The Revolving Loans may from time to time be Eurodollar Loans or ABR Loans, as determined by the Borrower and notified to the Funding Agent in accordance with Sections 2.2 and 2.10.

The Eurodollar Base Rate applicable to any Eurodollar Loan borrowed pursuant to the preceding sentence shall equal the Eurodollar Base Rate then applicable to the Eurodollar Loans of the other Lenders in the same Eurodollar Tranche (or, until the expiration of the then-current Interest Period, such other rate as shall be agreed upon between the Borrower and the relevant Lender).

Not later than 2:00 P.M., Dallas time, on the Borrowing Date specified in a notice in respect of Swingline Loans, the Swingline Lender shall make available to the Funding Agent at the Funding Office an amount in immediately available funds equal to the amount of the Swingline Loan to be made by the Swingline Lender. The Funding Agent shall make the proceeds of such Swingline Loan available to the

Borrower on such Borrowing Date by depositing such proceeds in the account of the Borrower with the Funding Agent on such Borrowing Date in immediately available funds.

(b) The Swingline Lender, at any time and from time to time in its sole and absolute discretion and in consultation with the Borrower (provided that the failure to so consult shall not affect the ability of the Swingline Lender to make the following request) may, on behalf of the Borrower (which hereby irrevocably directs the Swingline Lender to act on its behalf), on one Business Day's notice given by the Swingline Lender no later than 1:00 P.M., Dallas time, request each Restatement Revolving Lender to make, and each Restatement Revolving Lender hereby agrees to make, a Restatement Revolving Loan, in an amount equal to such Restatement Revolving Lender's Restatement Percentage of the aggregate amount of the Swingline Loans (the "Refunded Swingline Loans") outstanding on the date of such notice, to repay the Swingline Lender. Each Restatement Revolving Lender shall make the amount of such Restatement Revolving Loan available to the Funding Agent at the Funding Office in immediately available funds, not later than 11:00 A.M., Dallas time, one Business Day after the date of such notice. The proceeds of such Restatement Revolving Loans shall be immediately made available by the Funding Agent to the Swingline Lender for application by the Swingline Lender to the repayment of the Refunded Swingline Loans. The Borrower irrevocably authorizes the Swingline Lender to charge the Borrower's accounts with the Funding Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swingline Loans to the extent amounts received from the Restatement Revolving Lenders are not sufficient to repay in full such Refunded Swingline Loans.

(c) If prior to the time a Restatement Revolving Loan would have otherwise been made pursuant to Section 2.5(b), one of the events described in Section 8(f) shall have occurred and be continuing with respect to the Borrower or if for any other reason, as determined by the Swingline Lender in its sole discretion, Restatement Revolving Loans may not be made as contemplated by Section 2.5(b), each Restatement Revolving Lender shall, on the date such Restatement Revolving Loan was to have been made pursuant to the notice referred to in Section 2.5(b), purchase for cash an undivided participating interest in the then outstanding Swingline Loans by paying to the Swingline Lender an amount (the "Swingline Participation Amount") equal to (i) such Restatement Revolving Lender's Restatement Revolving Percentage times (ii) the sum of the aggregate principal amount of Swingline Loans then outstanding that were to have been repaid with such Restatement Revolving Loans.

(d) Whenever, at any time after the Swingline Lender has received from any Restatement Revolving Lender such Lender's Swingline Participation Amount, the Swingline Lender receives any payment on account of the Swingline Loans, the Swingline Lender will distribute to such Lender its Swingline Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Lender's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); provided, however, that in the event that such payment received by the Swingline Lender is required to be returned, such Restatement Revolving Lender will return to the Swingline Lender any portion thereof previously distributed to it by the Swingline Lender.

(e) Each Restatement Revolving Lender's obligation to make the Loans referred to in Section 2.5(b) and to purchase participating interests pursuant to Section 2.5(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Restatement Revolving Lender or the Borrower may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of the Borrower; (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other

Loan Party or any other Restatement Revolving Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.6. Commitment Fees, etc. (a) The Borrower agrees to pay to the Funding Agent for the account of each Revolving Lender a nonrefundable commitment fee through the last day of the Revolving Commitment Period, computed at the Commitment Fee Rate on the average daily amount of the relevant Available Revolving Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on the last day of each March, June, September and December and on the Revolving Termination Date.

(b) The Borrower agrees to pay to the Funding Agent the fees in the amounts and on the dates previously agreed to in writing by the Borrower and the Funding Agent.

2.7. Termination or Reduction of Revolving Commitments. The Borrower shall have the right, upon not less than three Business Days' notice to the Funding Agent, to terminate the Revolving Commitments or, from time to time, to reduce the amount of the Revolving Commitments; provided that no such termination or reduction of Revolving Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans and Swingline Loans made on the effective date thereof, the relevant Total Revolving Extensions of Credit would exceed the relevant Total Revolving Commitments. Any reduction of the Revolving Commitments shall be allocated to such Revolving Facility as shall be directed by the Borrower. Any such reduction shall be in an amount equal to \$10,000,000, or a whole multiple of \$1,000,000 in excess thereof, shall reduce permanently the relevant Revolving Commitments then in effect and shall be applied pro rata to the scheduled reductions thereof.

2.8. Optional Prepayments. The Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty, upon irrevocable notice delivered to the Funding Agent at least three Business Days prior thereto in the case of Eurodollar Loans and at least one Business Day prior thereto in the case of ABR Loans, which notice shall specify the date and amount of prepayment and whether the prepayment is of Eurodollar Loans or ABR Loans; provided, that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.18. Prepayments of Revolving Loans shall be allocated to such Revolving Facility as shall be directed by the Borrower. Upon receipt of any such notice, the Funding Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans and Swingline Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans and Revolving Loans shall be in an aggregate principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof. Partial prepayments of Swingline Loans shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof.

2.9. Mandatory Prepayments (a) Unless the Required Prepayment Lenders shall otherwise agree, if on any date the Borrower or any of its Subsidiaries shall receive Net Cash Proceeds from any Asset Sale or Recovery Event then, (i) unless a Reinvestment Notice shall be delivered in respect thereof, such Net Cash Proceeds shall be applied within two Business Days after the deadline by which such Reinvestment Notice is otherwise required to be delivered in respect of such Asset Sale or Recovery Event toward the prepayment of the Term Loans (provided that the foregoing requirement shall not apply to the first \$10,000,000 of aggregate Net Cash Proceeds received after the Restatement Effective Date) and (ii) on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Term Loans.

(b) The application of any prepayment pursuant to this Section 2.9 shall be made, first, to ABR Loans and, second, to Eurodollar Loans. Each prepayment of the Loans under this Section 2.9 shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

2.10. Conversion and Continuation Options. (a) The Borrower may elect from time to time to convert Eurodollar Loans to ABR Loans by giving the Funding Agent at least two Business Days' prior irrevocable notice of such election, provided that any such conversion of Eurodollar Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert ABR Loans to Eurodollar Loans by giving the Funding Agent at least three Business Days' prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor), provided that no ABR Loan may be converted into a Eurodollar Loan when any Event of Default has occurred and is continuing. Upon receipt of any such notice the Funding Agent shall promptly notify each relevant Lender thereof.

(b) Any Eurodollar Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving irrevocable notice to the Funding Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that (i) no Eurodollar Loan may be continued as such when any Event of Default has occurred and is continuing and (ii) if the Borrower shall fail to give any required notice as described above in this paragraph, the relevant Eurodollar Loans shall be automatically converted to Eurodollar Loans having a one-month Interest Period on the last day of the then expiring Interest Period. Upon receipt of any such notice, the Funding Agent shall promptly notify each relevant Lender thereof.

2.11. Limitations on Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Eurodollar Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$10,000,000 or a whole multiple of \$1,000,000 in excess thereof and (b) no more than fifteen Eurodollar Tranches shall be outstanding at any one time.

2.12. Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin.

(b) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), all outstanding Loans and Reimbursement Obligations (whether or not overdue) shall bear interest at a rate per annum equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% or (y) in the case of Reimbursement Obligations, the rate applicable to ABR Loans under the Restatement Revolving Facility plus 2%, and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to ABR Loans under the relevant Facility plus 2% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to ABR Loans under the Restatement Revolving Facility plus 2%), in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.13. Computation of Interest and Fees. (a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to ABR Loans the rate of interest on which is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Funding Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Funding Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(a) Each determination of an interest rate by the Funding Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Funding Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Funding Agent in determining any interest rate pursuant to Section 2.12(a).

2.14. Inability to Determine Interest Rate. If prior to the first day of any Interest Period:

(a) the Funding Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period, or

(b) the Funding Agent shall have received notice from the Majority Facility Lenders in respect of the relevant Facility that the Eurodollar Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Funding Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) any Eurodollar Loans under the relevant Facility requested to be made on the first day of such Interest Period shall be made as ABR Loans, (y) any Loans under the relevant Facility that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as ABR Loans and (z) any outstanding Eurodollar Loans under the relevant Facility shall be converted, on the last day of the then-current Interest Period, to ABR Loans. Until such notice has been withdrawn by the Funding Agent, no further Eurodollar Loans under the relevant Facility shall be made or continued as such, nor shall the Borrower have the right to convert Loans under the relevant Facility to Eurodollar Loans.

2.15. Pro Rata Treatment and Payments. (a) Each borrowing by the Borrower from the Revolving Lenders hereunder, each payment by the Borrower on account of any commitment fee and any reduction of the Revolving Commitments of the Lenders shall be made pro rata according to the relevant Revolving Commitments of the relevant Lenders. It is understood that each borrowing of Revolving Loans shall be allocated to such Revolving Facility as shall be selected by the Borrower.

(b) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Term Loans shall be made pro rata according to the respective outstanding principal amounts of the Term Loans then held by the Term Lenders (except as otherwise provided in Section 2.15(d)). The amount of each principal prepayment of the Term Loans shall be applied to reduce the then remaining installments of the Tranche A Term Loans, Tranche B Term Loans and Incremental Term Loans, as the case may be, pro rata based upon the then remaining principal amount thereof. Amounts prepaid on account of the Term Loans may not be reborrowed.

(c) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Existing Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of the Existing Revolving Loans then held by the Existing Revolving Lenders. Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Restatement Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of the Restatement Revolving Loans then held by the Restatement Revolving Lenders.

(d) Notwithstanding anything to the contrary in this Agreement, with respect to the amount of any mandatory prepayment of the Term Loans pursuant to Section 2.9 and, if the Borrower so elects in its sole discretion, any optional prepayment of the Term Loans pursuant to Section 2.8, that in any such case is allocated to Tranche B Term Loans or Incremental Term Loans (such amounts, the "Tranche B Prepayment Amount" and the "Incremental Prepayment Amount", respectively), at any time when Tranche A Term Loans remain outstanding, the Borrower will (or, in the case of optional prepayments, may), in lieu of applying such amount to the prepayment of Tranche B Term Loans and Incremental Term Loans, respectively, on the date specified in Section 2.9 or 2.8, as the case may be, for such prepayment, give the Funding Agent telephonic notice (promptly confirmed in writing) requesting that the Funding Agent prepare and provide to each Tranche B Lender and Incremental Term Lender a notice (each, a "Prepayment Option Notice") as described below. As promptly as practicable after receiving such notice from the Borrower, the Funding Agent will send to each Tranche B Lender and Incremental Term Lender a Prepayment Option Notice, which shall be in the form of Exhibit F, and shall include an offer by the Borrower to prepay on the date (each a "Prepayment Date") that is 10 Business Days after the date of the Prepayment Option Notice, the relevant Term Loans of such Lender by an amount equal to the portion of the prepayment amount indicated in such Lender's Prepayment Option Notice as being applicable to such Lender's Tranche B Term Loans or Incremental Term Loans, as the case may be. On the Prepayment Date, (i) the Borrower shall pay to the relevant Tranche B Lenders and Incremental Term Lenders the aggregate amount necessary to prepay that portion of the outstanding relevant Term Loans in respect of which such Lenders have accepted prepayment as described above, (ii) the Borrower shall pay to the Tranche A Term Lenders an amount equal to 50% (or, in the case of optional prepayments, such percentage as shall be determined by the Borrower in its sole discretion) of the portion of the Tranche B Prepayment Amount and the Incremental Prepayment Amount not accepted by the relevant Lenders, and such amount shall be applied to the prepayment of the Tranche A Term Loans, and (iii) the Borrower shall be entitled to retain the remaining portion of the Tranche B Prepayment Amount and the Incremental Prepayment Amount not accepted by the relevant Lenders.

(e) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 12:00 Noon, Dallas time, on the due date thereof to the Funding Agent, for the account of the Lenders, at the Funding Office, in Dollars and in immediately available funds. The Funding Agent shall distribute such payments to the Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a

Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(f) Unless the Funding Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Funding Agent, the Funding Agent may assume that such Lender is making such amount available to the Funding Agent, and the Funding Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Funding Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Funding Agent, on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Funding Agent. A certificate of the Funding Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Funding Agent by such Lender within three Business Days of such Borrowing Date, the Funding Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans under the relevant Facility, on demand, from the Borrower. Nothing in this paragraph shall be deemed to limit the rights of the Funding Agent or the Borrower against any Lender.

(g) Unless the Funding Agent shall have been notified in writing by the Borrower prior to the date of any payment being made hereunder that the Borrower will not make such payment to the Funding Agent, the Funding Agent may assume that the Borrower is making such payment, and the Funding Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Funding Agent by the Borrower within three Business Days of such required date, the Funding Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Funding Agent or any Lender against the Borrower.

2.16. Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the Restatement Effective Date:

(i) shall subject any Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any Application or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes covered by Section 2.17 and changes in the rate of tax on the overall net income of such Lender);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(iii) shall impose on such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender, by an amount that such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Borrower (with a copy to the Funding Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the Restatement Effective Date shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Funding Agent) of a written request therefor, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender for such reduction; provided that the Borrower shall not be required to compensate a Lender pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; and provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(c) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender to the Borrower (with a copy to the Funding Agent) shall be conclusive in the absence of manifest error. The obligations of the Borrower pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.17. Taxes. (a) All payments made by the Borrower under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding net income taxes and franchise taxes (imposed in lieu of net income taxes) imposed on the Funding Agent or any Lender as a result of a present or former connection between the Funding Agent or such Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from the Funding Agent or such Lender having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document). If any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings ("Non-Excluded Taxes") or Other Taxes are required to be withheld from any amounts payable to the Funding Agent or any Lender hereunder, the amounts so payable to the Funding Agent or such Lender shall be increased to the extent necessary to yield to the Funding Agent or such Lender (after payment of all Non-Excluded Taxes and Other Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement, provided, however, that the Borrower shall not be required to increase any such amounts payable to any Lender with respect to any Non-Excluded Taxes (i) that are attributable to such Lender's failure to comply with the requirements of paragraph (d) or (e) of this Section or (ii) that are United States withholding taxes imposed on amounts payable to such Lender at the time the Lender becomes a party to

this Agreement, except to the extent that such Lender's assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the Borrower with respect to such Non-Excluded Taxes pursuant to this paragraph.

