall be provided out of and to the extent of CC VIII’s assets only.

The limited liability company agreement of TWC/Charter Green Bay Cable Advertising, LLC (“Green Bay”) provides that Green Bay shall indemnify the members and their respective affiliates, shareholders, partners, members, employees, officers and directors, for, and hold them harmless from, any liability, whether civil or criminal, and any loss, damage, or expense, including reasonable attorneys’ fees, to the extent that such arise from and are the result of the ordinary and proper conduct of Green Bay’s business and the preservation of its business and property, or arise by reason of the fact that such person is or was a member or an officer, director or employee thereof; provided the member or person to be indemnified acted in good faith. The obligation of Green Bay to indemnify the members or any other person shall be satisfied out of Green Bay’s assets only.

Corporations

Section 145 of the Delaware General Corporation Law authorizes a corporation to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys’ fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful. In addition, the Delaware General Corporation Law does not permit indemnification in any threatened, pending or completed action or suit by or in the right of the corporation in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses, which such court shall deem proper. To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter, such person shall be indemnified against expenses, including attorneys’ fees, actually and reasonably incurred by such person. Indemnity is mandatory to the extent a claim, issue or matter has been successfully defended. The Delaware General Corporation Law also allows a corporation to provide for the elimination or limit of the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director

- (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders,
- (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law,
- (iii) for unlawful payments of dividends or unlawful stock purchases or redemptions, or
- (iv) for any transaction from which the director derived an improper personal benefit. These provisions will not limit the liability of directors or officers under the federal securities laws of the United States.

The bylaws of CCO Capital require it, to the fullest extent authorized by the Delaware General Corporation Law, to indemnify any person who was or is made a party or is threatened to be made a party or is otherwise involved in any action, suit or proceeding by reason of the fact that he is or was a director or officer of CCO

Capital or is or was serving at the request of CCO Capital as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise, in each case, against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection therewith.

Notwithstanding the foregoing, no indemnification is available under the limited partnership agreement of any of the Partnerships in respect of any such claim adjudged to be primarily the result of bad faith, willful misconduct or fraud of an indemnifiable person. Any act or omission by an indemnifiable person done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care shall not constitute bad faith, willful misconduct, or fraud on the part of such indemnifiable person. Payment of these indemnification obligations shall be made from the assets of the applicable Partnership and the partners shall not be personally liable to an indemnifiable person for payment of indemnification.

A manager's conduct with respect to any employee benefit plan for a purpose he reasonably believed to be in, or not opposed to, the interests of the participants in and beneficiaries of the plan is conduct that satisfies the requirement of Subsection (1)(b).

Item 21. Exhibits and Financial Statement Schedules.

Exhibits

Reference is made to the Exhibit Index filed as part of this Registration Statement.

Financial Statement Schedules

Schedules not listed above are omitted because of the absence of the conditions under which they are required or because the information required by such omitted schedules is set forth in the financial statements or the notes thereto.

Item 22. Undertakings.

(a) The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, in a primary offering of securities of the undersigned registrant

pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrants or used or referred to by the undersigned registrants;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrants; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) That, for purposes of determining any liability under the Securities Act, each filing of the registrants' annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrants hereby undertake to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(d) The undersigned registrants hereby undertake to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities, other than the payment by the registrants of expenses incurred or paid by a director, officer, or controlling person of the registrants in the successful defense of any action, suit or proceeding, is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by them is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

v) *Action Without Meeting.* Unless otherwise restricted by the Certificate or this Agreement, any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all members of the Board consent thereto in writing and such written consent is filed with the minutes of proceedings of the Board.

under similar circumstances, in the manner it reasonably believes to be in the best interests of the Partnership. In discharging its duties, the Board shall not be liable to the Partnership or to any Partner for any mistake or error in judgment or for any act or omission believed in good faith to be within the scope of authority conferred by this Agreement or approved by the General Partner(s).

SECTION 5. *Officers.*

(a) *Officers.* The officers shall be a President, a Treasurer and a Secretary, and such other additional officers, including a Chairman of the Board, Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board, the General Partner(s) or the President may from time to time elect. Any two or more offices may be held by the same individual.

(b) *Election and Term.* The President, Treasurer and Secretary shall be elected by and shall hold office at the pleasure of the Board or the General Partner(s). The Board, the General Partner(s) or the President may elect such other officers and agents as it shall deem desirable, who shall hold office at the pleasure of the Board, the General Partner(s) or the President, and who shall have such authority and shall perform such duties as from time to time shall be prescribed by the Board, the General Partner(s) or the President.

(c) *Removal.* Any officer may be removed by the affirmative vote of the General Partner(s) or the affirmative vote of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the President, the Treasurer or the Secretary may be removed by the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Partnership; shall preside at all meetings of the Partners and directors; shall have general supervision and active management of the business and finances of the Partnership; shall see that all orders and resolutions of the Board or the General Partner(s) are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Board or the General Partner(s) to the contrary, the President shall have the power to vote all securities held by the Partnership and to issue proxies therefor. In the absence or disability of the President, any Chairman (if any) or, if there is no Chairman, the most senior available officer appointed by the Board or the General Partner(s) shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to him or her and shall exercise such powers as may be granted to him or her by the General Partner(s), the Board or by the President of the Partnership. In the absence of direction by the Board, the General Partner(s) or the President to the contrary, any Senior Vice President shall have the power to vote all securities held by the Partnership and to issue proxies therefor.

iii) *The Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Partners and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Partnership or such other place as the Board may direct, a book of minutes of all meetings and actions of Directors and Partners. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings, the number of units present or represented at Partners' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the General Partner(s) or the Board.

iv) *The Treasurer.* The Treasurer shall have custody of the Partnership funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Partnership to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Partnership in the name and to the credit of the Partnership in depositories designated by the General Partner(s) or the Board; and shall disburse the funds of the Partnership as may be ordered by the General Partner(s) or the Board.

SECTION 6. *Partners.*

(a) The Partners of the Partnership shall be set forth on Schedule A hereto. Other persons or entities may be admitted as Partners from time to time pursuant to the provisions of this Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

SECTION 7. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner(s). Each such distribution, other than liquidating distributions, shall be divided among the Partners in accordance with their number of partnership units (as set forth in Schedule A). Liquidating distributions shall be divided among the Partners in, accordance with their positive capital account balances (capital accounts shall be maintained in accordance with Treasury Regulation § 1.704-1(b)(2)(iv)), and such liquidating distributions shall be made by the end of the Partnership's taxable year in which the Partnership is liquidated or, if later, within ninety (90) days after the date of such liquidation.

SECTION 8. *Allocations.*

(a) Subject to Section 8(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule A).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 8 (other than the Regulatory Allocations), the General Partner(s) shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner's capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 8(a).

SECTION 9. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the General Partner(s) or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner(s) shall immediately

commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner(s) may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership's intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner(s) to minimize the losses that may result from a liquidation.

SECTION 10. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however,* that this Section 10 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner(s) shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 11. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement.

SECTION 12. *Tax Matters.* The Partners agree that it is intended that the Partnership shall be treated as a partnership for purposes of United States federal, state and local income tax laws, and further agree not to take any position or make any election, in a tax return or otherwise, inconsistent therewith. The "Tax Matters Partner" of the Partnership for purposes of section 6231(a)(7) of the Internal Revenue Code of 1986, as amended, shall be CC VII. The Tax Matters Partner shall have the power to manage and control, on behalf of the Partnership, any administrative proceeding at the Partnership level with the Internal Revenue Service relating to the determination of any item of Partnership income, gain, loss, deduction or credit for federal income tax purposes.

SECTION 13. *Exculpation and Indemnification.*

(a) Neither the Partners, the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership. Each Partner shall look solely to the assets of the Partnership for return of his, her or its

investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 13 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 14. *Miscellaneous.*

(a) If the General Partner(s), the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner(s) may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective as of the date first written above.

The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings, the number of units present or represented at Partners' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the General Partner(s) or the Board.

iv) *The Treasurer.* The Treasurer shall have custody of the Partnership funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Partnership to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Partnership in the name and to the credit of the Partnership in depositories designated by the General Partner(s) or the Board; and shall disburse the funds of the Partnership as may be ordered by the General Partner(s) or the Board.

SECTION 6. *Partners.*

(a) The Partners of the Partnership shall be set forth on Schedule A hereto. Other persons or entities may be admitted as Partners from time to time pursuant to the provisions of this Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

SECTION 7. *Percentage Interests.* The Partners or their predecessors-in-interest have heretofore made the capital contributions described in the Prior Agreement. The Percentage Interests or number of partnership units held by each Partner are as set forth in Schedule A attached hereto.

SECTION 8. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner(s). Each such distribution, including liquidating distributions, shall be divided among the Partners in accordance with their Percentage Interests.

SECTION 9. *Allocations.*

(a) Subject to Section 9(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule A).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the "**Regulatory Allocations**") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 9 (other than the Regulatory Allocations), the General Partner(s) shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner's capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 9(a).

SECTION 10. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the Partners or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner(s) shall immediately

commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner(s) may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership's intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner(s) to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however,* that this Section 11 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner(s) shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 12. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement.