(b) In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Funding Agent for its own account or for the account of the relevant Lender, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to the Funding Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Funding Agent and the Lenders for any incremental taxes, interest or penalties that may become payable by the Funding Agent or any Lender as a result of any such failure.

(d) Each Lender (or Transferee) that is not a "U.S. Person" as defined in Section 7701(a)(30) of the Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Funding Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two copies of either U.S. Internal Revenue Service Form W-8BEN or Form W-8ECI, or, in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", a statement substantially in the form of Exhibit G and a Form W-8BEN, or any subsequent versions thereof or successors thereto, properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from U.S. federal withholding tax on all payments by the Borrower under this Agreement and the other Loan Documents. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation). In addition, each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-U.S. Lender. Each Non-U.S. Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the U.S. taxing authorities for such purpose). The inability of a Non-U.S. Lender (or a Transferee) to deliver any form pursuant to this Section 2.17(d) as a result of a change in law after the date such Lender (or a Transferee) becomes a Lender (or a Transferee) hereunder or as a result of a change in circumstances of the Borrower or the use of proceeds of such Lender's (or Transferee's) Loans shall not constitute a failure to comply with this Section 2.17(d) and accordingly the indemnities to which such Person is entitled pursuant to this Section 2.17 shall not be affected as a result of such inability. If a Lender (or Transferee) as to which the preceding sentence does not apply is unable to deliver any form pursuant to this Section 2.17(d), the sole consequence of such failure to deliver as a result of such inability shall be that the indemnity described in Section 2.17(a) hereof for any Non-Excluded Taxes shall not be available to such Lender or Transferee with respect to the period that would otherwise be covered by such form.

(e) A Lender that is entitled to an exemption from non-U.S. withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Funding Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding, provided that such Lender is legally entitled to complete, execute and deliver such documentation and in such Lender's judgment such completion, execution or submission would not materially prejudice the legal position of such Lender.

(f) Any Lender (or Transferee) claiming any indemnity payment or additional amounts payable pursuant to Section 2.17(a) shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Borrower if the making of such a filing would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue.

(g) The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.18. Indemnity. The Borrower agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of or conversion from Eurodollar Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment of Eurodollar Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.19. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.16 or 2.17(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of any Borrower or the rights of any Lender pursuant to Section 2.16 or 2.17(a).

2.20. Replacement of Lenders. The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.16 or 2.17(a) or (b) defaults in its obligation to make Loans hereunder, with a replacement financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) prior to any such replacement, such Lender shall have taken no action under Section 2.19 which has eliminated the continued need for payment of amounts owing pursuant to Section 2.16 or 2.17(a), (iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrower shall be liable to such replaced Lender under Section 2.18 if any Eurodollar Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (vi) the replacement financial institution, if not already a Lender, shall be reasonably satisfactory to the Administrative Agents, (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrower shall be obligated to pay the

registration and processing fee referred to therein), (viii) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.16 or 2.17(a), as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Agents or any other Lender shall have against the replaced Lender.

### SECTION 3. LETTERS OF CREDIT

3.1. L/C Commitment. (a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the other Restatement Revolving Lenders set forth in Section 3.4(a), agrees to issue letters of credit ("Letters of Credit") for the account of the Borrower on any Business Day during the Revolving Commitment Period in such form as may be approved from time to time by such Issuing Lender; provided that no Issuing Lender shall issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment or (ii) the aggregate amount of the Available Restatement Revolving Commitments would be less than zero. Each Letter of Credit shall (i) be denominated in Dollars, (ii) unless otherwise agreed by the Funding Agent and the relevant Issuing Lender, have a face amount of at least \$500,000 and (iii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five Business Days prior to the Revolving Termination Date, provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above).

(b) No Issuing Lender shall be obligated to issue any Letter of Credit hereunder if such issuance would conflict with, or cause such Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

3.2. Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that any Issuing Lender issue a Letter of Credit by delivering to such Issuing Lender an Application therefor, completed to the satisfaction of such Issuing Lender, and such other certificates, documents and other papers and information as such Issuing Lender may request. Upon receipt of any Application, the relevant Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall such Issuing Lender be required to issue any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by such Issuing Lender and the Borrower. The relevant Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower promptly following the issuance thereof. The relevant Issuing Lender shall promptly furnish to the Funding Agent, which shall in turn promptly furnish to the Lenders, notice of the issuance of each Letter of Credit (including the amount thereof).

3.3. Fees and Other Charges. (a) The Borrower will pay a fee on all outstanding Letters of Credit at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Restatement Revolving Facility, shared ratably among the Restatement Revolving Lenders and payable quarterly in arrears on each L/C Fee Payment Date after the issuance date. In addition, the Borrower shall pay to the relevant Issuing Lender for its own account a fronting fee of 0.25% per annum on the undrawn and unexpired amount of each Letter of Credit issued by such Issuing Lender, payable quarterly in arrears on each L/C Fee Payment Date after the relevant issuance date.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse the relevant Issuing Lender for such normal and customary costs and expenses as are incurred or charged by

such Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

3.4. L/C Participations. (a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lenders to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Restatement Revolving Percentage in each Issuing Lender's obligations and rights under each Letter of Credit issued by it hereunder and the amount of each draft paid by such Issuing Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees with each Issuing Lender that, if a draft is paid under any Letter of Credit issued by such Issuing Lender for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay to such Issuing Lender upon demand an amount equal to such L/C Participant's Restatement Revolving Percentage of the amount of such draft, or any part thereof, that is not so reimbursed.

(b) If any amount required to be paid by any L/C Participant to any Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit is paid to such Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to such Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to such Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the relevant Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, such Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans under the Restatement Revolving Facility. A certificate of the relevant Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the relevant Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), such Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by such Issuing Lender), or any payment of interest on account thereof, such Issuing Lender will distribute to such L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, such L/C Participant shall return to such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it.

3.5. Reimbursement Obligation of the Borrower. The Borrower agrees to reimburse the relevant Issuing Lender on each date on which such Issuing Lender notifies the Borrower of the date and amount of a draft presented under any Letter of Credit and paid by such Issuing Lender for the amount of (a) such draft so paid and (b) any taxes, fees, charges or other costs or expenses incurred by such Issuing Lender in connection with such payment. Each such payment shall be made to the relevant Issuing Lender in lawful money of the United States and in immediately available funds. Interest shall be payable on any and all amounts remaining unpaid by the Borrower under this Section from the date such amounts become payable (whether at stated maturity, by acceleration or otherwise) until payment in full

at the rate set forth in (i) until the second Business Day following the date of the applicable drawing, Section 2.12(b) and (ii) thereafter, Section 2.12(c).

3.6. Obligations Absolute. The Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against any Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with each Issuing Lender that no Issuing Lender shall be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. No Issuing Lender shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions found by a final decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the relevant Issuing Lender. The Borrower agrees that any action taken or omitted by any Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with the standards of care specified in the Uniform Commercial Code of the State of New York, shall be binding on the Borrower and shall not result in any liability of any Issuing Lender to the Borrower.

3.7. Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the relevant Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of each Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

3.8. Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

#### SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, Holdings and the Borrower hereby jointly and severally represent and warrant to the Agents and each Lender that:

4.1. Financial Condition. The unaudited consolidated balance sheet of the Borrower as at September 30, 2001, and the related unaudited consolidated statements of operations and cash flows for the nine-month period ended on such date, have been prepared based on the best information available to the Borrower as of the date of delivery thereof, and present fairly the consolidated financial condition of the Borrower as at such date, and the consolidated results of its operations and its consolidated cash flows for the nine-month period then ended (subject to normal year-end audit adjustments). All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein). The Borrower and its Subsidiaries do not have any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including any interest rate or foreign currency swap

or exchange transaction or other obligation in respect of derivatives, that are not reflected in such financial statements. During the period from September 30, 2001 to and including the Restatement Effective Date, there has been no Disposition by Holdings, the Borrower or any of its Subsidiaries of any material part of its business or property.

4.2. No Change. Since December 31, 2000 there has been no event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect.

4.3. Existence; Compliance with Law. Each of Holdings, the Borrower and its Subsidiaries (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign entity and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification and (d) is in compliance with all Requirements of Law, in each case with respect to clauses (c) and (d), except as could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4. Power; Authorization; Enforceable Obligations. Each Loan Party has the power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the borrowings on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, except the filings referred to in Section 4.20. Each Loan Document has been duly executed and delivered on behalf of each Loan Party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5. No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any material Contractual Obligation of Holdings, the Borrower or any of its Subsidiaries and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Guarantee and Collateral Agreement).

4.6. Litigation. No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of Holdings or the Borrower, threatened by or against Holdings, the Borrower or any of its Subsidiaries or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7. No Default. Neither Holdings, the Borrower nor any of its Subsidiaries is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8. Ownership of Property; Liens. Each of Holdings, the Borrower and its Subsidiaries has title in fee simple to, or a valid leasehold interest in, all its material real property, and good title to, or a valid leasehold interest in, all its other material property, and none of such property is subject to any Lien except as permitted by Section 7.3.

4.9. Intellectual Property. Holdings, the Borrower and each of its Subsidiaries owns, or is licensed to use, all material Intellectual Property necessary for the conduct of its business as currently conducted. No material claim has been asserted and is pending by any Person challenging or questioning the use, validity or effectiveness of any material Intellectual Property owned or licensed by Holdings, the Borrower or any of its Subsidiaries, nor does Holdings or the Borrower know of any valid basis for any such claim. The use of Intellectual Property by Holdings, the Borrower and its Subsidiaries does not infringe on the rights of any Person in any material respect.

4.10. Taxes. Each of Holdings, the Borrower and each of its Subsidiaries has filed or caused to be filed all federal, state and other material tax returns that are required to be filed and has paid all taxes shown to be due and payable on said returns or on any assessments made against it or any of its property and all other taxes, fees or other charges imposed on it or any of its property by any Governmental Authority (other than any the amount or validity of that are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of Holdings, the Borrower or its Subsidiaries, as the case may be); no tax Lien has been filed, and, to the knowledge of Holdings and the Borrower, no claim is being asserted, with respect to any such tax, fee or other charge.

4.11. Federal Regulations. No part of the proceeds of any Loans will be used for "buying" or "carrying" any "margin stock" within the respective meanings of each of the quoted terms under Regulation U as now and from time to time hereafter in effect or for any purpose that violates the provisions of the Regulations of the Board. If requested by any Lender or the Funding Agent, the Borrower will furnish to the Funding Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U.

4.12. Labor Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect: (a) there are no strikes or other labor disputes against Holdings, the Borrower or any of its Subsidiaries pending or, to the knowledge of Holdings or the Borrower, threatened; (b) hours worked by, and payment made to, employees of Holdings, the Borrower and its Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters; and (c) all payments due from Holdings, the Borrower or any of its Subsidiaries on account of employee health and welfare insurance have been paid or accrued as a liability on the books of Holdings, the Borrower or the relevant Subsidiary.

4.13. ERISA. Neither a Reportable Event nor an "accumulated funding deficiency" (within the meaning of Section 412 of the Code or Section 302 of ERISA) has occurred during the five-year period prior to the date on which this representation is made or deemed made with respect to any Plan, and each Plan has complied in all material respects with the applicable provisions of ERISA and the Code. No termination of a Single Employer Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period. The present value of all accrued benefits under each Single Employer Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits by more than \$1,000,000. Neither the Borrower nor any Commonly Controlled Entity has had a complete or partial withdrawal from any Multiemployer Plan that has resulted or could reasonably be expected to result in a material liability under ERISA, and

neither the Borrower nor, to the Borrower's knowledge, any Commonly Controlled Entity would become subject to any material liability under ERISA if the Borrower or any such Commonly Controlled Entity were to withdraw completely from all Multiemployer Plans as of the valuation date most closely preceding the date on which this representation is made or deemed made. No such Multiemployer Plan of Holdings or any of its Subsidiaries nor, to the Borrower's knowledge, any other Multiemployer Plan, is in Reorganization or Insolvent.

4.14. Investment Company Act; Other Regulations. No Loan Party is an "investment company", or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended. No Loan Party is subject to regulation under any Requirement of Law (other than Regulation X of the Board) that limits its ability to incur Indebtedness.

4.15. Subsidiaries. Except as disclosed to the Funding Agent by the Borrower in writing from time to time after the Restatement Effective Date, (a) Schedule 4.15 sets forth the name and jurisdiction of organization of Holdings, the Borrower and each of the Borrower's Subsidiaries (except any Shell Subsidiary) and, as to each such Subsidiary, the percentage of each class of Equity Interests owned by any Loan Party and (b) except as set forth on Schedule 4.15, there are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments of any nature relating to any Equity Interests of the Borrower or any of its Subsidiaries (except any Shell Subsidiary), except as created by the Loan Documents.

4.16. Use of Proceeds. The proceeds of the Loans, and the Letters of Credit, shall be used for general purposes, including to finance permitted Investments.

4.17. Environmental Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect:

(a) the facilities and properties owned, leased or operated by Holdings, the Borrower or any of its Subsidiaries (the "Properties") do not contain, and have not previously contained, any Materials of Environmental Concern in amounts or concentrations or under circumstances that constitute or constituted a violation of, or could give rise to liability under, any Environmental Law;

(b) neither Holdings, the Borrower nor any of its Subsidiaries has received or is aware of any notice of violation, alleged violation, non-compliance, liability or potential liability regarding environmental matters or compliance with Environmental Laws with regard to any of the Properties or the business operated by Holdings, the Borrower or any of its Subsidiaries (the "Business"), nor does Holdings or the Borrower have knowledge or reason to believe that any such notice will be received or is being threatened;

(c) Materials of Environmental Concern have not been transported or disposed of from the Properties in violation of, or in a manner or to a location that could give rise to liability under, any Environmental Law, nor have any Materials of Environmental Concern been generated, treated, stored or disposed of at, on or under any of the Properties in violation of, or in a manner that could give rise to liability under, any applicable Environmental Law;

(d) no judicial proceeding or governmental or administrative action is pending or, to the knowledge of Holdings and the Borrower, threatened, under any Environmental Law to which Holdings, the Borrower or any Subsidiary is or will be named as a party with respect to the Properties or the Business, nor are there any consent decrees or other decrees, consent orders,

administrative orders or other orders, or other administrative or judicial requirements outstanding under any Environmental Law with respect to the Properties or the Business;

(e) there has been no release or threat of release of Materials of Environmental Concern at or from the Properties, or arising from or related to the operations of Holdings, the Borrower or any Subsidiary in connection with the Properties or otherwise in connection with the Business, in violation of or in amounts or in a manner that could give rise to liability under Environmental Laws;

(f) the Properties and all operations at the Properties are in compliance, and have in the last five years been in compliance, with all applicable Environmental Laws, and there is no contamination at, under or about the Properties or violation of any Environmental Law with respect to the Properties or the Business; and

(g) neither Holdings, the Borrower nor any of its Subsidiaries has assumed any liability of any other Person under Environmental Laws.

4.18. Certain Cable Television Matters. Except as, in the aggregate, could not reasonably be expected to result in a Material Adverse Effect:

(a) (i) Holdings, the Borrower and its Subsidiaries possess all Authorizations necessary to own, operate and construct the CATV Systems or otherwise for the operations of their businesses and are not in violation thereof and (ii) all such Authorizations are in full force and effect and no event has occurred that permits, or after notice or lapse of time could permit, the revocation, termination or material and adverse modification of any such Authorization;

(b) neither Holdings, the Borrower nor any of its Subsidiaries is in violation of any duty or obligation required by the Communications Act of 1934, as amended, or any FCC rule or regulation applicable to the operation of any portion of any of the CATV Systems;

(c) (i) there is not pending or, to the best knowledge of Holdings or the Borrower, threatened, any action by the FCC to revoke, cancel, suspend or refuse to renew any FCC License held by Holdings, the Borrower or any of its Subsidiaries and (ii) there is not pending or, to the best knowledge of Holdings or the Borrower, threatened, any action by the FCC to modify adversely, revoke, cancel, suspend or refuse to renew any other Authorization; and

(d) there is not issued or outstanding or, to the best knowledge of Holdings or the Borrower, threatened, any notice of any hearing, violation or complaint against Holdings, the Borrower or any of its Subsidiaries with respect to the operation of any portion of the CATV Systems and neither Holdings nor the Borrower has any knowledge that any Person intends to contest renewal of any Authorization.

4.19. Accuracy of Information, etc. No statement or information contained in this Agreement, any other Loan Document, the Confidential Information Memorandum or any other document, certificate or statement furnished by or on behalf of any Loan Party to the Agents or the Lenders, or any of them, for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, as supplemented from time to time prior to the date this representation and warranty is made or deemed made, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained herein or therein not misleading. The projections and pro forma financial information contained in the materials referenced above are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at

the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount. There is no fact known to any Loan Party that could reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents, in the Confidential Information Memorandum or in any other documents, certificates and statements furnished to the Agents and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

4.20. Security Interests. The Guarantee and Collateral Agreement is effective to create in favor of the Funding Agent, for the benefit of the Lenders, a legal, valid and enforceable security interest in the Collateral described therein and proceeds thereof. In the case of certificated Pledged Stock described in the Guarantee and Collateral Agreement, when certificates representing such Pledged Stock are delivered to the Administrative Agents, and in the case of the other Collateral described in the Guarantee and Collateral Agreement, when financing statements specified on Schedule 4.20 in appropriate form are filed in the offices specified on Schedule 4.20, the Guarantee and Collateral Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Collateral and the proceeds thereof, as security for the Obligations (as defined in the Guarantee and Collateral Agreement), in each case prior and superior in right to any other Person.

4.21. Solvency. Each Loan Party (other than any Shell Subsidiary) is, and after giving effect to the financing transactions referred to herein will be and will continue to be, Solvent.

4.22. Certain Tax Matters. As of the Restatement Effective Date, each of Holdings, the Borrower and each of its Subsidiaries (other than any such Subsidiary that is organized as a corporation) is a Flow-Through Entity.

#### SECTION 5. CONDITIONS PRECEDENT

5.1. Conditions to Restatement Effective Date. The effectiveness of this Agreement is subject to the satisfaction of the following conditions precedent:

(a) Consents. The Administrative Agents shall have received executed Addenda from the Required Lenders (including, in any event, each Restatement Revolving Lender and each Restatement Tranche A Term Lender) authorizing the Administrative Agents to enter into this Agreement. It is understood that the changes made to Section 2.9(b) of the Existing Credit Agreement pursuant to this Agreement require the consent of the Required Prepayment Lenders and shall be removed from the final Execution Copy of this Agreement if such consent is not obtained.

(b) Agreement. This Agreement shall have been executed and delivered by Holdings, the Borrower and the Agents.

(c) Payment of Fees. The Borrower shall have paid to the Funding Agent the fees due on the Restatement Effective Date in the amounts agreed separately by the Borrower, including (a) an upfront fee payable to each Restatement Revolving Lender and each Restatement Tranche A Term Lender in an amount equal to 0.30% of its Restatement Revolving Commitment or Restatement Tranche A Term Loans, respectively, and (b) an amendment fee payable to each consenting Lender in an amount equal to 0.15% of the sum of its Term Loans (other than its Restatement Tranche A Term Loans) and its Existing Revolving Commitment.

(d) Legal Opinions. On the Restatement Effective Date, the Funding Agent shall have received the legal opinion of Irell & Manella LLP, counsel to Holdings and the Borrower, with respect to the amendment and restatement of the Existing Credit Agreement pursuant to this Agreement, which opinion shall be in form and substance reasonably satisfactory to the Administrative Agents. Holdings and the Borrower authorize and direct their counsel to furnish such opinion.

(e) Closing Certificates. The Funding Agent shall have received a certificate of each of Holdings and the Borrower, dated the Restatement Effective Date, substantially in the form of Exhibit C, with appropriate insertions and attachments.

5.2. Conditions to Each Extension of Credit. The agreement of each Lender to make any extension of credit requested to be made by it on any date (including its initial extension of credit) is subject to the satisfaction of the following conditions precedent:

(a) Representations and Warranties. Each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents shall be true and correct in all material respects on and as of such date as if made on and as of such date (except for any representation and warranty that is made as of a specified earlier date, in which case such representation and warranty shall have been true and correct in all material respects as of such earlier date).

(b) No Default. No Default or Event of Default shall have occurred and be continuing on such date or after giving effect to the extensions of credit requested to be made on such date.

(c) Other Documents. In the case of any extension of credit made on an Increased Facility Closing Date, the Administrative Agents shall have received such documents and information as they may reasonably request.

Each borrowing by and issuance of a Letter of Credit on behalf of the Borrower hereunder shall constitute a representation and warranty by the Borrower as of the date of such extension of credit that the conditions contained in Sections 5.2(a) and (b) have been satisfied.

#### SECTION 6. AFFIRMATIVE COVENANTS

Holdings and the Borrower hereby agree that, so long as the Revolving Commitments remain in effect, any Letter of Credit remains outstanding or any Loan or other amount is owing to any Lender or any Agent hereunder, each of Holdings and the Borrower shall, and shall cause each Subsidiary of the Borrower to:

6.1. Financial Statements. Furnish to the Funding Agent (with sufficient copies for each Lender):

(a) as soon as available, but in any event within 90 days after the end of each fiscal year of the Borrower, a copy of the audited consolidated balance sheet of the Borrower and its consolidated Subsidiaries as at the end of such year and the related audited consolidated statements of income and of cash flows for such year, setting forth in each case in comparative form the figures for the previous year, reported on without a "going concern" or like qualification or exception, or qualification arising out of the scope of the audit, by Arthur Andersen LLP or other independent certified public accountants of nationally recognized standing; and

(b) as soon as available, but in any event not later than 45 days after the end of each of the first three quarterly periods of each fiscal year of the Borrower, the unaudited consolidated balance sheet of the Borrower and its consolidated Subsidiaries as at the end of such quarter and the related unaudited consolidated statements of income and of cash flows for such quarter and the portion of the fiscal year through the end of such quarter, setting forth in each case in comparative form the figures for the previous year, certified by a Responsible Officer as being fairly stated in all material respects (subject to normal year-end audit adjustments).

All such financial statements shall be complete and correct in all material respects and shall be prepared in reasonable detail and in accordance with GAAP applied consistently throughout the periods reflected therein and with prior periods (except as approved by such accountants or officer, as the case may be, and disclosed therein).

6.2. Certificates; Other Information. Furnish to the Funding Agent (with sufficient copies for each Lender) (or (i) in the case of clause (e) below, to the Administrative Agents and (ii) in the case of clause (f) below, to the relevant Lender):

Notwithstanding anything to the contrary in this Agreement, in no event shall the sum of (i) the aggregate amount of letters of credit and surety arrangements (including unreimbursed reimbursement obligations in respect thereof) and security deposits posted by the Borrower or any of its Subsidiaries in connection with potential Investments (including pursuant to letters of intent) and (ii) the aggregate outstanding amount of L/C Obligations, exceed \$350,000,000 at any one time.

7.8. Certain Payments and Modifications Relating to Indebtedness and Management Fees. (a) Make or offer to make any payment, prepayment, repurchase or redemption in respect of, or otherwise optionally or voluntarily defease or segregate funds with respect to (collectively, "prepayment"), any Specified Long-Term Indebtedness, other than (i) the payment of scheduled interest payments required to be made in cash, (ii) the prepayment of Specified Subordinated Debt with the proceeds of other Specified Long-Term Indebtedness or of Loans and (iii) the prepayment of any such Indebtedness with the proceeds of other Specified Long-Term Indebtedness, so long as such new Indebtedness has terms no less favorable to the interests of the Borrower and the Lenders than those applicable to the Indebtedness being refinanced.

(b) Amend, modify, waive or otherwise change, or consent or agree to any amendment, modification, waiver or other change to, any of the terms of any Specified Long-Term Indebtedness, other than any such amendment, modification, waiver or other change that (i) (x) would extend the maturity or reduce the amount of any payment of principal thereof or reduce the rate or extend any date for payment of interest thereon or (y) is immaterial to the interests of the Lenders and (ii) does not involve the payment of a consent fee.

(c) Make, agree to make or expense any payment in respect of management fees to any Person other than the Borrower or a Wholly Owned Subsidiary Guarantor, directly or indirectly, except that the Borrower may pay management fees pursuant to the Management Fee Agreement so long as (i) no Default or Event of Default shall have occurred and be continuing or would result therefrom, (ii) the aggregate amount of such payments expensed during any fiscal year of the Borrower shall not exceed 3.50% of consolidated revenues of the Borrower and its consolidated Subsidiaries for the immediately preceding fiscal year (provided that, in addition, payments of management fees may be made in respect of amounts that have been accrued, but were not paid, during any preceding fiscal year of the Borrower ending on or after December 31, 2000, so long as the aggregate amount of payments made pursuant to this parenthetical during any fiscal year of the Borrower (other than any such payments made on a Threshold Management Fee Date), when added to the aggregate amount of non-deferred management

fees otherwise paid pursuant to this clause (ii) during such fiscal year, shall not exceed 5.0% of consolidated revenues of the Borrower and its consolidated Subsidiaries for the immediately preceding fiscal year ) and (iii) each such payment shall be made no earlier than three Business Days prior to the date such payment is due.

(d) Amend, modify, waive or otherwise change, or consent or agree to any amendment, modification, waiver or other change to, any of the terms of the Management Fee Agreement, other than any such amendment, modification, waiver or other change that (i) (x) would extend the due date or reduce (or increase to the amount permitted by Section 7.8(c)) the amount of any payment thereunder or (y) does not adversely affect the interests of the Lenders (it being understood that a change in the manager thereunder to another member of the Charter Group does not adversely affect the interests of the Lenders) and (ii) does not involve the payment of a consent fee.

7.9. Transactions with Affiliates. Enter into any transaction, including any purchase, sale, lease or exchange of property, the rendering of any service or the payment of any management, advisory or similar fees, with any Affiliate (other than the Borrower or any Wholly Owned Subsidiary Guarantor) unless such transaction is (a) not prohibited under this Agreement, (b) in the ordinary course of business of the Borrower or such Subsidiary, as the case may be, and (c) upon fair and reasonable terms no less favorable to the Borrower or such Subsidiary, as the case may be, than it would obtain in a comparable arm's length transaction with a Person that is not an Affiliate. The foregoing restrictions shall not apply to transactions expressly permitted by Section 7.6 or Section 7.8(c). Notwithstanding anything to the contrary in this Section 7.9, so long as no Default or Event of Default shall have occurred and be continuing, the Borrower shall be permitted to pay (either directly or by way of a distribution to Holdings) amounts not in excess of 1.0% of the aggregate enterprise value of Investments permitted hereby to certain members of the Charter Group.

7.10. Sales and Leasebacks. Enter into any arrangement (other than pursuant to the LaGrange Documents) with any Person (other than Subsidiaries of the Borrower) providing for the leasing by Holdings, the Borrower or any Subsidiary of real or personal property that has been or is to be sold or transferred by Holdings, the Borrower or such Subsidiary to such Person or to any other Person to whom funds have been or are to be advanced by such Person on the security of such property or rental obligations of Holdings, the Borrower or such Subsidiary unless, after giving effect thereto, the aggregate outstanding amount of Attributable Debt does not exceed \$125,000,000.

7.11. Changes in Fiscal Periods. Permit the fiscal year of the Borrower to end on a day other than December 31 or change the Borrower's method of determining fiscal quarters.

7.12. Negative Pledge Clauses. Enter into or suffer to exist or become effective any agreement that prohibits or limits the ability of Holdings, the Borrower or any of its Subsidiaries to create, incur, assume or suffer to exist any Lien upon any of its property or revenues, whether now owned or hereafter acquired, other than (a) this Agreement and the other Loan Documents, (b) any agreements governing any purchase money Liens or Capital Lease Obligations otherwise permitted hereby (in which case, any prohibition or limitation shall only be effective against the assets financed thereby), (c) pursuant to Contractual Obligations assumed in connection with Investments (but not created in contemplation thereof) so long as the maximum aggregate liabilities of Holdings and its Subsidiaries pursuant thereto do not exceed \$2,000,000 at any time, (d) the Senior Note Indenture and any other document governing Indebtedness permitted hereby so long as such restrictions are no more onerous than those contained in the Senior Note Indenture and (e) the prohibitions and limitations on the LaGrange Entities pursuant to the LaGrange Documents.

7.13. Clauses Restricting Subsidiary Distributions. Enter into or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Subsidiary of the Borrower to (a) make Restricted Payments in respect of any Equity Interests of such Subsidiary held by, or pay any Indebtedness owed to, the Borrower or any other Subsidiary of the Borrower, (b) make loans or advances to, or other Investments in, the Borrower or any other Subsidiary of the Borrower or (c) transfer any of its assets to the Borrower or any other Subsidiary of the Borrower, except for such encumbrances or restrictions existing under or by reason of (i) any restrictions existing under the Loan Documents, (ii) any restrictions with respect to a Subsidiary imposed pursuant to an agreement that has been entered into in connection with the Disposition of all or substantially all of the Equity Interests or assets of such Subsidiary in a transaction otherwise permitted by this Agreement, (iii) any restrictions contained in the Senior Note Indenture or any other document governing Indebtedness permitted hereby so long as such restrictions are no more onerous than those contained in the Senior Note Indenture and (iv) the encumbrances and restrictions on the LaGrange Entities pursuant to the LaGrange Documents.