SECTION 13. *Tax Matters.* The Partners agree that it is intended that the Partnership shall be treated as a partnership for purposes of United States federal, state and local income tax laws, and further agree not to take any position or make any election, in a tax return or otherwise, inconsistent therewith. The "Tax Matters Partner" of the Partnership for purposes of section 6231(a)(7) of the Internal Revenue Code of 1986, as amended, shall be FCC. The Tax Matters Partner shall have the power to manage and control, on behalf of the Partnership, any administrative proceeding at the Partnership level with the Internal Revenue Service relating to the determination of any item of Partnership income, gain, loss, deduction or credit for federal income tax purposes.

SECTION 14. *Exculpation and Indemnification.*

(a) Neither the Partners, the General Partner(s), the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership. Each Partner shall look solely to the assets of the Partnership for return of

his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; provided, however, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; provided, however, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 15. *Miscellaneous.*

(a) If the General Partner(s), the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person's or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner(s) may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of California, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective as of the date first written above.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(2) issue economic interests in the Company to any Person and admit such Person as a member;

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

LIMITED LIABILITY COMPANY AGREEMENT

OF

Falcon First, LLC

(a Delaware Limited Liability Company)

This LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of December 31, 2015 by Robin Media Group, LLC, a Delaware limited liability company (the “**Member**”), as the member of Falcon First, LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, et. seq., as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Member (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be Falcon First, LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

(c) *Registered Agent.* The address of the registered office of the Company in the State of Delaware shall be c/o Corporation Service Company, 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808. The name and address of the registered agent for service of process on the Company in the State of Delaware shall be Corporation Service Company, 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808. The registered office or registered agent of the Company may be changed from time to time by the Manager.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. The Manager, as an authorized person within the meaning of the Act, shall execute, deliver and file any certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in a jurisdiction in which the Company may wish to conduct business.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 3. *Powers.* The Company shall have all powers necessary, appropriate or incidental to the accomplishment of its purposes and all other powers conferred upon a limited liability company pursuant to the Act.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) The Member hereby elects Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

- (4) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager;
- (5) change or reorganize the Company into any other legal form;
- (6) amend this Agreement;
- (7) approve a merger or consolidation with another person;
- (8) sell all or substantially all of the assets of the Company;

- (10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;
- (11) operate the Company in such a manner that the Company becomes an “investment company” for purposes of the Investment Company Act of 1940;
- (12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;
- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

In discharging its duties, the Board shall not be liable to the Partnership or to any Partner for any mistake or error in judgment or for any act or omission believed in good faith to be within the scope of authority conferred by this Agreement or approved by the General Partner(s).

In the absence or disability of the President, any Chairman (if any) or, if there is no Chairman, the most senior available officer appointed by the Board or the General Partner(s) shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to him or her and shall exercise such powers as may be granted to him or her by the General Partner(s), the Board or by the President of the

Partnership. In the absence of direction by the Board, the General Partner(s) or the President to the contrary, the any Senior Vice President shall have the power to vote all securities held by the Partnership and to issue proxies therefor.

iii) *The Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Partners and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Partnership or such other place as the Board may direct, a book of minutes of all meetings and actions of Directors and Partners. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings, the number of units present or represented at Partners' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the General Partner(s) or the Board.

iv) *The Treasurer.* The Treasurer shall have custody of the Partnership funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Partnership to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Partnership in the name and to the credit of the Partnership in depositories designated by the General Partner(s) or the Board; and shall disburse the funds of the Partnership as may be ordered by the General Partner(s) or the Board.

SECTION 6. *Partners.*

(a) The Partners of the Partnership shall be set forth on Exhibit A hereto. Other persons or entities may be admitted as Partners from time to time pursuant to the provisions of this Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

SECTION 7. *Percentage Interests.* The Partners or their predecessors-in-interest have heretofore made the capital contributions described in the Prior Agreement. The Percentage Interests or number of partnership units held by each Partner are as set forth in Schedule A attached hereto.

SECTION 8. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner(s). Each such distribution, including liquidating distributions, shall be divided among the Partners in accordance with their Percentage Interests.

SECTION 9. *Allocations.*

(a) Subject to Section 9(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule A).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the "**Regulatory Allocations**") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 9 (other than the Regulatory Allocations), the General Partner(s) shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner's capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 9(a).

SECTION 10. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the Partners or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner(s) shall immediately commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner(s) may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership's intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner(s) to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however,* that this Section 11 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner(s) shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 12. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement.

SECTION 13. *Tax Matters.* The Partners agree that it is intended that the Partnership shall be treated as a partnership for purposes of United States federal, state and local income tax laws, and further agree not to take any position or make any election, in a tax return or otherwise, inconsistent therewith. The "Tax Matters Partner" of the Partnership for purposes of section 6231(a)(7) of the Internal Revenue Code of 1986, as amended, shall be CC VII. The Tax Matters Partner shall have the power to manage and control, on behalf of the Partnership, any administrative proceeding at the Partnership level with the Internal Revenue Service relating to the determination of any item of Partnership income, gain, loss, deduction or credit for federal income tax purposes.

SECTION 14. *Exculpation and Indemnification.*

(a) Neither the Partners, the General Partner(s), the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed

on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership. Each Partner shall look solely to the assets of the Partnership for return of his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; provided, however, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; provided, however, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 15. *Miscellaneous.*

(a) If the General Partner(s), the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person's or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner(s) may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of California, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective as of the date first written above.

SECTION 7. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner(s). Each such distribution, other than liquidating distributions, shall be divided among the Partners in accordance with their number of partnership units (as set forth in Schedule A). Liquidating distributions shall be divided among the Partners in accordance with their positive capital account balances (capital accounts shall be maintained in accordance with Treasury Regulation§ 1.704-1(b)(2)(iv)), and such liquidating distributions shall be made by the end of the Partnership's taxable year in which the Partnership is liquidated or, if later, within ninety (90) days after the date of such liquidation.

SECTION 8. *Allocations.*

(a) Subject to Section 8(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule A).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 8 (other than the Regulatory Allocations), the General Partner(s) shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner's capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 8(a).

SECTION 9. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the General Partner(s) or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner(s) shall immediately commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner(s) may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership's intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner(s) to minimize the losses that may result from a liquidation.

SECTION 10. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however,* that this Section 10 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner(s) shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 11. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement.

SECTION 12. *Tax Matters.* The Partners agree that it is intended that the Partnership shall be treated as a partnership for purposes of United States federal, state and local income tax laws, and further agree not to take any position or make any election, in a tax return or otherwise, inconsistent therewith. The "Tax Matters Partner" of the Partnership for purposes of section 6231(a)(7) of the Internal Revenue Code of 1986, as amended, shall be CC VII. The Tax Matters Partner shall have the power to manage and control, on behalf of the Partnership, any administrative proceeding at the Partnership level with the Internal Revenue Service relating to the determination of any item of Partnership income, gain, loss, deduction or credit for federal income tax purposes.

SECTION 13. *Exculpation and Indemnification.*

(a) Neither the Partners, the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the

Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership. Each Partner shall look solely to the assets of the Partnership for return of his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 13 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 14. *Miscellaneous.*

(a) If the General Partner(s), the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner(s) may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective as of the date first written above.

or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings, the number of units present or represented at Partners' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the General Partner or the Board.

iv) *The Treasurer.* The Treasurer shall have custody of the Partnership funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Partnership to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Partnership in the name and to the credit of the Partnership in depositories designated by the General Partner or the Board; and shall disburse the funds of the Partnership as may be ordered by the General Partner or the Board.

SECTION 6. Partners.

(a) The Partners of the Partnership shall be set forth on Schedule A hereto. Other persons or entities may be admitted as Partners from time to time pursuant to the provisions of this Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

SECTION 7. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner. Each such distribution, other than liquidating distributions, shall be divided among the Partners in accordance with their number of partnership units (as set forth in Schedule A); provided, however, that a distribution (other than liquidating distributions) not divided in accordance with the number of partnership units may be made if (i) the General Partner reasonably determines that such distribution does not result in any Partner receiving more than one hundred five percent (105%) of the amount such Partner would have received (on a cumulative basis) if all distributions had been divided among the Partners in accordance with their number of partnership units, or (ii) the Partners unanimously consent. Liquidating distributions shall be divided among the Partners in accordance with their positive capital account balances (capital accounts shall be maintained in accordance with Treasury Regulation § 1.704-1(b)(2)(iv)), and such liquidating distributions shall be made by the end of the Partnership's taxable year in which the Partnership is liquidated or, if later, within ninety (90) days after the date of such liquidation.

SECTION 8. *Allocations.*

(a) Subject to Section 8(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule A).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 8 (other than the Regulatory Allocations), the General Partner shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner's capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 8(a).

SECTION 9. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the General Partner or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner shall immediately

commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership's intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner to minimize the losses that may result from a liquidation.

SECTION 10. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however,* that this Section 10 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 11. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement and, if required by the Act.

SECTION 12. *Tax Matters.* The Partners agree that it is intended that the Partnership shall be treated as a partnership for purposes of United States federal, state and local income tax laws, and further agree not to take any position or make any election, in a tax return or otherwise, inconsistent therewith. The "Tax Matters Partner" of the Partnership for purposes of section 6231(a)(7) of the Internal Revenue Code of 1986, as amended, shall be the General Partner. The Tax Matters Partner shall have the power to manage and control, on behalf of the Partnership, any administrative proceeding at the Partnership level with the Internal Revenue Service relating to the determination of any item of Partnership income, gain, loss, deduction or credit for federal income tax purposes.

SECTION 13. *Exculpation and Indemnification.*

(a) Neither the Partners, the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership.

Each Partner shall look solely to the assets of the Partnership for return of his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; provided, however, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 13 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 14. *Miscellaneous.*

(a) If the General Partner, the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in

exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective as of the date first written above.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this "Agreement") is entered into as of November 30, 2009 by Helicon Partners I, L.P., a Delaware limited partnership ("HP I") and The Helicon Group, L.P., a Delaware limited partnership ("THG") (each a "Member", and collectively, the "Members") as the Members of HPI Acquisition Co., LLC, a Delaware limited liability company (the "Company").

WITNESSETH:

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement dated as of June 19, 2003, as amended (the "Prior Agreement"); and

Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be HPI Acquisition Co., LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "Member"; or if there are more than one, the "Members") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "Vote") for each one percentage point of Percentage Interest (as defined in Section 7) held by such Member (totaling 100 Votes for all Members) (any fraction of such a percentage point shall be entitled to an equivalent fraction of a Vote). Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President*. Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, HP I and THG are the Members. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of

Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as HP I is a member of the Company, HP I's Percentage Interest shall be 99 percent. And, so long as THG is a member of the Company, THG's Percentage Interest shall be 1 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of

the Company for the return of such Member's positive capital account balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

WITNESSETH:

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement dated as of June 19, 2003, as amended (the "Prior Agreement"); and

CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. (c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President*. Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, CCO is the sole Member. CCO is not required to make any capital contribution to the Company; however, CCO may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv).

The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, CCO shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as CCO is the sole member of the Company, CCO's Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's positive capital account balance. Notwithstanding

that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however,* that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of June 19, 2003 by Charter Communications Operating, LLC, a Delaware limited liability company (“**Charter**”), as the sole member of Long Beach, LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, the Certificate of Formation of the Company was executed and filed in the office of the Secretary of State of the State of Delaware on August 14, 1998; and

WHEREAS, Charter is the sole member of the Company;

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the party hereby agrees as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 *Del.C.* § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). (f) *Certificate of Formation.* The execution of the Certificate of Formation by Milton B. Hyman and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. (h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each one percentage point of Percentage Interest (as defined in Section 7) held by such Member (totaling 100 Votes for all Members) (any fraction of such a percentage point shall be entitled to an equivalent fraction of a Vote). Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 3. *Powers.* The Company shall have all powers necessary, appropriate or incidental to the accomplishment of its purposes and all other powers conferred upon a limited liability company pursuant to the Act.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) Charter, as the sole member of the Company, hereby confirms the election of Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor- in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager

without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Board, the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Board of Directors.*

i) Notwithstanding paragraph (a) above, the Manager may delegate its power to manage the business of the Company to a board of natural persons designated as “directors” (the “**Board**”) which, subject to the limitations set forth below, shall have the authority to exercise all such powers of the Company and do all such lawful acts and things as may be done by a manager of a limited liability company under the Act and as are not by statute, by the Certificate of Formation (as amended from time to time, the “**Certificate**”), or by this Agreement (including without limitation Section 4(c) hereof) directed or required to be exercised or done by the Manager. Except for the rights and duties that are assigned to officers of the Company, the rights and duties of the directors may not be assigned or delegated to any person. No action, authorization or approval of the Board shall be required,

necessary or advisable for the taking of any action by the Company that has been approved by the Manager. In the event that any action of the Manager conflicts with any action of the Board, the action of the Manager shall control.

ii) Except as otherwise provided herein, directors shall possess and may exercise all the powers and privileges and shall have all of the obligations and duties to the Company and the Members granted to or imposed on directors of a corporation organized under the laws of the State of Delaware.

iii) The number of directors on the date hereof is one, which number may be changed from time to time by the Manager. The director as of the date hereof shall be as set forth on Exhibit A hereto, provided that Exhibit A need not be amended whenever the director(s) or his or her successors are changed in accordance with the terms of this Agreement.

iv) Each director shall be appointed by the Manager and shall serve in such capacity until the earlier of his or her resignation, removal (which may be with or without cause) or replacement by the Manager.

v) No director shall be entitled to any compensation for serving as a director. No fee shall be paid to any director for attendance at any meeting of the Board; provided, however, that the Company may reimburse directors for the actual reasonable costs incurred in such attendance.

(c) Consent Required.

i) None of the Members, Managers, directors, or officers of the Company shall:

(1) do any act in contravention of this Agreement;

(2) cause the Company to engage in any business not permitted by the Certificate or the terms of this Agreement;

(3) cause the Company to take any action that would make it impossible to carry on the usual course of business of the Company (except to the extent expressly provided for hereunder); or

(4) possess Company property or assign rights in Company property other than for Company purposes.

ii) One hundred percentage (100%) of the Votes shall be required to:

(1) issue limited liability company interests in the Company to any person;

(2) change or reorganize the Company into any other legal form;

(3) approve a merger or consolidation of the Company with another person;

(4) sell all or substantially all of the assets of the Company; or

(5) voluntarily dissolve the Company.

iii) In addition to any approval that may be required under Section 15(b) to the extent amendment of this Agreement is required for any of the following actions, the affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue limited liability company interests in the Company to any person;

(3) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager (and the Board);

(4) change or reorganize the Company into any other legal form;

(5) approve a merger or consolidation of the Company with another person;

(6) sell all or substantially all of the assets of the Company;

(7) operate the Company in such a manner that the Company becomes an "investment company" for purposes of the Investment Company Act of 1940;

(8) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;

(9) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(10) materially change any of the tax reporting positions or elections of the Company;

(11) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000);

(12) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing (including obligations under that certain Credit Agreement with Charter Communications Operating, LLC as the borrower, dated as of March 18, 1999, as amended and restated as of January 3, 2002 and as further amended and restated by the Second Amended and Restated Credit Agreement dated as of June 19, 2003 (as it may be amended, supplemented, modified, restated, refunded, renewed, replaced or refinanced from time to time, the “**Credit Agreement**”) and the Loan Documents (as defined in the Credit Agreement), all of which have been, and are hereby, ratified and confirmed), (ii) any indebtedness to (or guarantee of indebtedness of) any entity controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager; or

(13) voluntarily dissolve the Company.

(d) *Board Meetings.*

i) *Regular Meetings.* Regular meetings of the Board may be held without notice at such time and at such place as shall from time to time be determined by the Board, but not less often than annually.

ii) *Special Meetings.* Special meetings of the Board may be called by the President or any director on twenty-four (24) hours’ notice to each director; special meetings shall be called by the President or Secretary in like manner and on like notice on the written request of Members holding a simple majority of the Votes. Notice of a special meeting may be given by facsimile. Attendance in person of a director at a meeting shall constitute a waiver of notice of that meeting, except when the director objects, at the beginning of the meeting, to the transaction of any business because the meeting is not duly called or convened.

iii) *Telephonic Meetings.* Directors may participate in any regular or special meeting of the Board, by means of conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this Section 4(d)(iii) will constitute presence in person at such meeting.

iv) *Quorum.* At all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by statute, the Certificate or this Agreement. If a quorum is not present at any meeting of the Board, the directors present thereat may adjourn the meeting from time to time until a quorum shall be present. Notice of such adjournment shall be given to any director not present at such meeting.

v) *Action Without Meeting.* Unless otherwise restricted by the Certificate or this Agreement, any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all directors consent thereto in writing and such written consent is filed with the minutes of proceedings of the Board.

(e) *Director's Duty of Care.* Each director's duty of care in the discharge of his or her duties to the Company and the Members is limited to discharging his duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner he or she reasonably believes to be in the best interests of the Company and its Members.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no

Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, Charter is the sole Member, and it (or its predecessor) has heretofore contributed to the capital of the Company. Charter is not required to make any additional capital contribution to the Company; however, Charter may make additional capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance

with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, Charter shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, “**Percentage Interest**” shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as Charter is the sole member of the Company, Charter’s Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s positive capital

account balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) (i) all or a portion of its limited liability company interest

in the Company to another Member or (ii) pursuant to the Loan Documents (as defined in the Credit Agreement). Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; provided, however, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the

Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; provided, however, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. Miscellaneous.

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend

that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings. This Agreement amends and restates the Limited Liability Company Agreement of Long Beach, LLC dated as of August 14, 1998.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 3. *Powers.* The Company shall have all powers necessary, appropriate or incidental to the accomplishment of its purposes and all other powers conferred upon a limited liability company pursuant to the Act.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) CCOC, as the sole member of the Company, hereby elects Charter Communications, Inc., a Delaware corporation (“CCI”), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company’s manager (the “Manager”). CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue membership interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

(4) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager;

(5) change or reorganize the Company into any other legal form;

(6) amend this Agreement;

(7) approve a merger or consolidation with another person;

(8) sell all or substantially all of the assets of the Company;

(10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;

(11) operate the Company in such a manner that the Company becomes an "investment company" for purposes of the Investment Company Act of 1940;

(12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President*. Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, CCOC is the sole Member. CCOC is not required to make any capital contribution to the Company; however, CCOC may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury

Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, CCOC shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as CCOC is the sole member of the Company, CCOC's Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's positive capital account balance. Notwithstanding

that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however,* that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "Member"; or if there are more than one, the "Members") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "Vote") for each one percentage point of Percentage Interest (as defined in Section 7) held by such Member (totaling 100 Votes for all Members) (any fraction of such a percentage point shall be entitled to an equivalent fraction of a Vote). Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

Notwithstanding anything to the contrary in this Operating Agreement, the Company shall not issue nonvoting equity securities to the extent prohibited by Section 1123(a)(6) of the Bankruptcy Code (11 U.S.C. §1123(a)(6)). CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President*. Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, CCOC is the sole Member. CCOC is not required to make any capital contribution to the Company; however, CCOC may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury

Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, CCOC shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as CCOC is the sole member of the Company, CCOC's Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's positive capital account balance. Notwithstanding

that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however,* that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 3. *Powers.* The Company shall have all powers necessary, appropriate or incidental to the accomplishment of its purposes and all other powers conferred upon a limited liability company pursuant to the Act.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) The Member hereby elects Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 3. *Powers.* The Company shall have all powers necessary, appropriate or incidental to the accomplishment of its purposes and all other powers conferred upon a limited liability company pursuant to the Act.