7.14. Lines of Business; Holding Company Status; Non-Recourse Subsidiaries. (a) Enter into any business, either directly or through any Subsidiary, except for (i) those businesses in which the Borrower and its Subsidiaries are significantly engaged on the Restatement Effective Date and (ii) businesses which are reasonably similar or related thereto or reasonable extensions thereof but not, in the case of this clause (ii), in the aggregate, material to the overall business of the Borrower and its Subsidiaries (collectively, "Permitted Lines of Business"), provided, that, in any event, the Borrower and its Subsidiaries will continue to be primarily engaged in the businesses in which they are primarily engaged on the Restatement Effective Date.

(b) In the case of Holdings and the Borrower, (i) conduct, transact or otherwise engage in, or commit to conduct, transact or otherwise engage in, any business or operations other than those incidental to its ownership of the Equity Interests of other Persons or (ii) own, lease, manage or otherwise operate any properties or assets other than Equity Interests of other Persons.

(c) Furnish any funds to or make any Investment in any Non-Recourse Subsidiary or other Person for purposes of enabling it to make any Restricted Payment or any "prepayment" or payment of the type described in Section 7.8(a) or (c) that could not be made directly by the Borrower or any of its Subsidiaries, as the case may be, in accordance with the provisions of Section 7.6 or 7.8.

7.15. Investments by Holdings in the Borrower. In the case of Holdings, make any Investment in the Borrower other than in the form of a capital contribution or a loan so long as such loan is evidenced by a note and pledged to the Funding Agent pursuant to the Guarantee and Collateral Agreement.

#### SECTION 8. EVENTS OF DEFAULT

If any of the following events shall occur and be continuing:

(a) the Borrower shall fail to pay any principal of any Loan or Reimbursement Obligation when due in accordance with the terms hereof; or the Borrower shall fail to pay any interest on any Loan or Reimbursement Obligation, or any other amount payable hereunder or under any other Loan Document, within five days after any such interest or other amount becomes due in accordance with the terms hereof; or

(b) any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document or that is contained in any certificate, document or financial or

(d) any Loan Party shall default in the observance or performance of any other agreement contained in this Agreement or any other Loan Document (other than as provided in paragraphs (a) through (c) of this Section), and such default shall continue unremedied for a period of 30 days after notice to the Borrower from the Funding Agent or the Required Lenders; or

(f) (i) Holdings, the Borrower or any of its Subsidiaries shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or Holdings, the Borrower or any of its Subsidiaries shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Holdings, the Borrower or any of its Subsidiaries any case, proceeding or other action of a nature referred to in clause (i) above that (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismitted, undischarged or unbonded for a period of 60 days; or (iii) there shall be commenced against Holdings, the Borrower or any of its Subsidiaries any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets that results in the entry of an order for any such relief that shall not have been vacated, discharged, or stayed or bonded pending appeal within 60 days from the entry thereof; or (iv) Holdings, the Borrower or any of its Subsidiaries shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) Holdings, the Borrower or any of its

Subsidiaries shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or

(g) (i) any "accumulated funding deficiency" (as defined in Section 302 of ERISA), whether or not waived, shall exist with respect to any Plan or any Lien in favor of the PBGC or a Plan shall arise on the assets of the Borrower or any Commonly Controlled Entity, (ii) a Reportable Event shall occur with respect to, or proceedings shall commence to have a trustee appointed, or a trustee shall be appointed, to administer or to terminate, any Single Employer Plan, which Reportable Event or commencement of proceedings or appointment of a trustee is, in the reasonable opinion of the Required Lenders, likely to result in the termination of such Plan for purposes of Title IV of ERISA, (iii) any Single Employer Plan shall terminate for purposes of Title IV of ERISA or (iv) the Borrower or any Commonly Controlled Entity shall, or in the reasonable opinion of the Required Lenders is likely to, incur any liability in connection with a withdrawal from, or the Insolvency or Reorganization of, a Multiemployer Plan; and in each case in clauses (i) through (iv) above, such event or condition, together with all other such events or conditions, if any, could, in the sole judgment of the Required Lenders, reasonably be expected to have a Material Adverse Effect; or

(h) one or more judgments or decrees shall be entered against Holdings, the Borrower or any of its Subsidiaries involving in the aggregate a liability (to the extent not paid or fully covered by insurance as to which the relevant insurance company has acknowledged coverage) of \$25,000,000 or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 30 days from the entry thereof; or

(i) the Guarantee and Collateral Agreement shall cease, for any reason (other than the gross negligence or willful misconduct of the Funding Agent), to be in full force and effect, or any Loan Party or any Affiliate of any Loan Party shall so assert, or any Lien created by the Guarantee and Collateral Agreement shall cease to be enforceable and of the same effect and priority purported to be created thereby; or

(j) (i) the Paul Allen Group shall cease to have the power, directly or indirectly, to vote or direct the voting of Equity Interests having at least 51% (determined on a fully diluted basis) of the ordinary voting power for the management of the Borrower; (ii) the Paul Allen Group shall cease to own of record and beneficially, directly or indirectly, Equity Interests of Charter representing at least 25% (determined on a fully diluted basis) of the economic interests therein; (iii) a Specified Change of Control shall occur; or (iv) the Borrower shall cease to be a direct Wholly Owned Subsidiary of Holdings; or

(k) the Borrower or any of its Subsidiaries shall have received a notice of termination or suspension with respect to any of its CATV Franchises or CATV Systems from the FCC or any Governmental Authority or other franchising authority or the Borrower or any of its Subsidiaries or the grantors of any CATV Franchises or CATV Systems shall fail to renew such CATV Franchises or CATV Systems at the stated expiration thereof if the percentage represented by such CATV Franchises or CATV Systems and any other CATV Franchises or CATV Systems which are then so terminated, suspended or not renewed of Consolidated Operating Cash Flow for the 12-month period preceding the date of the termination, suspension or failure to renew, as the case may be, (giving pro forma effect to any acquisitions or Dispositions that have occurred since the beginning of such 12-month period as if such acquisitions or Dispositions had occurred at the beginning of such 12-month period), would exceed 10%, unless (i) an alternative CATV Franchise or CATV System in form and substance reasonably satisfactory to the Required Lenders shall have been procured and come into effect prior to or concurrently with the

termination or expiration date of such terminated, suspended or non-renewed CATV Franchise or CATV System or (ii) the Borrower or such Subsidiary continues to operate and retain the revenues received from such systems after the stated termination or expiration and is engaged in negotiations to renew or extend such franchise rights and obtains such renewal or extension within one year following the stated termination or expiration, provided that such negotiations have not been terminated by either party thereto, such franchise rights or the equivalent thereof have not been awarded on an exclusive basis to a third Person and no final determination (within the meaning of Section 635 of the Communications Act of 1934, as amended) has been made that the Borrower or such Subsidiary is not entitled to the renewal or extension thereof;

then, and in any such event, (A) if such event is an Event of Default specified in clause (i) or (ii) of paragraph (f) above with respect to the Borrower, automatically the Revolving Commitments shall immediately terminate and the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) shall immediately become due and payable, and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Required Lenders, the Funding Agent may, or upon the request of the Required Lenders, the Funding Agent shall, by notice to the Borrower declare the Revolving Commitments to be terminated forthwith, whereupon the Revolving Commitments shall immediately terminate; and (ii) with the consent of the Required Lenders, the Funding Agent may, or upon the request of the Required Lenders, the Funding Agent shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) to be due and payable forthwith, whereupon the same shall immediately become due and payable. With respect to all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this paragraph, the Borrower shall at such time deposit in a cash collateral account opened by the Funding Agent an amount equal to the aggregate then undrawn and unexpired amount of such Letters of Credit. Amounts held in such cash collateral account shall be applied by the Funding Agent to the payment of drafts drawn under such Letters of Credit, and the unused portion thereof after all such Letters of Credit shall have expired or been fully drawn upon, if any, shall be applied to repay other obligations of the Borrower hereunder and under the other Loan Documents. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied and all other obligations of the Borrower hereunder and under the other Loan Documents shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the Borrower (or such other Person as may be lawfully entitled thereto). Except as expressly provided above in this Section, presentment, demand, protest and all other notices of any kind are hereby expressly waived by the Borrower.

#### SECTION 9. THE AGENTS

9.1. Appointment. Each Lender hereby irrevocably designates and appoints the Funding Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Funding Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Funding Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities

shall be read into this Agreement or any other Loan Document or otherwise exist against the Funding Agent.

9.2. Delegation of Duties. The Funding Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Funding Agent shall not be responsible for the negligence or misconduct of any agents or attorneys in-fact selected by it with reasonable care.

9.3. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

9.4. Reliance by Funding Agent. The Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by the Funding Agent. The Funding Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Funding Agent. The Funding Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Funding Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

9.5. Notice of Default. The Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Funding Agent has received notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Funding Agent receives such a notice, the Funding Agent shall give notice thereof to the Lenders. The Funding Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Funding Agent shall have received such directions, the Funding Agent may (but

shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereinafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Funding Agent hereunder, the Funding Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Funding Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

9.7. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Revolving Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of, the Revolving Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

9.8. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent was not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9. Successor Funding Agent. The Funding Agent may resign as Funding Agent upon 30 days' written notice to the Lenders and the Borrower. If the Funding Agent shall resign as Funding Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8(a) or Section 8(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Funding Agent, and the term "Funding Agent" shall mean such successor agent effective upon such appointment and approval, and the former Funding Agent's rights, powers and duties as Funding Agent shall be terminated, without any other or further act or deed on the part of such former Funding Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Funding Agent by the date that is 30 days following a retiring Funding Agent's notice of resignation, the retiring Funding Agent's resignation shall nevertheless thereupon become effective and the other Administrative Agent or, in the case of any resignation of such other Administrative Agent in its capacity as Funding Agent (which shall also be subject to the 30 day notice requirement described above), the Lenders, shall assume and perform all of the duties of the Funding Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Funding Agent's resignation as Funding Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Funding Agent under this Agreement and the other Loan Documents.

9.10. Other Agents. Notwithstanding any provision to the contrary elsewhere in this Agreement (including the circumstance that the Administrative Agents shall have certain rights regarding notification, consents and other matters, to the extent expressly provided herein), no Agent other than the Funding Agent shall have any duties or responsibilities hereunder or under any other Loan Document, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent.

#### SECTION 10. MISCELLANEOUS

10.1. Amendments and Waivers. Neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agents and each Loan Party party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agents, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) forgive the principal amount or extend the final scheduled date of maturity of any Loan, extend the scheduled date of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the consent of each Lender directly affected thereby; (ii) eliminate or reduce any voting rights under this Section 10.1 or reduce any percentage specified in the definition of Required Lenders, consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Collateral or release any material Guarantor from its obligations under the Guarantee and Collateral Agreement (in each case

except in connection with Dispositions consummated or approved in accordance with the other terms of this Agreement), in each case without the written consent of all Lenders; (iii) reduce the percentage specified in the definition of Majority Facility Lenders with respect to any Facility without the written consent of all Lenders under such Facility; (iv) amend, modify or waive any provision of Section 9 without the written consent of each affected Agent; (vii) amend, modify or waive any provision of Section 2.4 or 2.5 without the written consent of the Swingline Lender; or (viii) amend, modify or waive any provision of Section 3 without the written consent of each affected Issuing Lender. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon. It is understood that, with respect to any voting required by this Section 10.1, all members of a particular Specified Intracreditor Group shall vote as a single unit.

10.2. Notices. 10.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5. Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse each Administrative Agent for all its reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements of one firm of counsel to the Administrative Agents and filing and recording fees and expenses, (b) to pay or reimburse each Lender and each Agent for all its costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents, including the fees and disbursements of one firm of counsel selected by the Funding Agent and reasonably acceptable to the Administrative Agent that is not acting as Funding Agent (or, in the event that such Administrative Agent determines in good faith that issues apply to it that are not applicable to the Funding Agent or, with respect to an issue as to which another counsel is proposed to be engaged, that its interests are different from those of the Funding Agent, one additional firm of counsel selected by such Administrative Agent), together with any special or local counsel, to the Administrative Agents and not more than one other firm of counsel to the Lenders, (c) to pay, indemnify, and hold each Lender and each Agent harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify, and hold each Lender, each Agent, their affiliates and their respective officers, directors, trustees, employees, agents and controlling persons (each, an "Indemnatee") harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of Holdings, the Borrower any of its Subsidiaries or any of the Properties and the reasonable fees and expenses of legal counsel in connection with claims, actions or proceedings by any Indemnatee against any Loan Party under any Loan Document (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided, that the Borrower shall have no obligation hereunder to any Indemnatee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final decision of a court of competent jurisdiction to have resulted from the gross negligence or willful

misconduct of such Indemnitee. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to so waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. All amounts due under this Section 10.5 shall be payable not later than 15 days after written demand therefor. Statements payable by the Borrower pursuant to this Section 10.5 shall be submitted to Kent Kalkwarf (Telephone No. 314-543-2309) (Telecopy No. 314-965-8793), at the address of the Borrower set forth in Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agents. The agreements in this Section 10.5 shall survive repayment of the Loans and all other amounts payable hereunder.

10.6. Successors and Assigns; Participations and Assignments. (a)

This Agreement shall be binding upon and inure to the benefit of Holdings, the Borrower, the Lenders, the Agents, all future holders of the Loans and their respective successors and assigns, except that the Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of each Lender.

(b) Any Lender may, without the consent of the Borrower or the

Funding Agent, in accordance with applicable law, at any time sell to one or more banks, financial institutions or other entities (each, a "Participant") participating interests in any Loan owing to such Lender, any Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, and the Borrower and the Agents shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of, or interest on, the Loans or any fees payable hereunder, or postpone the date of the final maturity of the Loans, in each case to the extent subject to such participation. The Borrower agrees that if amounts outstanding under this Agreement and the Loans are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that, in purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Section 10.7(a) as fully as if it were a Lender hereunder. The Borrower also agrees that each Participant shall be entitled to the benefits of Sections 2.16, 2.17 and 2.18 with respect to its participation in the Revolving Commitments and the Loans outstanding from time to time as if it was a Lender; provided that, in the case of Section 2.17, such Participant shall have complied with the requirements of said Section and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred.

(c) Any Lender (an "Assignor") may, in accordance with applicable

law, at any time and from time to time assign to any Lender, any affiliate of any Lender or any Approved Fund or, with the consent of the Borrower and the Funding Agent (which, in each case, shall not be unreasonably

withheld or delayed), to an additional bank, financial institution or other entity (an "Assignee") all or any part of its rights and obligations under this Agreement pursuant to an Assignment and Acceptance, executed by such Assignee, such Assignor and any other Person whose consent is required pursuant to this paragraph, and delivered to the Funding Agent for its acceptance and recording in the Register; provided that, except in the case of an assignment of all of a Lender's interests under this Agreement, no such assignment to an Assignee (other than any Lender, any affiliate of any Lender or any Approved Fund, each an "Intracreditor Assignee"; any Lender and its Approved Funds utilizing this exception after the Restatement Effective Date with respect to an Approved Fund being collectively referred to (unless otherwise agreed by the Borrower and the Funding Agent) as a "Specified Intracreditor Group") shall (i) be in an aggregate principal amount of less than (x) \$5,000,000, in the case of the Revolving Facility and the Tranche A Term Facility or (y) \$1,000,000, in the case of the Tranche B Term Facility and the Incremental Term Facility or (ii) cause the Assignor to have Aggregate Exposure of less than (x) \$3,000,000, in the case of the Revolving Facility and the Tranche A Term Facility or (y) \$1,000,000, in the case of the Tranche B Term Facility and the Incremental Term Facility, in the case of either clause (i) or (ii), unless otherwise agreed by the Borrower and the Funding Agent; provided further that, except in the case of an assignment of all of a Lender's interests under this Agreement, no such assignment to an Intracreditor Assignee shall (i) be in an aggregate principal amount of less than \$250,000 or (ii) cause the Assignor to have Aggregate Exposure of less than \$250,000, in each case unless otherwise agreed by the Borrower and the Funding Agent. For purposes of clauses (i) and (ii) of the preceding sentence, the amounts described therein shall be aggregated in respect of each Lender and its related Approved Funds, if any. Any such assignment need not be ratable as among the Facilities. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Acceptance, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of a Lender hereunder with a Commitment and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of an Assignor's rights and obligations under this Agreement, such Assignor shall cease to be a party hereto). Notwithstanding any provision of this Section 10.6, the consent of the Borrower shall not be required for any assignment that occurs when an Event of Default pursuant to Section 8(a) or 8(f) shall have occurred and be continuing. On the effective date of any Assignment and Acceptance, the Funding Agent shall give notice of the terms thereof to the Administrative Agent that is not serving as Funding Agent.

(d) The Funding Agent shall, on behalf of the Borrower, maintain at its address referred to in Section 10.2 a copy of each Assignment and Acceptance delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitment of, and the principal amount of the Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, each other Loan Party, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing the Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Acceptance, and thereupon one or more new Notes shall be issued to the designated Assignee. The Funding Agent will promptly send a copy of the Register to the Borrower upon request.

(e) Upon its receipt of an Assignment and Acceptance executed by an Assignor, an Assignee and any other Person whose consent is required by Section 10.6(c), together with payment to the Funding Agent of a registration and processing fee of \$3,500 (with only one such fee being payable in

connection with simultaneous assignments to or by two or more related Approved Funds), the Funding Agent shall (i) promptly accept such Assignment and Acceptance and (ii) record the information contained therein in the Register on the effective date determined pursuant thereto.

(f) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section 10.6 concerning assignments relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests, including any pledge or assignment by a Lender of any Loan to any Federal Reserve Bank in accordance with applicable law.

10.7. Adjustments; Set-off. (a) Except to the extent that this Agreement expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender (a "Benefitted Lender") shall receive any payment of all or part of the amounts owing to it hereunder, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the amounts owing to such other Lender hereunder, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the amounts owing to each such other Lender hereunder, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to Holdings or the Borrower, any such notice being expressly waived by Holdings and the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Holdings or the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of Holdings or the Borrower, as the case may be. Each Lender agrees promptly to notify the Borrower and the Funding Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agents.

10.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10. Integration. This Agreement and the other Loan Documents represent the agreement of Holdings, the Borrower, the Agents and the Lenders with respect to the subject matter

hereof, and there are no promises, undertakings, representations or warranties by the any Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

10.11. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

10.12. Submission To Jurisdiction; Waivers. Each of Holdings and the Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to Holdings or the Borrower, as the case may be at its address set forth in Section 10.2 or at such other address of which the Funding Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

10.13. Acknowledgments. Each of Holdings and the Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Lender has any fiduciary relationship with or duty to Holdings or the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agents and Lenders, on one hand, and Holdings and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Agents and the Lenders or among Holdings, the Borrower and the Agents and the Lenders.

10.14. Releases of Guarantees and Liens. (a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Funding Agent is hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender except as expressly required by Section 10.1) to take any action requested by the Borrower having the effect of releasing any Collateral or Guarantee Obligations (i) to the extent necessary to permit consummation of any transaction not prohibited by any Loan Document or that has been approved in accordance with Section 10.1 or (ii) under the circumstances described in paragraph (b) below.

(b) At such time as the Loans, the Reimbursement Obligations and the other obligations under the Loan Documents (other than obligations under or in respect of Hedge Agreements or letters of credit obtained other than pursuant to this Agreement) shall have been paid in full, the Revolving Commitments have been terminated and no Letters of Credit shall be outstanding, the Collateral shall be released from the Liens created by the Guarantee and Collateral Agreement, and the Guarantee and Collateral Agreement and all obligations (other than those expressly stated to survive such termination) of the Funding Agent and each Loan Party under the Guarantee and Collateral Agreement shall terminate, all without delivery of any instrument or performance of any act by any Person.

10.15. Confidentiality. Each Agent and each Lender agrees to keep confidential all non-public information provided to it by any Loan Party pursuant to this Agreement that is designated by such Loan Party as confidential; provided that nothing herein shall prevent any Agent or any Lender from disclosing any such information (a) to any Agent, any Lender or any affiliate of any Lender or any Approved Fund, (b) to any Transferee or prospective Transferee that agrees to comply with the provisions of this Section, (c) to its employees, directors, agents, attorneys, accountants and other professional advisors or those of any of its affiliates who have a need to know, (d) upon the request or demand of any Governmental Authority, (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (f) if requested or required to do so in connection with any litigation or similar proceeding, (g) that has been publicly disclosed, (h) any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, (i) in connection with the exercise of any remedy hereunder or under any other Loan Document, or (j) to any direct or indirect contractual counterparty in swap agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.15).

10.16. WAIVERS OF JURY TRIAL. HOLDINGS, THE BORROWER, THE AGENTS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their proper and duly authorized officers as of the day and year first above written.

FORM OF  
SPECIFIED SUBORDINATED NOTE

\$ \_\_\_\_\_

New York, New York  
[Date]

\_\_\_\_\_, a \_\_\_\_\_ (the "Obligor"),  
hereby promises to pay to the order of \_\_\_\_\_, a \_\_\_\_\_  
(together with any transferee or other holder of this Subordinated Note, the  
"Holder"), on [INSERT DATE NO EARLIER THAN ONE YEAR AFTER FINAL MATURITY OF  
FACILITIES AT TIME OF ISSUANCE OF SUBORDINATED NOTE] the principal amount of  
\_\_\_\_\_ DOLLARS (\$ \_\_\_\_\_) in lawful money of the United  
States of America.

1. Interest. Interest on the principal amount hereof, at a  
rate per annum equal to [INSERT RATE ACCEPTABLE TO ADMINISTRATIVE AGENTS], shall  
accrue and, except as otherwise provided in paragraph 2 below, be payable at  
such times as shall be agreed to by the Obligor and the Holder.

2. Payments. Notwithstanding anything to the contrary herein,  
no payment or prepayment of principal of or interest on this Subordinated Note  
may be made, directly or indirectly, if a Default or Event of Default (as each  
such term is defined in the Credit Agreement referred to below) shall have  
occurred and be continuing or would result therefrom. Subject to the preceding  
sentence, (a) payments of principal of and interest on this Subordinated Note  
shall be made in immediately available funds to such account of the Holder as  
the Holder may designate in writing and (b) the Obligor may prepay all or any  
part of the principal of this Subordinated Note, together with accrued interest  
on the amount prepaid, to the extent permitted by the Credit Agreement. If any  
payment hereunder becomes due and payable on a day other than a business day,  
the due date thereof shall be extended to the next succeeding business day.

3. Definitions. Terms defined in the Credit Agreement referred  
to below are used herein with the meanings set forth in such Credit Agreement  
unless otherwise defined herein. As used herein, the following terms shall have  
the following meanings:

"Credit Agreement" shall mean the Credit Agreement, dated as  
of March 18, 1999, as amended and restated as of January 3, 2002, among  
the Obligor, certain of its affiliates, the Lenders parties thereto and  
the Funding Agent, Documentation Agents, Syndication Agent and  
Administrative Agents named therein, as amended, restated, supplemented  
or otherwise modified from time to time.

"Senior Creditors" shall mean the collective reference to the  
Lenders, the Funding Agent and all other holders of Senior Debt.

"Senior Debt" shall mean (a) (i) the principal amount of all  
loans and guarantee obligations from time to time outstanding or owing  
under the Credit Agreement and the other Loan Documents executed and  
delivered by the Obligor pursuant thereto, together with interest  
thereon (including, without limitation, any interest subsequent to the  
filing by or against the

Obligor of any bankruptcy, reorganization or similar proceeding, whether or not such interest would constitute an allowed claim in any such proceeding, calculated at the rate set forth for overdue loans in the Credit Agreement) and all fees and expenses owing under the Credit Agreement and the other Loan Documents and (ii) all other obligations of the Obligor under the Credit Agreement and the other Loan Documents and (b) all other Indebtedness of the Obligor, except for the Subordinated Debt and any Indebtedness which is expressly by its terms or the terms of the instrument creating or evidencing such Indebtedness made equal or subordinate in right of payment with respect to the Subordinated Debt.

"Subordinated Debt" shall mean the principal amount of this Subordinated Note from time to time outstanding and unpaid, together with accrued and unpaid interest thereon and any other amounts of any kind whatsoever from time to time owing hereunder.

4. Subordination. (a) Payment of the Subordinated Debt is and shall be expressly subordinate and junior in right of payment to the prior payment in full in cash of the Senior Debt to the extent and in the manner set forth herein, and the Subordinated Debt is hereby so subordinated as a claim against the Obligor or any of the assets of the Obligor, whether such claim be (i) in the event of any distribution of the assets of the Obligor upon any voluntary or involuntary dissolution, winding-up, total or partial liquidation or reorganization, or bankruptcy, insolvency, receivership or other statutory or common law proceedings or arrangements involving the Obligor or the readjustment of its liabilities or any assignment for the benefit of creditors or any marshaling of its assets or liabilities (collectively called a "Reorganization"), or (ii) other than in connection with a Reorganization, to the prior payment in full in cash of the Senior Debt.

(b) If the Holder shall receive any payment in violation of the terms hereof, it shall hold such payment in trust for the benefit of the Senior Creditors and forthwith pay it over to the Funding Agent, for application to and payment of the Senior Debt.

(c) In the event of any Reorganization relative to the Obligor or its properties, then all of the Senior Debt shall first be paid in full in cash before any payment is made upon the Subordinated Debt, and in any such proceedings any payment or distribution of any kind or character, whether in cash or property or securities, which may be payable or deliverable in respect of this Subordinated Note shall be paid or delivered directly to the Funding Agent, for application in payment of the Senior Debt, unless and until all the Senior Debt is paid in full in cash, and the Holder hereby irrevocably authorizes the Funding Agent, as attorney-in-fact for the Holder, to vote any claim or proof of claim in such proceedings in respect of the Subordinated Debt, to file or prove any claim in such proceedings in respect of the Subordinated Debt, to demand, sue for, collect and receive any such payment or distribution, to apply such payment or distribution to the payment of the Senior Debt, and to take such other action (including acceptance or rejection of any plan of Reorganization) in the name of the Holder or of the relevant Senior Creditors as the Funding Agent may deem necessary or advisable for the enforcement of the provisions hereof. The Holder shall execute and deliver such other and further powers of attorney, assignments, proofs of claim or other instruments, and take such other actions, as may be requested by the Funding Agent in order to enable the Funding Agent to accomplish any of the foregoing, but only with respect to the Holder's capacity as a holder hereof and not in respect of any other relationship between the Holder and the Obligor.

(d) In the event that, notwithstanding the foregoing, upon any such Reorganization, any payment or distribution of the assets of the Obligor of any kind or character, whether in cash, property or securities, shall be received by the Holder in respect of this Subordinated Note before all Senior Debt is paid in full in cash, such payment or distribution shall be held in trust for the Senior Creditors and shall

forthwith be paid over to the Funding Agent for application to the payment of the Senior Debt until all Senior Debt shall have been paid in full in cash.

(e) Any amounts received by the Funding Agent hereunder for application to the Senior Debt shall be so applied to such portion of the Senior Debt as shall be determined by the Funding Agent in its sole discretion. The provisions of this Subordinated Note shall not be deemed to impose on the Funding Agent any duties or responsibilities to any Senior Creditor, or create any fiduciary relationship with any Senior Creditor.

(f) The Holder agrees that, until the Senior Debt has been paid in full in cash, (i) if a Default or Event of Default shall have occurred and be continuing or would result therefrom, or if a Reorganization shall have commenced, it will not take, demand or receive, or take any action to accelerate or collect, any payment of all or any part of the Subordinated Debt and (ii) it will not file, join in or facilitate any petition or proceeding seeking the bankruptcy of the Obligor.

(g) The Senior Creditors, or any of them, may, at any time and from time to time, without the consent of or notice to the Holder, without incurring any responsibility to the Holder, and without impairing or releasing any of the rights of any Senior Creditor, or any of the obligations of the Holder:

(i) change the amount or terms of or renew or extend any Senior Debt or enter into or amend in any manner any agreement relating to any Senior Debt;

(ii) sell, exchange, release or otherwise deal with any property at any time pledged or mortgaged to secure any Senior Debt;

(iii) release anyone liable in any manner for the payment or collection of any Senior Debt; and

(iv) exercise or refrain from exercising any rights against the Obligor and others (including the Holder).

(h) The Holder hereby waives notice of or proof of reliance by any Senior Creditor upon the provisions hereof, and the Senior Debt shall conclusively be deemed to have been created, contracted, incurred or maintained in reliance upon the provisions hereof.

(i) The Obligor hereby waives diligence, presentment, demand, protest and notice of any kind whatsoever. The nonexercise by the Funding Agent or any other Senior Creditor of any of its rights hereunder in any particular instance shall not constitute a waiver thereof in that or any subsequent instance.

(j) The subordination provisions contained herein are for the benefit of the Senior Creditors and their respective successors and assigns and may not be rescinded or cancelled or modified in any way without the prior written consent of the Administrative Agents.

5. Entire Agreement. Each of the Obligor and the Holder confirms that this Subordinated Note constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

6. Severability. Any provision of this Subordinated Note that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

7. Successors and Assigns. All covenants and agreements of the Obligor and the Holder under this Subordinated Note shall be binding on the Obligor and the Holder and their respective successors and assigns. Neither this Subordinated Note nor any interest therein shall be transferred or assigned without the prior written consent of the Administrative Agents.

8. Amendments. No amendment, supplement, waiver or other modification to this Subordinated Note shall be effective without the prior written consent of the Obligor, the Holder and the Administrative Agents.