SECTION 4. Management.

(a) *Management by Manager.*

i) The Member hereby elects Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(2) issue economic interests in the Company to any Person and admit such Person as a member;

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. Miscellaneous.

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

Each such distribution, including liquidating distributions, shall be divided among the Partners in accordance with their Percentage Interests.

SECTION 9. *Allocations.* The profits and losses of the Partnership shall be allocated to the Partners in accordance with their Percentage Interests or number of partnership units.

SECTION 10. *Dissolution; Winding Up.*

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner shall immediately commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. The Tax Matters Partner shall have the power to manage and control, on behalf of the Partnership, any administrative proceeding at the Partnership level with the Internal Revenue Service relating to the determination of any item of Partnership income, gain, loss, deduction or credit for federal income tax purposes.

SECTION 14. *Exculpation and Indemnification.*

(a) Neither the Partners, the General Partner, the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any member or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "Specified Agent") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership. Each Partner shall look solely to the assets of the Partnership for return of his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; provided, however, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; provided, however, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 15. *Miscellaneous.*

(a) A Partner's limited partnership interest may be evidenced by a certificate of partnership interest executed by the General Partner or an officer and in substantially the form attached hereto as Exhibit B (or in such other form as the General Partner may approve).

(b) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(d) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue membership interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

(4) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager;

(5) change or reorganize the Company into any other legal form;

(6) amend this Agreement;

(7) approve a merger or consolidation with another person;

(8) sell all or substantially all of the assets of the Company;

(9) change the status of the Company from one in which management is vested in the Manager to one in which management is vested in the members or in any other manager, other than as may be delegated to the Board and the officers hereunder;

(10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;

(11) operate the Company in such a manner that the Company becomes an "investment company" for purposes of the Investment Company Act of 1940;

(12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, CCLLC is the sole Member. CCLLC is not required to make any capital contribution to the Company; however, CCLLC may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury

Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, CCLLC shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as CCLLC is the sole member of the Company, CCLLC's Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's positive capital account balance. Notwithstanding

that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

- (9) change the status of the Company from one in which management is vested in the Manager to one in which management is vested in the members or in any other manager, other than as may be delegated to the Board and the officers hereunder;
- (10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;
- (11) operate the Company in such a manner that the Company becomes an “investment company” for purposes of the Investment Company Act of 1940;
- (12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;
- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(a Delaware Limited Liability Company)

This LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of May 30, 2014 by CC FIBERLINK, LLC, a Delaware limited liability company (the “**Member**”), as the member of Phone Transfers (GA), LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be Phone Transfers (GA), LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

The registered office or registered agent of the Company may be changed from time to time by the Manager.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. The Manager, as an authorized person within the meaning of the Act, shall execute, deliver and file any certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in a jurisdiction in which the Company may wish to conduct business.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) The Members hereby elect Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. (c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(a Delaware Limited Liability Company)

This LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of May 30, 2014 by CC FIBERLINK, LLC, a Delaware limited liability company (the “**Member**”), as the member of Phone Transfers (TN), LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be Phone Transfers (TN), LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

(c) *Registered Agent.* The address of the registered office of the Company in the State of Delaware shall be c/o Corporation Service Company, 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808. The registered office or registered agent of the Company may be changed from time to time by the Manager.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. The Manager, as an authorized person within the meaning of the Act, shall execute, deliver and file any certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in a jurisdiction in which the Company may wish to conduct business.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 3. *Powers.* The Company shall have all powers necessary, appropriate or incidental to the accomplishment of its purposes and all other powers conferred upon a limited liability company pursuant to the Act.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) The Members hereby elect Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

- (4) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager;

- (12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;
- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. (h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

i) The Members hereby elect Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(2) issue economic interests in the Company to any Person and admit such Person as a member;

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this "Agreement") is entered into as of November 30, 2009 by Charter Communications, LLC, a Delaware limited liability company ("CCO"), as the sole member of Renaissance Media, LLC, a Delaware limited liability company (the "Company").

WITNESSETH:

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement dated as of November 15, 2006, as amended (the "Prior Agreement"); and

WHEREAS, CCLLC, as the sole member of the Company, wishes to amend and restate the Prior Agreement in compliance with the requirements of the Joint Plan.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the party hereby agrees as follows:

Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be Renaissance Media, LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "Member"; or if there are more than one, the "Members") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "Vote") for each one percentage point of Percentage Interest (as defined in Section 7) held by such Member (totaling 100 Votes for all Members) (any fraction of such a percentage point shall be entitled to an equivalent fraction of a Vote). Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President*. Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, CCLLC is the sole Member. CCLLC is not required to make any capital contribution to the Company; however, CCLLC may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury

Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, CCLLC shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as CCLLC is the sole member of the Company, CCLLC's Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's positive capital account balance. Notwithstanding

that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however,* that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

(a Delaware Limited Liability Company)

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this "Agreement") is entered into as of November 30, 2009 by Charter Communications Operating, LLC, a Delaware limited liability company ("CCO"), as the sole member of Rifkin Acquisition Partners, LLC, a Delaware limited liability company (the "Company").

WITNESSETH:

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement dated as of June 19, 2003, as amended (the "Prior Agreement"); and

WHEREAS, CCO, as the sole member of the Company, wishes to amend and restate the Prior Agreement in compliance with the requirements of the Joint Plan.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the party hereby agrees as follows:

SECTION 1. General.

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the "Act"). Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be Rifkin Acquisition Partners, LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

The registered office or registered agent of the Company may be changed from time to time by the Manager.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. The Manager, as an authorized person within the meaning of the Act, shall execute, deliver and file any certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in a jurisdiction in which the Company may wish to conduct business.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "Member"; or if there are more than one, the "Members") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "Vote") for each one percentage point of Percentage Interest (as defined in Section 7) held by such Member (totaling 100 Votes for all Members) (any fraction of such a percentage point shall be entitled to an equivalent fraction of a Vote). Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

Notwithstanding anything to the contrary in this Operating Agreement, the Company shall not issue nonvoting equity securities to the extent prohibited by Section 1123(a)(6) of the Bankruptcy Code (11 U.S.C. §1123(a)(6)). SECTION 2. *Purposes.* The Company was formed for the object and purpose of, and the nature of the business to be conducted by the Company is, engaging in any lawful act or activity for which limited liability companies may be formed under the Act.

SECTION 3. *Powers.* The Company shall have all powers necessary, appropriate or incidental to the accomplishment of its purposes and all other powers conferred upon a limited liability company pursuant to the Act.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) CCO, as the sole member of the Company, hereby elects Charter Communications, Inc., a Delaware corporation (“CCI”), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company’s manager (the “Manager”). CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(11) operate the Company in such a manner that the Company becomes an "investment company" for purposes of the Investment Company Act of 1940;

(12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President*. Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, CCO is the sole Member. CCO is not required to make any capital contribution to the Company; however, CCO may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv).

The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, CCO shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as CCO is the sole member of the Company, CCO's Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's positive capital account balance. Notwithstanding

that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however,* that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General.*

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "Member"; or if there are more than one, the "Members") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "Vote") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

This LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of December 31, 2015 by Falcon First Cable of the Southeast, LLC, a Delaware limited liability company (the “**Member**”), as the member of Scottsboro TV Cable, LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Member (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be Scottsboro TV Cable, LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

The registered office or registered agent of the Company may be changed from time to time by the Manager.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. The Manager, as an authorized person within the meaning of the Act, shall execute, deliver and file any certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in a jurisdiction in which the Company may wish to conduct business.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

i) The Member hereby elects Charter Communications, Inc., a Delaware corporation (“**CCI**”), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company’s manager (the “**Manager**”). CCI shall be the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(2) issue economic interests in the Company to any Person and admit such Person as a member;

- (12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;
- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

This Agreement supersedes Limited Partnership Agreement entered into November 3, 1993.

WHEREAS, Charter Helicon and Helicon Partners are all of the Partners of the Partnership and desire to adopt and approve this Agreement as the limited partnership agreement of the Partnership to establish their rights and responsibilities and to govern their relationships.

NOW THEREFORE, in consideration of the terms and provisions set forth herein, the mutual benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

SECTION 1. *General.*

Participation in a meeting pursuant to this Section 4(d)(iii) will constitute presence in person at such meeting.

iv) *Quorum.* Subject to the provisions of Section 4(c), at all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by statute, the Certificate or this Agreement. If a quorum is not present at any meeting of the Board, the directors present thereat may adjourn the meeting from time to time until a quorum shall be present. Notice of such adjournment shall be given to any director not present at such meeting.

v) *Action Without Meeting.* Unless otherwise restricted by the Certificate or this Agreement, any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all members of the Board consent thereto in writing and such written consent is filed with the minutes of proceedings of the Board.

vi) *Board’s Duty of Care.* The Board’s duty of care in the discharge of its duties to the Partnership and the Partners is limited to discharging its duties pursuant to this Agreement in good faith, with the care a corporate director of like position would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Partnership. In discharging its duties, the Board shall not be liable to the Partnership or to any Partner for any mistake or error in judgment or for any act or omission believed in good faith to be within the scope of authority conferred by this Agreement or approved by the General Partner.