9. Governing Law. THIS SUBORDINATED NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

#### 1.2. Other Definitional Provisions; Pro Forma Calculations.

(a) Unless otherwise specified therein, all terms defined in this Agreement shall have the defined meanings when used in the other Loan Documents or any certificate or other document made or delivered pursuant hereto or thereto.

(b) As used herein and in the other Loan Documents, and any certificate or other document made or delivered pursuant hereto or thereto, (i) accounting terms relating to Holdings, the Borrower and its Subsidiaries not defined in Section 1.1 and accounting terms partly defined in Section 1.1, to the extent not defined, shall have the respective meanings given to them under GAAP, (ii) the words "include", "includes" and "including" shall be deemed to be followed by the phrase "without limitation", (iii) the word "incur" shall be construed to mean incur, create, issue, assume, become liable in respect of or suffer to exist (and the words "incurred" and "incurrence" shall have correlative meanings), and (iv) the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, Equity Interests, securities, revenues, accounts, leasehold interests, contract rights and any other "assets" as such term is defined under GAAP.

(c) The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and Section, Schedule and Exhibit references are to this Agreement unless otherwise specified.

(d) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

(e) For the purposes of calculating Annualized Operating Cash Flow, Annualized Pro Forma Operating Cash Flow, Consolidated Operating Cash Flow and Consolidated Interest Expense for any period (a "Test Period"), (i) if at any time from the period (a "Pro Forma Period") commencing on the second day of such Test Period and ending on the last day of such Test Period (or, in the case of any pro forma calculation made pursuant hereto in respect of a particular transaction, ending on the date such transaction is consummated and, unless otherwise expressly provided herein, after giving effect thereto), the Borrower or any Subsidiary shall have made any Material Disposition (as defined below), the Consolidated Operating Cash Flow for such Test Period shall be reduced by an amount equal to the Consolidated Operating

Cash Flow (if positive) attributable to the property which is the subject of such Material Disposition for such Test Period or increased by an amount equal to the Consolidated Operating Cash Flow (if negative) attributable thereto for such Test Period, and Consolidated Interest Expense for such Test Period shall be reduced by an amount equal to the Consolidated Interest Expense for such Test Period attributable to any Indebtedness of the Borrower or any Subsidiary repaid, repurchased, defeased or otherwise discharged with respect to the Borrower and its Subsidiaries in connection with such Material Disposition (or, if the Equity Interests of any Subsidiary are sold, the Consolidated Interest Expense for such Test Period directly attributable to the Indebtedness of such Subsidiary to the extent the Borrower and its continuing Subsidiaries are no longer liable for such Indebtedness after such Disposition); (ii) if during such Pro Forma Period the Borrower or any Subsidiary shall have made a Material Acquisition (as defined below), Consolidated Operating Cash Flow and Consolidated Interest Expense for such Test Period shall be calculated after giving pro forma effect thereto (including the incurrence or assumption of any Indebtedness in connection therewith) as if such Material Acquisition (and the incurrence or assumption of any such Indebtedness) occurred on the first day of such Test Period; (iii) if during such Pro Forma Period any Person that subsequently became a Subsidiary or was merged with or into the Borrower or any Subsidiary since the beginning of such Pro Forma Period shall have entered into any disposition or acquisition transaction that would have required an adjustment pursuant to clause (i) or (ii) above if made by the Borrower or a Subsidiary during such Pro Forma Period, Consolidated Operating Cash Flow and Consolidated Interest Expense for such Test Period shall be calculated after giving pro forma effect thereto as if such transaction occurred on the first day of such Test Period; and (iv) in the case of determinations in connection with transactions involving the incurrence of Indebtedness, Consolidated Interest Expense shall be calculated after giving pro forma effect thereto (and all other incurrences of Indebtedness during such Pro Forma Period) as if such Indebtedness was incurred on the first day of such Test Period. For the purposes of this paragraph, pro forma calculations regarding the amount of income or earnings relating to any Material Disposition or Material Acquisition and the amount of Consolidated Interest Expense associated with any discharge or incurrence of Indebtedness shall in each case be determined in good faith by a Responsible Officer of the Borrower. If any Indebtedness bears a floating rate of interest and the incurrence or assumption thereof is being given pro forma effect, the interest expense on such Indebtedness shall be calculated as if the rate in effect on the last day of the relevant Pro Forma Period had been the applicable rate for the entire relevant Test Period (taking into account any interest rate protection agreement applicable to such Indebtedness if such interest rate protection agreement has a remaining term in excess of 12 months). As used in this Section 1.2(e), "Material Acquisition" means any acquisition of property or series of related acquisitions of property that (i) constitutes assets comprising all or substantially all of an operating unit of a business or constitutes all or substantially all of the Equity Interests of a Person and (ii) involves the payment of Consideration by the Borrower and its Subsidiaries in excess of \$1,000,000; and "Material Disposition" means any Disposition of property or series of related Dispositions of property that yields gross proceeds to the Borrower or any of its Subsidiaries in excess of \$1,000,000.

## ARTICLE II AMOUNT AND TERMS OF COMMITMENTS

2.1. Commitments; Increases in the Tranche A Term Facility and the Revolving Facilities; Incremental Term Loans. (a) Subject to the terms and conditions hereof, (i) each Existing Tranche A Term Lender severally agrees to maintain hereunder, in the form of an "Existing Tranche A Term Loan", its Tranche A Term Loan under and as defined in the Existing Credit Agreement, as specified on Schedule 1.1, (ii) each Restatement Tranche A Term Lender severally agrees to maintain hereunder, in the form of a "Restatement Tranche A Term Loan", its Tranche A Term Loan under and as

defined in the Existing Credit Agreement, as specified on Schedule 1.1, (iii) each Tranche B Term Lender severally agrees to maintain hereunder, in the form of a "Tranche B Term Loan", its Tranche B Term Loan under and as defined in the Existing Credit Agreement, and (iv) each Incremental Term Lender severally agrees to make one or more term loans (each, an "Incremental Term Loan") to the extent provided in Section 2.1(c). The Term Loans may from time to time be Eurodollar Loans or ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.10.

(b) Subject to the terms and conditions hereof, each Existing Revolving Lender severally agrees to make revolving credit loans ("Existing Revolving Loans") to the Borrower from time to time during the Revolving Commitment Period in an aggregate principal amount at any one time outstanding which does not exceed the amount of such Lender's Existing Revolving Commitment. Subject to the terms and conditions hereof, each Restatement Revolving Lender severally agrees to make revolving credit loans ("Restatement Revolving Loans") to the Borrower from time to time during the Revolving Commitment Period in an aggregate principal amount at any one time outstanding which, when added to such Lender's Restatement Revolving Percentage of the sum of (i) the L/C Obligations then outstanding and (ii) the aggregate principal amount of the Swingline Loans then outstanding, does not exceed the amount of such Lender's Restatement Revolving Commitment. During the Revolving Commitment Period, the Borrower may use the Revolving Commitments by borrowing, prepaying the Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. The Revolving Loans may from time to time be Eurodollar Loans or ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.10.

(c) The Borrower and any one or more Lenders (including New Lenders) may from time to time agree that such Lenders shall make, obtain or increase the amount of their Tranche A Term Loans, Incremental Term Loans or Revolving Commitments, as applicable, by executing and delivering to the Administrative Agent an Increased Facility Activation Notice specifying (i) the amount of such increase and the Facility or Facilities involved, (ii) the applicable Increased Facility Closing Date and (iii) in the case of Incremental Term Loans, (x) the applicable Incremental Term Maturity Date, (y) the amortization schedule for such Incremental Term Loans, which shall comply with Section 2.3, and (z) the Applicable Margin for such Incremental Term Loans. Notwithstanding the foregoing, without the consent of the Majority Lenders, (i) the aggregate amount of borrowings of Incremental Term Loans shall not exceed an amount equal to (w) \$300,000,000 plus (x) the aggregate principal amount of optional prepayments of Term Loans made after the Restatement Effective Date pursuant to Section 2.8 or optional reductions of the Revolving Commitments made after the Restatement Effective Date pursuant to Section 2.7 (provided that the amount described in this clause (x) shall not exceed \$100,000,000) minus (y) the aggregate amount of incremental Tranche A Term Loans or incremental Revolving Commitments obtained after the Restatement Effective Date pursuant to this paragraph, (ii) the aggregate amount of incremental Tranche A Term Loans and incremental Revolving Commitments obtained after the Restatement Effective Date pursuant to this paragraph shall not exceed \$150,000,000, (iii) incremental Tranche A Term Loans may not be made on or after March 31, 2002, (iv) incremental Revolving Commitments under a particular Facility may not be obtained on or after the first date on which scheduled Commitment reductions are required under such Facility, (v) each increase effected pursuant to this paragraph shall be in a minimum amount of at least \$50,000,000 and (vi) no more than four Increased Facility Closing Dates may be selected by the Borrower after the Restatement Effective Date. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(d) Any additional bank, financial institution or other entity which, with the consent of the Borrower and the Administrative Agent (which consent shall not be unreasonably withheld), elects to become a "Lender" under this Agreement in connection with any transaction described in Section 2.1(c) shall execute a New Lender Supplement (each, a "New Lender Supplement"), substantially in the form of

Exhibit D-2, whereupon such bank, financial institution or other entity (a "New Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement.

(e) Unless otherwise agreed by the Administrative Agent, on each Increased Facility Closing Date (other than in respect of Incremental Term Loans), the Borrower shall borrow Tranche A Term Loans under the increased Tranche A Term Facility, or shall borrow Revolving Loans under the relevant increased Revolving Commitments, as the case may be, from each Lender participating in the relevant increase in an amount determined by reference to the amount of each Type of Loan (and, in the case of Eurodollar Loans, of each Eurodollar Tranche) which would then have been outstanding from such Lender if (i) each such Type or Eurodollar Tranche had been borrowed or effected on such Increased Facility Closing Date and (ii) the aggregate amount of each such Type or Eurodollar Tranche requested to be so borrowed or effected had been proportionately increased. The Eurodollar Base Rate applicable to any Eurodollar Loan borrowed pursuant to the preceding sentence shall equal the Eurodollar Base Rate then applicable to the Eurodollar Loans of the other Lenders in the same Eurodollar Tranche (or, until the expiration of the then-current Interest Period, such other rate as shall be agreed upon between the Borrower and the relevant Lender).

(f) Notwithstanding anything to the contrary in this Agreement, the Borrower with the consent of each affected Lender may replace up to \$50,000,000 of Existing Revolving Commitments with Restatement Revolving Commitments (in which case each such Lender's Existing Tranche A Term Loan (if any) shall automatically be replaced by a Restatement Tranche A Term Loan) at any time during the period from the Restatement Effective Date to the date that is 30 days thereafter, in which case Schedule 1.1 shall be appropriately modified.

2.2. Procedure for Borrowing. In order to effect a borrowing hereunder, the Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 12:00 Noon, Houston time, (a) three Business Days prior to the requested Borrowing Date, in the case of Eurodollar Loans, or (b) one Business Day prior to the requested Borrowing Date, in the case of ABR Loans), specifying (i) the Facility under which such Loan is to be borrowed, (ii) the amount and Type of Loans to be borrowed, (iii) the requested Borrowing Date and (iv) in the case of Eurodollar Loans, the respective amounts of each such Type of Loan and the respective lengths of the initial Interest Period therefor. Each borrowing shall be in an aggregate amount equal to (x) in the case of ABR Loans, \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof (or, if the then aggregate relevant Available Revolving Commitments are less than \$5,000,000, such lesser amount) and (y) in the case of Eurodollar Loans, \$10,000,000 or a whole multiple of \$1,000,000 in excess thereof; provided, that the Swingline Lender may request, on behalf of the Borrower, borrowings under the Restatement Revolving Commitments that are ABR Loans in other amounts pursuant to Section 2.5. Upon receipt of any such notice from the Borrower, the Administrative Agent shall promptly notify each relevant Lender thereof. Each relevant Lender will make the amount of its pro rata share of each borrowing available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 11:00 A.M., Houston time, on the Borrowing Date requested by the Borrower in funds immediately available to the Administrative Agent. Such borrowing will then be made available not later than 2:00 P.M., Houston time, to the Borrower by the Administrative Agent crediting the account of the Borrower on the books of such office with the aggregate of the amounts made available to the Administrative Agent by the relevant Lenders and in like funds as received by the Administrative Agent.

(a) The Tranche A Term Loans of each Tranche A Term Lender shall mature in 22 consecutive quarterly installments, commencing on March 31, 2002, each of which shall be in an amount equal to such Lender's Tranche A Term Percentage multiplied by the percentage of the Tranche A Aggregate Funded Amount set forth below opposite such installment:

(f) Any reduction or termination of the Revolving Commitments pursuant to this Section 2.3 shall be accompanied by prepayment of the relevant Revolving Loans and/or Swingline Loans to the extent that the relevant Total Revolving Extensions of Credit exceed the amount of the relevant Total Revolving Commitments after giving effect thereto, provided that, in the case of the Restatement Revolving Facility, if the aggregate principal amount of Restatement Revolving Loans and Swingline Loans then outstanding is less than the amount of such excess (because L/C Obligations constitute a portion thereof), the Borrower shall, to the extent of the balance of such excess, replace outstanding Letters of Credit and/or deposit an amount in cash in a cash collateral account established with the Administrative Agent for the benefit of the Restatement Revolving Lenders on terms and conditions satisfactory to the Administrative Agent. The application of any prepayment pursuant to this paragraph shall be made, first, to ABR Loans and, second, to Eurodollar Loans. Each prepayment of the Loans under this paragraph (other than ABR Loans and Swingline Loans) shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

2.4. Swingline Commitment. Subject to the terms and conditions hereof, the Swingline Lender agrees to make a portion of the credit otherwise available to the Borrower under the Restatement Revolving Commitments from time to time during the Revolving Commitment Period by making swingline loans ("Swingline Loans") to the Borrower; provided that (a) the aggregate principal amount of Swingline Loans outstanding at any time shall not exceed the Swingline Commitment then in effect (notwithstanding that the Swingline Loans outstanding at any time, when aggregated with the Swingline Lender's other outstanding Restatement Revolving Loans hereunder, may exceed the Swingline Commitment then in effect) and (b) the Borrower shall not request, and the Swingline Lender shall not

make, any Swingline Loan if, after giving effect to the making of such Swingline Loan, the aggregate amount of the Available Restatement Revolving Commitments would be less than zero. During the Revolving Commitment Period, the Borrower may use the Swingline Commitment by borrowing, repaying and reborrowing, all in accordance with the terms and conditions hereof. Swingline Loans shall be ABR Loans only.

2.5. Procedure for Swingline Borrowing; Refunding of Swingline Loans. (a) Whenever the Borrower desires that the Swingline Lender make Swingline Loans it shall give the Swingline Lender irrevocable telephonic notice confirmed promptly in writing (which telephonic notice must be received by the Swingline Lender not later than 12:00 Noon, Houston time, on the proposed Borrowing Date), specifying (i) the amount to be borrowed and (ii) the requested Borrowing Date (which shall be a Business Day during the Revolving Commitment Period). Each borrowing under the Swingline Commitment shall be in an amount equal to \$1,000,000 or a whole multiple of \$500,000 in excess thereof. Not later than 2:00 P.M., Houston time, on the Borrowing Date specified in a notice in respect of Swingline Loans, the Swingline Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the amount of the Swingline Loan to be made by the Swingline Lender. The Administrative Agent shall make the proceeds of such Swingline Loan available to the Borrower on such Borrowing Date by depositing such proceeds in the account of the Borrower with the Administrative Agent on such Borrowing Date in immediately available funds.

(b) The Swingline Lender, at any time and from time to time in its sole and absolute discretion and in consultation with the Borrower (provided that the failure to so consult shall not affect the ability of the Swingline Lender to make the following request) may, on behalf of the Borrower (which hereby irrevocably directs the Swingline Lender to act on its behalf), on one Business Day's notice given by the Swingline Lender no later than 1:00 P.M., Houston time, request each Restatement Revolving Lender to make, and each Restatement Revolving Lender hereby agrees to make, a Restatement Revolving Loan, in an amount equal to such Restatement Revolving Lender's Restatement Revolving Percentage of the aggregate amount of the Swingline Loans (the "Refunded Swingline Loans") outstanding on the date of such notice, to repay the Swingline Lender. Each Restatement Revolving Lender shall make the amount of such Restatement Revolving Loan available to the Administrative Agent at the Funding Office in immediately available funds, not later than 11:00 A.M., Houston time, one Business Day after the date of such notice. The proceeds of such Restatement Revolving Loans shall be immediately made available by the Administrative Agent to the Swingline Lender for application by the Swingline Lender to the repayment of the Refunded Swingline Loans. The Borrower irrevocably authorizes the Swingline Lender to charge the Borrower's accounts with the Administrative Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swingline Loans to the extent amounts received from the Restatement Revolving Lenders are not sufficient to repay in full such Refunded Swingline Loans.

(c) If prior to the time a Restatement Revolving Loan would have otherwise been made pursuant to Section 2.5(b), one of the events described in Section 8(f) shall have occurred and be continuing with respect to the Borrower or if for any other reason, as determined by the Swingline Lender in its sole discretion, Restatement Revolving Loans may not be made as contemplated by Section 2.5(b), each Restatement Revolving Lender shall, on the date such Restatement Revolving Loan was to have been made pursuant to the notice referred to in Section 2.5(b), purchase for cash an undivided participating interest in the then outstanding Swingline Loans by paying to the Swingline Lender an amount (the "Swingline Participation Amount") equal to (i) such Restatement Revolving Lender's Restatement Revolving Percentage times (ii) the sum of the aggregate principal amount of Swingline Loans then outstanding that were to have been repaid with such Restatement Revolving Loans.

(d) Whenever, at any time after the Swingline Lender has received from any Restatement Revolving Lender such Lender's Swingline Participation Amount, the Swingline Lender receives any payment on account of the Swingline Loans, the Swingline Lender will distribute to such Lender its Swingline Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Lender's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); provided, however, that in the event that such payment received by the Swingline Lender is required to be returned, such Restatement Revolving Lender will return to the Swingline Lender any portion thereof previously distributed to it by the Swingline Lender.

(e) Each Restatement Revolving Lender's obligation to make the Loans referred to in Section 2.5(b) and to purchase participating interests pursuant to Section 2.5(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Restatement Revolving Lender or the Borrower may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of the Borrower; (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other Restatement Revolving Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.6. Commitment Fees, etc. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a nonrefundable commitment fee through the last day of the Revolving Commitment Period, computed at the Commitment Fee Rate on the average daily amount of the relevant Available Revolving Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on the last day of each March, June, September and December and on the Revolving Termination Date.

(b) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates previously agreed to in writing by the Borrower and the Administrative Agent.

2.7. Termination or Reduction of Revolving Commitments. The Borrower shall have the right, upon not less than three Business Days' notice to the Administrative Agent, to terminate the Revolving Commitments or, from time to time, to reduce the amount of the Revolving Commitments; provided that no such termination or reduction of Revolving Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans and Swingline Loans made on the effective date thereof, the relevant Total Revolving Extensions of Credit would exceed the relevant Total Revolving Commitments. Any reduction of the Revolving Commitments shall be allocated to such Revolving Facility as shall be directed by the Borrower. Any such reduction shall be in an amount equal to \$10,000,000, or a whole multiple of \$1,000,000 in excess thereof, shall reduce permanently the relevant Revolving Commitments then in effect and shall be applied pro rata to the scheduled reductions thereof.

2.8. Optional Prepayments. The Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty, upon irrevocable notice delivered to the Administrative Agent at least three Business Days prior thereto in the case of Eurodollar Loans and at least one Business Day prior thereto in the case of ABR Loans, which notice shall specify the date and amount of prepayment and whether the prepayment is of Eurodollar Loans or ABR Loans; provided, that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.18. Prepayments of Revolving

Loans shall be allocated to such Revolving Facility as shall be directed by the Borrower. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans and Swingline Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans and Revolving Loans shall be in an aggregate principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof. Partial prepayments of Swingline Loans shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof.

2.9. Mandatory Prepayments. (a) If on any date the Borrower or any of its Subsidiaries shall receive Net Cash Proceeds from any Asset Sale or Recovery Event then, (i) unless a Reinvestment Notice shall be delivered in respect thereof, such Net Cash Proceeds shall be applied within two Business Days after the deadline by which such Reinvestment Notice is otherwise required to be delivered in respect of such Asset Sale or Recovery Event toward the prepayment of the Term Loans (provided that the foregoing requirement shall not apply to the first \$10,000,000 of aggregate Net Cash Proceeds received after the Restatement Effective Date) and (ii) on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Term Loans.

(b) The application of any prepayment pursuant to this Section 2.9 shall be made, first, to ABR Loans and, second, to Eurodollar Loans. Each prepayment of the Loans under this Section 2.9 shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

2.10. Conversion and Continuation Options. (a) The Borrower may elect from time to time to convert Eurodollar Loans to ABR Loans by giving the Administrative Agent at least three Business Days' prior irrevocable notice of such election, provided that any such conversion of Eurodollar Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert ABR Loans to Eurodollar Loans by giving the Administrative Agent at least three Business Days' prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor), provided that no ABR Loan may be converted into a Eurodollar Loan when any Event of Default has occurred and is continuing. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Eurodollar Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving irrevocable notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that (i) no Eurodollar Loan may be continued as such when any Event of Default has occurred and is continuing and (ii) if the Borrower shall fail to give any required notice as described above in this paragraph, the relevant Eurodollar Loans shall be automatically converted to Eurodollar Loans having a one-month Interest Period on the last day of the then expiring Interest Period. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof.

2.11. Limitations on Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Eurodollar Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$10,000,000 or a whole multiple of \$1,000,000 in excess thereof and (b) no more than fifteen Eurodollar Tranches shall be outstanding at any one time.

2.12. Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin.

(b) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), all outstanding Loans and Reimbursement Obligations (whether or not overdue) shall bear interest at a rate per annum equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% or (y) in the case of Reimbursement Obligations, the rate applicable to ABR Loans under the Restatement Revolving Facility plus 2%, and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to ABR Loans under the relevant Facility plus 2% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to ABR Loans under the Restatement Revolving Facility plus 2%), in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.13. Computation of Interest and Fees. (a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to ABR Loans the rate of interest on which is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.12(a).

2.14. Inability to Determine Interest Rate. If prior to the first day of any Interest Period:

(a) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period, or

(b) the Administrative Agent shall have received notice from the Majority Facility Lenders in respect of the relevant Facility that the Eurodollar Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders

(as conclusively certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) any Eurodollar Loans under the relevant Facility requested to be made on the first day of such Interest Period shall be made as ABR Loans, (y) any Loans under the relevant Facility that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as ABR Loans and (z) any outstanding Eurodollar Loans under the relevant Facility shall be converted, on the last day of the then-current Interest Period, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further Eurodollar Loans under the relevant Facility shall be made or continued as such, nor shall the Borrower have the right to convert Loans under the relevant Facility to Eurodollar Loans.

2.15. Pro Rata Treatment and Payments. (a) Each borrowing by the Borrower from the Revolving Lenders hereunder, each payment by the Borrower on account of any commitment fee and any reduction of the Revolving Commitments of the Lenders shall be made pro rata according to the relevant Revolving Commitments of the relevant Lenders. It is understood that each borrowing of Revolving Loans shall be allocated to such Revolving Facility as shall be selected by the Borrower.

(b) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Term Loans shall be made pro rata according to the respective outstanding principal amounts of the Term Loans then held by the Term Lenders (except as otherwise provided in Section 2.15(d)). The amount of each principal prepayment of the Term Loans shall be applied to reduce the then remaining installments of the Tranche A Term Loans, Tranche B Term Loans and Incremental Term Loans, as the case may be, pro rata based upon the then remaining principal amount thereof. Amounts prepaid on account of the Term Loans may not be reborrowed.

(c) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Existing Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of the Existing Revolving Loans then held by the Existing Revolving Lenders. Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Restatement Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of the Restatement Revolving Loans then held by the Restatement Revolving Lenders.

(d) Notwithstanding anything to the contrary in this Agreement, with respect to the amount of any mandatory prepayment of the Term Loans pursuant to Section 2.9 and, if the Borrower so elects in its sole discretion, any optional prepayment of the Term Loans pursuant to Section 2.8, that in any such case is allocated to Tranche B Term Loans or Incremental Term Loans (such amounts, the "Tranche B Prepayment Amount" and the "Incremental Prepayment Amount", respectively), at any time when Tranche A Term Loans remain outstanding, the Borrower will (or, in the case of optional prepayments, may), in lieu of applying such amount to the prepayment of Tranche B Term Loans and Incremental Term Loans, respectively, on the date specified in Section 2.9 or 2.8, as the case may be, for such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent prepare and provide to each Tranche B Lender and Incremental Term Lender a notice (each, a "Prepayment Option Notice") as described below. As promptly as practicable after receiving such notice from the Borrower, the Administrative Agent will send to each Tranche B Lender and Incremental Term Lender a Prepayment Option Notice, which shall be in the form of Exhibit F, and shall include an offer by the Borrower to prepay on the date (each a "Prepayment Date") that is 10 Business Days after the date of the Prepayment Option Notice, the relevant Term Loans of such Lender by an amount equal to the portion of the prepayment amount indicated in such Lender's

Prepayment Option Notice as being applicable to such Lender's Tranche B Term Loans or Incremental Term Loans, as the case may be. On the Prepayment Date, (i) the Borrower shall pay to the relevant Tranche B Lenders and Incremental Term Lenders the aggregate amount necessary to prepay that portion of the outstanding relevant Term Loans in respect of which such Lenders have accepted prepayment as described in the Prepayment Option Notice, (ii) the Borrower shall pay to the Tranche A Term Lenders an amount equal to 50% (or, in the case of optional prepayments, such percentage as shall be determined by the Borrower in its sole discretion) of the portion of the Tranche B Prepayment Amount and the Incremental Prepayment Amount not accepted by the relevant Lenders, and such amount shall be applied pro rata to the prepayment of the Tranche A Term Loans, and (iii) the Borrower shall be entitled to retain the remaining portion of the Tranche B Prepayment Amount and the Incremental Prepayment Amount not accepted by the relevant Lenders.

(e) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 12:00 Noon, Houston time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the Funding Office, in Dollars and in immediately available funds. The Administrative Agent shall distribute such payments to the Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(f) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans under the relevant Facility, on demand, from the Borrower. Nothing in this paragraph shall be deemed to limit the rights of the Administrative Agent or the Borrower against any Lender.

(g) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment being made hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days of such required date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with

interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

2.16. Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the Restatement Effective Date:

(i) shall subject any Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any Application or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes covered by Section 2.17 and changes in the rate of tax on the overall net income of such Lender);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(iii) shall impose on such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender, by an amount that such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the Restatement Effective Date shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender for such reduction; provided that the Borrower shall not be required to compensate a Lender pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; and provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(c) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. The obligations of the Borrower pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.17. Taxes. (a) All payments made by the Borrower under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding net income taxes and franchise taxes (imposed in lieu of net income taxes) imposed on the Administrative Agent or any Lender as a result of a present or former connection between the Administrative Agent or such Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from the Administrative Agent or such Lender having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document). If any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings ("Non-Excluded Taxes") or Other Taxes are required to be withheld from any amounts payable to the Administrative Agent or any Lender hereunder, the amounts so payable to the Administrative Agent or such Lender shall be increased to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes and Other Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement, provided, however, that the Borrower shall not be required to increase any such amounts payable to any Lender with respect to Non-Excluded Taxes (i) that are attributable to such Lender's failure to comply with the requirements of paragraph (d) or (e) of this Section or (ii) that are United States withholding taxes imposed on amounts payable to such Lender at the time the Lender becomes a party to this Agreement, except to the extent that such Lender's assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the Borrower with respect to such Non-Excluded Taxes pursuant to this paragraph.

(b) In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the relevant Lender, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Administrative Agent and the Lenders for any incremental taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure.

(d) Each Lender (or Transferee) that is not a "U.S. Person" as defined in Section 7701(a)(30) of the Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two copies of either U.S. Internal Revenue Service Form W-8BEN or Form W-8ECI, or, in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", a statement substantially in the form of Exhibit G and a Form W-8BEN, or any subsequent versions thereof or successors thereto, properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from U.S. federal withholding tax on all payments by the Borrower under this Agreement and the other Loan Documents. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant

purchases the related participation). In addition, each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-U.S. Lender. Each Non-U.S. Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the U.S. taxing authorities for such purpose). The inability of a Non-U.S. Lender (or a Transferee) to deliver any form pursuant to this Section 2.17(d) as a result of a change in law after the date such Lender (or a Transferee) becomes a Lender (or a Transferee) hereunder or as a result of a change in circumstances of the Borrower or the use of proceeds of such Lender's (or Transferee's) Loans shall not constitute a failure to comply with this Section 2.17(d) and accordingly the indemnities to which such Person is entitled pursuant to this Section 2.17 shall not be affected as a result of such inability. If a Lender (or Transferee) as to which the preceding sentence does not apply is unable to deliver any form pursuant to this Section 2.17(d), the sole consequence of such failure to deliver as a result of such inability shall be that the indemnity described in Section 2.17(a) hereof for any Non-Excluded Taxes shall not be available to such Lender or Transferee with respect to the period that would otherwise be covered by such form.

(e) A Lender that is entitled to an exemption from non-U.S. withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding, provided that such Lender is legally entitled to complete, execute and deliver such documentation and in such Lender's judgment such completion, execution or submission would not materially prejudice the legal position of such Lender.

(f) Any Lender (or Transferee) claiming any indemnity payment or additional amounts payable pursuant to Section 2.17(a) shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Borrower if the making of such a filing would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue.