SECTION 5. *Officers.*

(a) *Officers.* The officers shall be a President, a Treasurer and a Secretary, and such other additional officers, including a Chairman of the Board, Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board, the General Partner or the President may from time to time elect. Any two or more offices may be held by the same individual.

(b) *Election and Term.* The President, Treasurer and Secretary shall be elected by and shall hold office at the pleasure of the Board or the General Partner. The Board, the General Partner or the President may elect such other officers and agents as it shall deem desirable, who shall hold office at the pleasure of the Board, the General Partner or the President, and who shall have such authority and shall perform such duties as from time to time shall be prescribed by the Board, the General Partner or the President.

(c) *Removal.* Any officer may be removed by the affirmative vote of the General Partner or the affirmative vote of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the President, the Treasurer or the Secretary may be removed by the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Partnership; shall preside at all meetings of the Partners and directors; shall have general supervision and active management of the business and finances of the Partnership; shall see that all orders and resolutions of the Board or the General Partner are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Board or General Partner to the contrary, the President shall have the power to vote all securities held by the Partnership and to issue proxies therefor. In the absence or disability of the President, any Chairman (if any) or, if there is no Chairman, the most senior available officer appointed by the Board or the General Partner shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to him or her and shall exercise such powers as may be granted to him or her by the General Partner, the Board or by the President of the Partnership. In the absence of direction by the Board, the General Partner or the President to the contrary, any Senior Vice President shall have the power to vote all securities held by the Partnership and to issue proxies therefor.

iii) *The Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Partners and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Partnership or such other place as the Board may direct, a book of minutes of all meetings and actions of Directors and Partners. The minutes shall show the time and place of each meeting, whether regular

or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings, the number of units present or represented at Partners' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the General Partner or the Board.

iv) *The Treasurer.* The Treasurer shall have custody of the Partnership funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Partnership to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Partnership in the name and to the credit of the Partnership in depositories designated by the General Partner or the Board; and shall disburse the funds of the Partnership as may be ordered by the General Partner or the Board.

SECTION 6. *Partners.*

(a) The Partners of the Partnership shall be set forth on Schedule A hereto. Other persons or entities may be admitted as Partners from time to time pursuant to the provisions of this Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

SECTION 7. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner. Each such distribution, other than liquidating distributions, shall be divided among the Partners in accordance with their number of partnership units (as set forth in Schedule A); provided, however, that a distribution (other than liquidating distributions) not divided in accordance with the number of partnership units may be made if (i) the General Partner reasonably determines that such distribution does not result in any Partner receiving more than one hundred five percent (105%) of the amount such Partner would have received (on a cumulative basis) if all distributions had been divided among the Partners in accordance with their number of partnership units, or (ii) the Partners unanimously consent. Liquidating distributions shall be divided among the Partners in accordance with their positive capital account balances (capital accounts shall be maintained in accordance with Treasury Regulation § 1.704-1(b)(2)(iv)), and such liquidating distributions shall be made by the end of the Partnership's taxable year in which the Partnership is liquidated or, if later, within ninety (90) days after the date of such liquidation.

SECTION 8. *Allocations.*

(a) Subject to Section 8(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule A).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1 (b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the items described in Treasury Regulations Sections 1.704-1 (b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1 (b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 8 (other than the Regulatory Allocations), the General Partner shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner's capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 8(a).

SECTION 9. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the General Partner or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner shall immediately

commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership's intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner to minimize the losses that may result from a liquidation.

SECTION 10. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however,* that this Section 10 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 11. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement and, if required by the Act.

SECTION 12. *Tax Matters.* The Partners agree that it is intended that the Partnership shall be treated as a partnership for purposes of United States federal, state and local income tax laws, and further agree not to take any position or make any election, in a tax return or otherwise, inconsistent therewith. The "Tax Matters Partner" of the Partnership for purposes of section 6231(a)(7) of the Internal Revenue Code of 1986, as amended, shall be the General Partner. The Tax Matters Partner shall have the power to manage and control, on behalf of the Partnership, any administrative proceeding at the Partnership level with the Internal Revenue Service relating to the determination of any item of Partnership income, gain, loss, deduction or credit for federal income tax purposes.

SECTION 13. *Exculpation and Indemnification.*

(a) Neither the Partners, the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership.

Each Partner shall look solely to the assets of the Partnership for return of his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; provided, however, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 13 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 14. *Miscellaneous.*

(a) If the General Partner, the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in

exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective of the date first written above.

The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue membership interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

(4) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager;

(5) change or reorganize the Company into any other legal form;

(6) amend this Agreement;

(7) approve a merger or consolidation with another person;

(8) sell all or substantially all of the assets of the Company;

(9) change the status of the Company from one in which management is vested in the Manager to one in which management is vested in the members or in any other manager, other than as may be delegated to the Board and the officers hereunder;

(10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;

(11) operate the Company in such a manner that the Company becomes an "investment company" for purposes of the Investment Company Act of 1940;

(12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("Intercompany Indebtedness"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the

Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President*. Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. At the date hereof, CCLLC is the sole Member. CCLLC is not required to make any capital contribution to the Company; however, CCLLC may make capital contributions to the Company at any time in its sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury

Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, CCLLC shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement. If an admission of a new Member results in the Company having more than one Member, this Agreement shall be amended in accordance with the provisions of Section 15(b) to establish the rights and responsibilities of the Members and to govern their relationships.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* For purposes of this Agreement, "Percentage Interest" shall mean with respect to any Member as of any date the proportion (expressed as a percentage) of the respective capital account balance of such Member to the capital account balances of all Members. So long as CCLLC is the sole member of the Company, CCLLC's Percentage Interest shall be 100 percent.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Percentage Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances. Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's positive capital account balance. Notwithstanding

that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's positive capital account balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests from time to time.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a single-owner entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "Specified Agent") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities

Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however,* that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any such indemnification under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "Default Rule" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

IN WITNESS WHEREOF, the party has caused this Agreement to be duly executed on the date first above written.

- (7) approve a merger or consolidation with another person;
- (8) sell all or substantially all of the assets of the Company;
- (9) change the status of the Company from one in which management is vested in the Manager to one in which management is vested in the members or in any other manager, other than as may be delegated to the Board and the officers hereunder;
- (10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;
- (11) operate the Company in such a manner that the Company becomes an “investment company” for purposes of the Investment Company Act of 1940;
- (12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;
- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(a Delaware Limited Liability Company)

This LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of May 30, 2014 by CCO FIBERLINK, LLC, a Delaware limited liability company (the “**Member**”), as the member of VOIP Transfers (CA), LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be VOIP Transfers (CA), LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

The registered office or registered agent of the Company may be changed from time to time by the Manager.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. (h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

i) The Members hereby elect Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(a Delaware Limited Liability Company)

This LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of May 30, 2014 by CC FIBERLINK, LLC, a Delaware limited liability company (the “**Member**”), as the member of VOIP Transfers (GA), LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be VOIP Transfers (GA), LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. (h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

WITNESSETH:

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be VOIP Transfers (NC), LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

The registered office or registered agent of the Company may be changed from time to time by the Manager.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. The Manager, as an authorized person within the meaning of the Act, shall execute, deliver and file any certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in a jurisdiction in which the Company may wish to conduct business.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

SECTION 4. *Management.*

(a) *Management by Manager.*

i) The Members hereby elect Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“Adjusted Capital Account Balance”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

This LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of May 30, 2014 by CCO FIBERLINK, LLC, a Delaware limited liability company (the “**Member**”), as the member of VOIP Transfers (VA), LLC, a Delaware limited liability company (the “**Company**”).

WITNESSETH:

WHEREAS, Charter Communications, Inc. (the “**Manager**”) desires to form a limited liability company under the laws of the State of Delaware and desires to adopt this Limited Liability Company Agreement setting forth the agreement among the Members with respect to the management and operation of such limited liability company.

NOW, THEREFORE, in consideration of the terms and provisions set forth herein, the benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et. seq.*, as amended from time to time (the “**Act**”). Except as expressly provided herein, the rights and obligations of the Members (as defined in Section 1(h)) in connection with the regulation and management of the Company shall be governed by the Act.

(b) *Name.* The name of the Company shall be VOIP Transfers (VA), LLC. The business of the Company shall be conducted under such name or any other name or names that the Manager (as defined in Section 4(a)(i) hereof) shall determine from time to time.

(d) *Principal Office.* The principal place of business of the Company shall be at 12405 Powerscourt Drive, St. Louis, MO 63131. At any time, the Manager may change the location of the Company's principal place of business.

(e) *Term.* The term of the Company commenced on the date of the filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, and the Company will have perpetual existence until dissolved and its affairs wound up in accordance with the provisions of this Agreement.

(f) *Certificate of Formation.* The execution of the Certificate of Formation and the filing thereof in the office of the Secretary of State of the State of Delaware are hereby ratified, confirmed and approved.

(g) *Qualification; Registration.* The Manager shall cause the Company to be qualified, formed or registered under assumed or fictitious name statutes or similar laws in any jurisdiction in which the Company transacts business and in which such qualification, formation or registration is required or desirable. The Manager, as an authorized person within the meaning of the Act, shall execute, deliver and file any certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in a jurisdiction in which the Company may wish to conduct business.

(h) *Voting.* Each member of the Company (if there is only one member of the Company, the "**Member**"; or if there are more than one, the "**Members**") shall have one vote in respect of any vote, approval, consent or ratification of any action (a "**Vote**") for each Unit (as defined in Section 7) held by such Member. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member's execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

(a) *Management by Manager.*

i) The Members hereby elect Charter Communications, Inc., a Delaware corporation ("**CCI**"), or its successor-in-interest that acquires directly or indirectly substantially all of the assets or business of CCI, as the Company's manager (the "**Manager**"). CCI shall be

the Manager until a simple majority of the Votes elects otherwise. No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “Board”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager’s duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

- (13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;
- (14) materially change any of the tax reporting positions or elections of the Company;
- (15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), provided that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The initial officers are set forth on Exhibit A.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary*. The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer*. The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board*. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers*. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members*.

(a) *Members*. The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members*. Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability*. Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities*. Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Economic Interests*. The Economic Interests held by each Member will be divided into and represented by Percentage Interests, and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to "Percentage Interests" will include all Percentage Interests outstanding as of the relevant date and the Economic Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution ("Adjusted Capital Account Balance"). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member's Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company's profits reflected in such Member's Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Economic Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for United States federal tax purposes. So long as the Company is a single-owner entity for federal income tax purposes, it is intended that for federal, state and local

income tax purposes the Company be disregarded as an entity separate from its owner for income tax purposes and its activities be treated as a division of such owner. In the event that the Company has two or more Members for federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for federal, state and local income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a “**Specified Agent**”) shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member’s investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys’ fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; provided that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability*. In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts*. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement*. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act*. Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

v) The Manager's duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is intended to be treated as a partnership for U.S. federal income tax purposes. So long as the Company has two or more partners for U.S. federal income tax purposes, it is intended that the Company be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith. In the event that the Company has only one owner for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company shall be disregarded as an entity separate from its owner and its activities be treated as a division of such owner.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or

omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other

person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "**Default Rule**" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(a Delaware Limited Liability Company)

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this "**Agreement**") is entered into as of May 18, 2016, by and among NaviSite LLC, a Delaware limited liability company (the "**Member**"), as the sole member of America's Job Exchange LLC, a Delaware limited liability company (the "**Company**"), the Company, and Charter Communications, Inc., a Delaware corporation (formerly known as CCH I, LLC), as the Manager (as defined in Section 4(a)(i) hereof).

The Member desires to continue the Company as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et seq.*, as amended from time to time (the "**Act**"), and to amend and restate any and all prior limited liability company agreements of the Company as follows:

SECTION 1. General.

Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member’s execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), *provided* that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

The prior officers of the Company are hereby removed and the officers of the Company shall be as set forth on Exhibit A hereto (as such Exhibit may be amended by the written consent of the Manager).

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however,* that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(a Delaware Limited Liability Company)

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of May 18, 2016, by and among DukeNet Communications Holdings, LLC, a Delaware limited liability company (the “**Member**”), as the sole member of DukeNet Communications, LLC, a Delaware limited liability company (the “**Company**”), the Company, and Charter Communications, Inc., a Delaware corporation (formerly known as CCH I, LLC), as the Manager (as defined in Section 4(a)(i) hereof).

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The prior officers of the Company are hereby removed and the officers of the Company shall be as set forth on Exhibit A hereto (as such Exhibit may be amended by the written consent of the Manager).

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT

OF

(a Delaware Limited Liability Company)

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended from time to time, this “**Agreement**”) is entered into as of May 18, 2016, by and among Charter Communications, Inc., a Delaware limited liability company (the “**Member**”), as the sole member of Insight Blocker LLC, a Delaware corporation (the “**Company**”), the Company, and Charter Communications, Inc., a Delaware corporation (formerly known as CCH I, LLC), as the Manager (as defined in Section 4(a)(i) hereof).

The Company was formed as a Delaware limited liability company pursuant to a Certificate of Formation filed with the Secretary of State of the State of Delaware; and

The Member desires to continue the Company as a limited liability company under the Delaware Limited Liability Company Act, 6 Del.C. § 18-101, *et seq.*, as amended from time to time (the “**Act**”), and to amend and restate any and all prior limited liability company agreements of the Company as follows:

SECTION 1. *General.*

(a) *Formation.* Effective as of the date and time of filing of the Certificate of Formation in the office of the Secretary of State of the State of Delaware, the Company was formed as a limited liability company under the Act. Any vote, approval, consent or ratification as to any matter under the Act or this Agreement by a Member may be evidenced by such Member’s execution of any document or agreement (including this Agreement or an amendment hereto) which would otherwise require as a precondition to its effectiveness such vote, approval, consent or ratification of the Members.

v) The Manager's duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(14) materially change any of the tax reporting positions or elections of the Company;

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), *provided* that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The prior officers of the Company are hereby removed and the officers of the Company shall be as set forth on Exhibit A hereto (as such Exhibit may be amended by the written consent of the Manager).

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704-1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however,* that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 14. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed

by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

The prior officers of the Company are hereby removed and the officers of the Company shall be as set forth on Exhibit A hereto (as such Exhibit may be amended by the written consent of the Manager).

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

(ii) issue partnership interests in the Partnership to any person or admit any person as a Partner;

(iii) do any act in contravention of this Agreement or any resolution of the Partners, or cause the Partnership to engage in any business not authorized by the Certificate or the terms of this Agreement or that would make it impossible to carry on the usual course of business of the Partnership;

- (iv) enter into or amend any agreement which provides for the management of the business or affairs of the Partnership by a person other than the General Partner(s);
- (v) change or reorganize the Partnership into any other legal form;
- (vi) amend this Agreement;
- (vii) approve a merger or consolidation with another entity;
- (viii) sell all or substantially all of the assets of the Partnership;
- (ix) change the status of the Partnership from one in which management is vested in the General Partner(s) to one in which management is vested in any other person or entity, other than as may be delegated to the Board and the officers hereunder;
- (x) possess any Partnership property or assign the rights of the Partnership in specific Partnership property for other than a Partnership purpose;
- (xi) operate the Partnership in such a manner that the Partnership becomes an “investment company” for purposes of the Investment Company Act of 1940;
- (xii) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer;
- (xiii) settle any litigation or arbitration with any third party, any Partner, or any affiliate of any Partner, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed Five Million Dollars (\$5,000,000);
- (xiv) materially change any of the tax reporting positions or elections of the Partnership;
- (xv) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Partnership’s total budget (as approved by the General Partner(s)) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or
- (xvi) make or incur any secured or unsecured indebtedness which individually or in the aggregate exceeds Five Million Dollars (\$5,000,000), *provided* that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Partnership (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Partnership or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the General Partner(s).

(d) *Board of Director Meetings.*

(i) *Regular Meetings.* Regular meetings of the Board may be held without notice at such time and at such place as shall from time to time be determined by the Board, but not less often than annually.

(ii) *Special Meetings.* Special meetings of the Board may be called by the president or any member of the Board on twenty-four (24) hours' notice to each director; special meetings shall be called by the president or secretary in like manner and on like notice on the written request of Partners holding a majority of the partnership interests held by all Partners. Notice of a special meeting may be given by facsimile.

(iii) *Telephonic Meetings.* Members of the Board may participate in any regular or special meeting of the Board, by means of conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this Section 4(d)(iii) will constitute presence in person at such meeting.

(iv) *Quorum.* Subject to the provisions of Section 4(c), at all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by statute, the Certificate or this Agreement. If a quorum is not present at any meeting of the Board, the directors present thereat may adjourn the meeting from time to time until a quorum shall be present. Notice of such adjournment shall be given to any director not present at such meeting.

(v) *Action Without Meeting.* Unless otherwise restricted by the Certificate or this Agreement, any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all members of the Board consent thereto in writing and such written consent is filed with the minutes of proceedings of the Board.

(e) *Board's Duty of Care.* The Board's duty of care in the discharge of its duties to the Partnership and the Partners is limited to discharging its duties pursuant to this Agreement in good faith, with the care a corporate director of like position would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Partnership. In discharging its duties, the Board shall not be liable to the Partnership or to any Partner for any mistake or error in judgment or for any act or omission believed in good faith to be within the scope of authority conferred by this Agreement or approved by the General Partner(s).

SECTION 5. *Officers.*

(a) *Officers.* The officers shall be a President, a Treasurer and a Secretary, and such other additional officers, including a Chairman of the Board, Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board, the General Partner(s) or the President may from time to time elect. Any two or more offices may be held by the same individual. The prior officers of the Partnership are hereby removed and the officers of the Partnership shall be as set forth on Schedule A hereto (as such Exhibit may be amended by the written consent of the General Partner(s)).

(b) *Election and Term.* The President, Treasurer and Secretary shall be elected by and shall hold office at the pleasure of the Board or the General Partner(s). The Board, the General Partner(s) or the President may elect such other officers and agents as it shall deem desirable, who shall hold office at the pleasure of the Board, the General Partner(s) or the President, and who shall have such authority and shall perform such duties as from time to time shall be prescribed by the Board, the General Partner(s) or the President.

(c) *Removal.* Any officer may be removed by the affirmative vote of the General Partner(s) or the affirmative vote of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the President, the Treasurer or the Secretary may be removed by the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

(i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Partnership; shall preside at all meetings of the Partners and directors; shall have general supervision and active management of the business and finances of the Partnership; shall see that all orders and resolutions of the Board or the General Partner(s) are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Board or the General Partner(s) to the contrary, the President shall have the power to vote all securities held by the Partnership and to issue proxies therefor. In the absence or disability of the President, any Chairman (if any) or, if there is no Chairman, the most senior available officer appointed by the Board or the General Partner(s) shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

(ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to him or her and shall exercise such powers as may be granted to him or her by the General Partner(s), the Board or by the President of the Partnership. In the absence of direction by the Board, the General Partner(s) or the President to the contrary, any Senior Vice President shall have the power to vote all securities held by the Partnership and to issue proxies therefor.

(iii) *The Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Partners and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Partnership or such other place as the Board may direct, a book of minutes of all meetings and actions of Directors and Partners. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings, the number of units present or represented at Partners' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the General Partner(s) or the Board.

(iv) *The Treasurer.* The Treasurer shall have custody of the Partnership funds and securities and shall keep or cause to be kept full and accurate accounts of

receipts and disbursements in books of the Partnership to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Partnership in the name and to the credit of the Partnership in depositories designated by the General Partner(s) or the Board; and shall disburse the funds of the Partnership as may be ordered by the General Partner(s) or the Board.

SECTION 6. *Partners.*

(a) The Partners of the Partnership shall be set forth on Schedule B hereto. Other persons or entities may be admitted as Partners from time to time pursuant to the provisions of this Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

SECTION 7. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner(s). Each such distribution, other than liquidating distributions, shall be divided among the Partners in accordance with their number of partnership units (as set forth in Schedule B). Liquidating distributions shall be divided among the Partners in accordance with their positive capital account balances (capital accounts shall be maintained in accordance with Treasury Regulation § 1.704-1(b)(2)(iv)), and such liquidating distributions shall be made by the end of the Partnership's taxable year in which the Partnership is liquidated or, if later, within ninety (90) days after the date of such liquidation.

SECTION 8. *Allocations.*

(a) Subject to Section 8(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule B).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the

items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the “**Regulatory Allocations**”) are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 8 (other than the Regulatory Allocations), the General Partner(s) shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner’s capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 8(a).

SECTION 9. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the General Partner(s) or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner(s) shall immediately commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner(s) may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership’s intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner(s) to minimize the losses that may result from a liquidation.

SECTION 10. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its

partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however*, that this Section 10 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner(s) shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 11. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement.

SECTION 12. *Tax Matters.* As of the date of this Agreement, the Partnership is a disregarded entity for U.S. federal income tax purposes. So long as the Partnership is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Partnership be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Partnership has two or more partners for U.S. federal income tax purposes, it is intended that (i) the Partnership shall be treated as a partnership for U.S. federal income tax purposes, and the Partners shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 13. *Exculpation and Indemnification.*

(a) Neither the Partners, the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership. Each Partner shall look solely to the assets of the Partnership for return of his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses,

damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 13 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 14. *Miscellaneous.*

(a) If the General Partner(s), the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner(s) may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective as of the date first written above.

The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager's duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

(4) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager;

(5) change or reorganize the Company into any other legal form;

(6) amend this Agreement;

(7) approve a merger or consolidation with another person;

(8) sell all or substantially all of the assets of the Company;

(9) change the status of the Company from one in which management is vested in the Manager to one in which management is vested in the members or in any other manager, other than as may be delegated to the Board and the officers hereunder;

(10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;

(11) operate the Company in such a manner that the Company becomes an “investment company” for purposes of the Investment Company Act of 1940;

(12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), *provided* that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The prior officers of the Company are hereby removed and the officers of the Company shall be as set forth on Exhibit A hereto (as such Exhibit may be amended by the written consent of the Manager).

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

No additional person may be elected as Manager without the approval of a simple majority of the Votes (for purposes of this Agreement, to the extent the context requires, the term “person” refers to both individuals and entities). Except as otherwise required by applicable law and as provided below with respect to the Manager’s board of directors (the “**Board**”), the powers of the Company shall at all times be exercised by or under the authority of, and the business, property and affairs of the Company shall be managed by, or under the direction of, the Manager. The Manager is a “manager” of the Company within the meaning of the Act. Any person appointed as Manager shall accept its appointment by execution of a consent to this Agreement.

ii) The Manager shall be authorized to elect, remove or replace directors and officers of the Company, who shall have such authority with respect to the management of the business and affairs of the Company as set forth herein or as otherwise specified by the Manager in the resolution or resolutions pursuant to which such directors or officers were elected.

iii) Except as otherwise required by this Agreement or applicable law, the Manager shall be authorized to execute or endorse any check, draft, evidence of indebtedness, instrument, obligation, note, mortgage, contract, agreement, certificate or other document on behalf of the Company without the consent of any Member or other person.

iv) No annual or regular meetings of the Manager or the Members are required. The Manager may, by written consent, take any action which it is otherwise required or permitted to take at a meeting.

v) The Manager's duty of care in the discharge of its duties to the Company and the Members is limited to discharging its duties pursuant to this Agreement in good faith, with the care a director of a Delaware corporation would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Company and its Members.

vi) Except as required by the Act, no Manager shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations under a judgment, decree or order of a court, solely by reason of being a manager of the Company.

(b) *Consent Required.* The affirmative vote, approval, consent or ratification of the Manager shall be required to:

(1) alter the primary purposes of the Company as set forth in Section 2;

(2) issue economic interests in the Company to any Person and admit such Person as a member;

(3) do any act in contravention of this Agreement or any resolution of the members, or cause the Company to engage in any business not authorized by the Certificate or the terms of this Agreement or that which would make it impossible to carry on the usual course of business of the Company;

(4) enter into or amend any agreement which provides for the management of the business or affairs of the Company by a person other than the Manager;

(5) change or reorganize the Company into any other legal form;

(6) amend this Agreement;

(7) approve a merger or consolidation with another person;

(8) sell all or substantially all of the assets of the Company;

(9) change the status of the Company from one in which management is vested in the Manager to one in which management is vested in the members or in any other manager, other than as may be delegated to the Board and the officers hereunder;

(10) possess any Company property or assign the rights of the Company in specific Company property for other than a Company purpose;

(11) operate the Company in such a manner that the Company becomes an “investment company” for purposes of the Investment Company Act of 1940;

(12) except as otherwise provided or contemplated herein, enter into any agreement to acquire property or services from any person who is a director or officer of the Company;

(13) settle any litigation or arbitration with any third party, any Member, or any affiliate of any Member, except for any litigation or arbitration brought or defended in the ordinary course of business where the present value of the total settlement amount or damages will not exceed \$5,000,000;

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company’s total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), *provided* that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company (“**Intercompany Indebtedness**”), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The prior officers of the Company are hereby removed and the officers of the Company shall be as set forth on Exhibit A hereto (as such Exhibit may be amended by the written consent of the Manager).

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) *Chairman of the Board.* The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) *Authority of Officers.* The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy.* Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests.* The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions.* The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations.* The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up.*

(a) *Dissolution.* The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution.* Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up.* Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is intended to be treated as a partnership for U.S. federal income tax purposes. So long as the Company has two or more partners for U.S. federal income tax purposes, it is intended that the Company be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith. In the event that the Company has only one owner for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company shall be disregarded as an entity separate from its owner and its activities be treated as a division of such owner.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or Specified Agent, in respect of any loss which arises out of any acts or omissions performed or

omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified Agent acting under this Agreement shall not be liable to the Company or to any Member or other

person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this Section 15(h), "**Default Rule**" shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company's Limited Liability Company Agreement.

AGREEMENT OF LIMITED PARTNERSHIP
OF

This AMENDED AND RESTATED AGREEMENT OF LIMITED PARTNERSHIP OF INSIGHT MIDWEST, L.P., A DELAWARE LIMITED PARTNERSHIP (this “**Agreement**”) is entered into as of May 18, 2016 by and between Insight Midwest Holdings, LLC, a Delaware limited liability company as the general partner (the “**General Partner**”), and Insight Kentucky Capital, LLC, a Delaware limited liability company as the limited partner (each, a “**Partner**” or collectively, the “**Partners**”), as the partners of Insight Communications of Kentucky, L.P., a Delaware limited partnership (the “**Partnership**”).

(d) *Board of Director Meetings.*

(i) *Regular Meetings.* Regular meetings of the Board may be held without notice at such time and at such place as shall from time to time be determined by the Board, but not less often than annually.

(ii) *Special Meetings.* Special meetings of the Board may be called by the president or any member of the Board on twenty-four (24) hours' notice to each director; special meetings shall be called by the president or secretary in like manner and on like notice on the written request of Partners holding a majority of the partnership interests held by all Partners. Notice of a special meeting may be given by facsimile.

(iii) *Telephonic Meetings.* Members of the Board may participate in any regular or special meeting of the Board, by means of conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this Section 4(d)(iii) will constitute presence in person at such meeting.

(iv) *Quorum.* Subject to the provisions of Section 4(c), at all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by statute, the Certificate or this Agreement. If a quorum is not present at any meeting of the Board, the directors present thereat may adjourn the meeting from time to time until a quorum shall be present. Notice of such adjournment shall be given to any director not present at such meeting.

(v) *Action Without Meeting.* Unless otherwise restricted by the Certificate or this Agreement, any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all members of the Board consent thereto in writing and such written consent is filed with the minutes of proceedings of the Board.

(e) *Board's Duty of Care.* The Board's duty of care in the discharge of its duties to the Partnership and the Partners is limited to discharging its duties pursuant to this Agreement in good faith, with the care a corporate director of like position would exercise under similar circumstances, in the manner it reasonably believes to be in the best interests of the Partnership. In discharging its duties, the Board shall not be liable to the Partnership or to any Partner for any mistake or error in judgment or for any act or omission believed in good faith to be within the scope of authority conferred by this Agreement or approved by the General Partner(s).

SECTION 5. *Officers.*

(a) *Officers.* The officers shall be a President, a Treasurer and a Secretary, and such other additional officers, including a Chairman of the Board, Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board, the General Partner(s) or the President may from time to time elect. Any two or more offices may be held by the same individual. The prior officers of the Partnership are hereby removed and the officers of the Partnership shall be as set forth on Schedule A hereto (as such Exhibit may be amended by the written consent of the General Partner(s)).

(b) *Election and Term.* The President, Treasurer and Secretary shall be elected by and shall hold office at the pleasure of the Board or the General Partner(s). The Board, the General Partner(s) or the President may elect such other officers and agents as it shall deem desirable, who shall hold office at the pleasure of the Board, the General Partner(s) or the President, and who shall have such authority and shall perform such duties as from time to time shall be prescribed by the Board, the General Partner(s) or the President.

(c) *Removal.* Any officer may be removed by the affirmative vote of the General Partner(s) or the affirmative vote of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the President, the Treasurer or the Secretary may be removed by the President, with or without cause, for any reason or for no reason.

(d) *Duties and Authority of Officers.*

(i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Partnership; shall preside at all meetings of the Partners and directors; shall have general supervision and active management of the business and finances of the Partnership; shall see that all orders and resolutions of the Board or the General Partner(s) are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Board or the General Partner(s) to the contrary, the President shall have the power to vote all securities held by the Partnership and to issue proxies therefor. In the absence or disability of the President, any Chairman (if any) or, if there is no Chairman, the most senior available officer appointed by the Board or the General Partner(s) shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

(ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to him or her and shall exercise such powers as may be granted to him or her by the General Partner(s), the Board or by the President of the Partnership. In the absence of direction by the Board, the General Partner(s) or the President to the contrary, any Senior Vice President shall have the power to vote all securities held by the Partnership and to issue proxies therefor.

(iii) *The Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Partners and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Partnership or such other place as the Board may direct, a book of minutes of all meetings and actions of Directors and Partners. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings, the number of units present or represented at Partners' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the General Partner(s) or the Board.

(iv) *The Treasurer.* The Treasurer shall have custody of the Partnership funds and securities and shall keep or cause to be kept full and accurate accounts of

receipts and disbursements in books of the Partnership to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Partnership in the name and to the credit of the Partnership in depositories designated by the General Partner(s) or the Board; and shall disburse the funds of the Partnership as may be ordered by the General Partner(s) or the Board.

SECTION 6. *Partners.*

(a) The Partners of the Partnership shall be set forth on Schedule B hereto. Other persons or entities may be admitted as Partners from time to time pursuant to the provisions of this Agreement.

(b) No limited partner shall be liable for the debts, liabilities and obligations of the Partnership, including any debts, liabilities and obligations under a judgment, decree or order of a court.

(c) Neither a Partner nor any of its affiliates, partners, members, directors, managers, officers or employees shall be expressly or impliedly restricted or prohibited by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever. Except as otherwise agreed in writing, each Partner and its affiliates, partners, members, directors, managers, officers and employees shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Partnership.

SECTION 7. *Distributions.* The Partnership may from time to time distribute to the Partners such amounts in cash and other assets as shall be determined by the General Partner(s). Each such distribution, other than liquidating distributions, shall be divided among the Partners in accordance with their number of partnership units (as set forth in Schedule B). Liquidating distributions shall be divided among the Partners in accordance with their positive capital account balances (capital accounts shall be maintained in accordance with Treasury Regulation § 1.704-1(b)(2)(iv)), and such liquidating distributions shall be made by the end of the Partnership's taxable year in which the Partnership is liquidated or, if later, within ninety (90) days after the date of such liquidation.

SECTION 8. *Allocations.*

(a) Subject to Section 8(b), the profits and losses of the Partnership shall be allocated to the Partners in accordance with their number of partnership units (as set forth in Schedule B).

(b) All allocations of Partnership income, gain, loss, deductions, and other items shall be made in accordance with the applicable requirements of Section 704 of the Internal Revenue Code and the Treasury Regulations thereunder, including without limitation the requirements necessary to satisfy the alternate test for economic effect under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Accordingly, (i) an allocation shall be made only to the extent it does not cause or increase a deficit balance in a Partner's capital account (in excess of any limited dollar amount of such deficit balance that such Partner is obligated or deemed obligated to restore) as of the end of the Partnership's taxable year to which such allocation relates (in determining the extent to which this clause (i) is satisfied, such Partner's capital account shall be reduced for the

items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6) and otherwise adjusted as provided in the Regulations related thereto), and (ii) a Partner who unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income, and gain for such year) in an amount and manner sufficient to eliminate such deficit balance as quickly as possible. The limitations and allocations described in the preceding sentence (the “**Regulatory Allocations**”) are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deductions. Therefore, notwithstanding any other provisions of this Section 8 (other than the Regulatory Allocations), the General Partner(s) shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, a Partner’s capital account balance is, to the extent possible, equal to the capital account balance such Partner would have had if the Regulatory Allocations were not part of this agreement and all Partnership items were allocated pursuant to Section 8(a).

SECTION 9. *Dissolution; Winding Up.*

(a) The Partnership shall be dissolved upon (i) the adoption of a plan of dissolution by the General Partner(s) or (ii) the occurrence of any event required to cause the dissolution of the Partnership under the Act.

(b) Any dissolution of the Partnership shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Partnership shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act.

(c) Upon dissolution of the Partnership, the Partnership shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Partnership, the General Partner(s) shall immediately commence to wind up the affairs of the Partnership in accordance with the provisions of this Agreement and the Act. In winding up the business and affairs of the Partnership, the General Partner(s) may take any and all actions that it determines in its sole discretion to be in the best interests of the Partners, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Partnership’s intention to dissolve to be mailed to each known creditor of and claimant against the Partnership, (ii) the payment, settlement or compromise of existing claims against the Partnership, (iii) the making of reasonable provisions for payment of contingent claims against the Partnership and (iv) the sale or disposition of the properties and assets of the Partnership. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Partnership and the satisfaction of claims against the Partnership so as to enable the General Partner(s) to minimize the losses that may result from a liquidation.

SECTION 10. *Transfer.* No Partner shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its

partnership interest in the Partnership to any other person or entity without the prior written consent of each of the other Partners; *provided, however*, that this Section 10 shall not restrict the ability of any Partner to transfer (at any time) all or a portion of its partnership interest in the Partnership to another Partner or its affiliates. Upon the transfer of a Partner's partnership interest, the General Partner(s) shall provide notice of such transfer to each of the other Partners and shall amend Schedule A hereto to reflect the transfer.

SECTION 11. *Admission of Additional Partners.* The admission of additional partners to the Partnership shall be accomplished by the amendment of this Agreement.

SECTION 12. *Tax Matters.* As of the date of this Agreement, the Partnership is a disregarded entity for U.S. federal income tax purposes. So long as the Partnership is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Partnership be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Partnership has two or more partners for U.S. federal income tax purposes, it is intended that (i) the Partnership shall be treated as a partnership for U.S. federal income tax purposes, and the Partners shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 13. *Exculpation and Indemnification.*

(a) Neither the Partners, the directors, their affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any Partner or any such affiliate and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Partnership (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Partnership or to any Partner for, and neither the Partnership nor any Partner shall take any action against such Partners, their affiliates or any Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by it pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Partnership, if such Partner, such affiliate, or such Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Partnership. Each Partner shall look solely to the assets of the Partnership for return of his, her or its investment, and if the property of the Partnership remaining after the discharge of the debts and liabilities of the Partnership is insufficient to return such investment, each Partner shall have no recourse against the Partnership, the other Partners or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Partner of any fiduciary duty or duty of fair dealing to the other Partners that it may have under applicable law.

(b) In any threatened, pending or completed claim, action, suit or proceeding to which a Partner, any of such Partner's affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person or entity is or was engaged in activities on behalf of the Partnership, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Partner, any of such Partner's affiliates, or any Specified Agent relating to the Partnership, the Partnership shall indemnify and hold harmless the Partners, any such affiliates, and any such Specified Agents against losses,

damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Partners, any of their affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any Partner, any of such Partner's affiliates or any Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Partner, such affiliate or such Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Partner, affiliate or Specified Agent.

(c) The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Partner, such Partner's affiliate or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) Any such indemnification under this Section 13 shall be recoverable only out of the assets of the Partnership and not from the Partners.

SECTION 14. *Miscellaneous.*

(a) If the General Partner(s), the Board or any officer of the Partnership executes a written consent or approval or otherwise takes an action on behalf of the Partnership prior to such person or entity's appointment by or as set forth in this Agreement, then such consent, approval or action shall be effective and binding on the Partnership so long as the effective date or time of such consent, approval or action is after the date or time on which such person has been appointed in the manner set forth in this Agreement.

(b) A Partner's partnership interest may be evidenced by a certificate of partnership interest in such form as the General Partner(s) may approve.

(c) The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Partner. No failure or delay on the part of any Partner in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(d) This Agreement shall be binding upon and inure to the benefit of the Partners and their respective successors and assigns.

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(f) In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(g) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Partners have executed this Agreement, effective as of the date first written above.