(g) The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.18. Indemnity. The Borrower agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of or conversion from Eurodollar Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment of Eurodollar Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of

manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.19. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.16 or 2.17(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of any Borrower or the rights of any Lender pursuant to Section 2.16 or 2.17(a).

2.20. Replacement of Lenders. The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.16 or 2.17(a) or (b) defaults in its obligation to make Loans hereunder, with a replacement financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) prior to any such replacement, such Lender shall have taken no action under Section 2.19 which has eliminated the continued need for payment of amounts owing pursuant to Section 2.16 or 2.17(a), (iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrower shall be liable to such replaced Lender under Section 2.18 if any Eurodollar Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (vi) the replacement financial institution, if not already a Lender, shall be reasonably satisfactory to the Administrative Agent, (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (viii) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.16 or 2.17(a), as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Agents or any other Lender shall have against the replaced Lender.

#### ARTICLE III LETTERS OF CREDIT

3.1. L/C Commitment. (a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the other Restatement Revolving Lenders set forth in Section 3.4(a), agrees to issue letters of credit ("Letters of Credit") for the account of the Borrower on any Business Day during the Revolving Commitment Period in such form as may be approved from time to time by such Issuing Lender; provided that no Issuing Lender shall issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment or (ii) the aggregate amount of the Available Restatement Revolving Commitments would be less than zero. Each Letter of Credit shall (i) be denominated in Dollars, (ii) unless otherwise agreed by the Administrative Agent and the relevant Issuing Lender, have a face amount of at least \$200,000 and (iii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five Business Days prior to the Revolving Termination Date, provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above).

(b) No Issuing Lender shall be obligated to issue any Letter of Credit hereunder if such issuance would conflict with, or cause such Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

3.2. Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that any Issuing Lender issue a Letter of Credit by delivering to such Issuing Lender an Application therefor, completed to the satisfaction of such Issuing Lender, and such other certificates, documents and other papers and information as such Issuing Lender may request. Upon receipt of any Application, the relevant Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall such Issuing Lender be required to issue any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by such Issuing Lender and the Borrower. The relevant Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower promptly following the issuance thereof. The relevant Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the Lenders, notice of the issuance of each Letter of Credit (including the amount thereof).

3.3. Fees and Other Charges. (a) The Borrower will pay a fee on all outstanding Letters of Credit at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Restatement Revolving Facility, shared ratably among the Restatement Revolving Lenders and payable quarterly in arrears on each L/C Fee Payment Date after the issuance date. In addition, the Borrower shall pay to the relevant Issuing Lender for its own account a fronting fee of 0.25% per annum on the undrawn and unexpired amount of each Letter of Credit issued by such Issuing Lender, payable quarterly in arrears on each L/C Fee Payment Date after the relevant issuance date.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse the relevant Issuing Lender for such normal and customary costs and expenses as are incurred or charged by such Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

3.4. L/C Participations. (a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lenders to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Restatement Revolving Percentage in each Issuing Lender's obligations and rights under each Letter of Credit issued by it hereunder and the amount of each draft paid by such Issuing Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees with each Issuing Lender that, if a draft is paid under any Letter of Credit issued by such Issuing Lender for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay to such Issuing Lender upon demand an amount equal to such L/C Participant's Restatement Revolving Percentage of the amount of such draft, or any part thereof, that is not so reimbursed.

(b) If any amount required to be paid by any L/C Participant to any Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit is paid to such Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to such Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to such Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the relevant Issuing

Lender by such L/C Participant within three Business Days after the date such payment is due, such Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans under the Restatement Revolving Facility. A certificate of the relevant Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the relevant Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), such Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by such Issuing Lender), or any payment of interest on account thereof, such Issuing Lender will distribute to such L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, such L/C Participant shall return to such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it.

3.5. Reimbursement Obligation of the Borrower. The Borrower agrees to reimburse the relevant Issuing Lender on each date on which such Issuing Lender notifies the Borrower of the date and amount of a draft presented under any Letter of Credit and paid by such Issuing Lender for the amount of (a) such draft so paid and (b) any taxes, fees, charges or other costs or expenses incurred by such Issuing Lender in connection with such payment. Each such payment shall be made to the relevant Issuing Lender in lawful money of the United States and in immediately available funds. Interest shall be payable on any and all amounts remaining unpaid by the Borrower under this Section from the date such amounts become payable (whether at stated maturity, by acceleration or otherwise) until payment in full at the rate set forth in (i) until the second Business Day following the date of the applicable drawing, Section 2.12(b) and (ii) thereafter, Section 2.12(c).

3.6. Obligations Absolute. The Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against any Issuing Lender, any other Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with each Issuing Lender that no Issuing Lender shall be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. No Issuing Lender shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions found by a final decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the relevant Issuing Lender. The Borrower agrees that any action taken or omitted by any Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with the standards of care specified in the Uniform Commercial Code of the State of New York, shall be binding on the Borrower and shall not result in any liability of any Issuing Lender to the Borrower.

3.7. Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the relevant Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of each Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for

in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

3.8. Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

#### ARTICLE IV REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, Holdings and the Borrower hereby jointly and severally represent and warrant to the Agents and each Lender that:

4.1. Financial Condition. The unaudited consolidated balance sheet of the Borrower as at September 30, 2001, and the related unaudited consolidated statements of operations and cash flows for the nine-month period ended on such date, have been prepared based on the best information available to the Borrower as of the date of delivery thereof, and present fairly the consolidated financial condition of the Borrower as at such date, and the consolidated results of its operations and its consolidated cash flows for the nine-month period then ended (subject to normal year-end audit adjustments). All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein). Holdings, the Borrower and its Subsidiaries do not have any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in the most recent financial statements referred to in this paragraph. During the period from September 30, 2001 to and including the Restatement Effective Date, there has been no Disposition by Holdings, the Borrower or any of its Subsidiaries of any material part of its business or property.

4.2. No Change. Since December 31, 2000 there has been no event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect.

4.3. Existence; Compliance with Law. Each of Holdings, the Borrower and its Subsidiaries (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign entity and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification and (d) is in compliance with all Requirements of Law, in each case with respect to clauses (c) and (d), except as could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4. Power; Authorization; Enforceable Obligations. Each Loan Party has the power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the borrowings on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, except the filings referred to in Section 4.20. Each Loan Document has been duly executed

and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5. No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any material Contractual Obligation of Holdings, the Borrower or any of its Subsidiaries and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Guarantee and Collateral Agreement).

4.6. Litigation. No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of Holdings or the Borrower, threatened by or against Holdings, the Borrower or any of its Subsidiaries or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7. No Default. Neither Holdings, the Borrower nor any of its Subsidiaries is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8. Ownership of Property; Liens. Each of Holdings, the Borrower and its Subsidiaries has good and sufficient legal title to, or a valid leasehold interest in, all its material real property, and good title to, or a valid leasehold interest in, all its other material property, and none of such property is subject to any Lien except as permitted by Section 7.3.

4.9. Intellectual Property. Holdings, the Borrower and each of its Subsidiaries owns, or is licensed to use, all material Intellectual Property necessary for the conduct of its business as currently conducted. No material claim has been asserted and is pending by any Person challenging or questioning the use, validity or effectiveness of any material Intellectual Property owned or licensed by Holdings, the Borrower or any of its Subsidiaries, nor does Holdings or the Borrower know of any valid basis for any such claim. The use of Intellectual Property by Holdings, the Borrower and its Subsidiaries does not infringe on the rights of any Person in any material respect.

4.10. Taxes. Each of Holdings, the Borrower and each of its Subsidiaries has filed or caused to be filed all federal, state and other material tax returns that are required to be filed and has paid all taxes shown to be due and payable on said returns or on any assessments made against it or any of its property and all other taxes, fees or other charges imposed on it or any of its property by any Governmental Authority (other than any the amount or validity of that are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of Holdings, the Borrower or its Subsidiaries, as the case may be); no tax Lien has been filed, and, to the knowledge of Holdings and the Borrower, no claim is being asserted, with respect to any such tax, fee or other charge.

4.11. Federal Regulations. No part of the proceeds of any Loans will be used for "buying" or "carrying" any "margin stock" within the respective meanings of each of the quoted terms

under Regulation U as now and from time to time hereafter in effect or for any purpose that violates the provisions of the Regulations of the Board. If requested by any Lender or the Administrative Agent, the Borrower will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U.

Each Commonly Controlled Entity has met all of the funding standards applicable to all Plans, and no condition exists which would permit the institution of proceedings to terminate any Plan under Section 4042 of ERISA.

4.14. Investment Company Act; Other Regulations. No Loan Party is an "investment company", or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended. No Loan Party is subject to regulation under any Requirement of Law (other than Regulation X of the Board) that limits its ability to incur Indebtedness.

4.15. Subsidiaries. Except as disclosed to the Administrative Agent by the Borrower in writing from time to time after the Restatement Effective Date, (a) Schedule 4.15 sets forth the name and jurisdiction of organization of Holdings, the Borrower and each of the Borrower's Subsidiaries (except any Shell Subsidiary) and, as to each such Subsidiary, the percentage of each class of Equity Interests owned by any Loan Party and (b) except as set forth on Schedule 4.15, there are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments of any nature relating to any Equity Interests of the Borrower or any of its Subsidiaries (except any Shell Subsidiary), except as created by the Loan Documents.

4.16. Use of Proceeds. The proceeds of the Loans, and the Letters of Credit, shall be used for general purposes, including to finance permitted Investments.

(d) any Loan Party shall default in the observance or performance of any other agreement contained in this Agreement or any other Loan Document (other than as provided in paragraphs (a) through (c) of this Section), and such default shall continue unremedied for a period of 30 days after notice to the Borrower from the Administrative Agent or the Majority Lenders; or

(e) Holdings, the Borrower or any of its Subsidiaries shall (i) default in making any payment of any principal of any Indebtedness (including any Guarantee Obligation, but excluding the Loans) on the scheduled or original due date with respect thereto; or (ii) default in making any payment of any interest on any such Indebtedness beyond the period of grace, if any, provided in the instrument or agreement under which such Indebtedness was created; or (iii) default in the observance or performance of any other agreement or condition relating to any such Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or beneficiary of such Indebtedness (or a trustee or agent on behalf of such holder or beneficiary) to cause, with the giving of notice if required, such Indebtedness to become due prior to its stated maturity or (in the case of any such

Indebtedness constituting a Guarantee Obligation) to become payable; provided, that a default, event or condition described in clause (i), (ii) or (iii) of this paragraph (e) shall not at any time constitute an Event of Default unless, at such time, one or more defaults, events or conditions of the type described in clauses (i), (ii) and (iii) of this paragraph (e) shall have occurred and be continuing with respect to Indebtedness of Holdings, the Borrower and its Subsidiaries the outstanding principal amount of which exceeds in the aggregate \$25,000,000; or

(f) (i) Holdings, the Borrower or any of its Subsidiaries shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or Holdings, the Borrower or any of its Subsidiaries shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Holdings, the Borrower or any of its Subsidiaries any case, proceeding or other action of a nature referred to in clause (i) above that (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of 60 days; or (iii) there shall be commenced against Holdings, the Borrower or any of its Subsidiaries any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets that results in the entry of an order for any such relief that shall not have been vacated, discharged, or stayed or bonded pending appeal within 60 days from the entry thereof; or (iv) Holdings, the Borrower or any of its Subsidiaries shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) Holdings, the Borrower or any of its Subsidiaries shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or

(g) (i) Commonly Controlled Entities shall fail to pay when due amounts (other than amounts being contested in good faith through appropriate proceedings) for which they shall have become liable under Title IV of ERISA to pay to the PBGC or to a Plan, (ii) the PBGC shall institute proceedings under Title IV of ERISA to terminate or to cause a trustee to be appointed to administer any Plan or a proceeding shall be instituted by a fiduciary of any Plan against any Commonly Controlled Entity to enforce Sections 515 or 4219(c)(5) of ERISA and such proceeding shall not have been dismissed within 30 days thereafter, or (iii) a condition shall exist which would require the PBGC to obtain a decree adjudicating that any Plan must be terminated; and in each case in clauses (i) through (iii) above, such event or condition, together with all other such events or conditions, if any, could, in the sole judgment of the Majority Lenders, reasonably be expected to result in a Material Adverse Effect; or

(h) one or more judgments or decrees shall be entered against Holdings, the Borrower or any of its Subsidiaries involving in the aggregate for all such Persons a liability (to the extent not paid or fully covered by insurance as to which the relevant insurance company has acknowledged coverage) of \$25,000,000 or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 30 days from the entry thereof; or

(i) the Guarantee and Collateral Agreement shall cease, for any reason (other than the gross negligence or willful misconduct of the Administrative Agent), to be in full force and effect, or any Loan Party or any Affiliate of any Loan Party shall so assert, or any Lien

created by the Guarantee and Collateral Agreement shall cease to be enforceable and of the same effect and priority purported to be created thereby; or

(j) (i) the Paul Allen Group shall cease to have the power, directly or indirectly, to vote or direct the voting of Equity Interests having at least 51% (determined on a fully diluted basis) of the ordinary voting power for the management of the Borrower; (ii) the Paul Allen Group shall cease to own of record and beneficially, directly or indirectly, Equity Interests of the Borrower representing at least 25% (determined on a fully diluted basis) of the economic interests therein; (iii) a Specified Change of Control shall occur; (iv) Charter Communications Holding Company, LLC shall cease to own of record and beneficially, directly or indirectly, Equity Interests of the Borrower representing at least 51% (determined on a fully diluted basis) of the economic interests therein; or (v) the Borrower shall cease to be a direct Wholly Owned Subsidiary of Holdings; or

(k) the Borrower or any of its Subsidiaries shall have received a notice of termination or suspension with respect to any of its CATV Franchises or CATV Systems from the FCC or any Governmental Authority or other franchising authority or the Borrower or any of its Subsidiaries or the grantors of any CATV Franchises or CATV Systems shall fail to renew such CATV Franchises or CATV Systems at the stated expiration thereof if the percentage represented by such CATV Franchises or CATV Systems and any other CATV Franchises or CATV Systems which are then so terminated, suspended or not renewed of Consolidated Operating Cash Flow for the 12-month period preceding the date of the termination, suspension or failure to renew, as the case may be, (giving pro forma effect to any acquisitions or Dispositions that have occurred since the beginning of such 12-month period as if such acquisitions or Dispositions had occurred at the beginning of such 12-month period), would exceed 10%, unless (i) an alternative CATV Franchise or CATV System in form and substance reasonably satisfactory to the Majority Lenders shall have been procured and come into effect prior to or concurrently with the termination or expiration date of such terminated, suspended or non-renewed CATV Franchise or CATV System or (ii) the Borrower or such Subsidiary continues to operate and retain the revenues received from such systems after the stated termination or expiration and is engaged in negotiations to renew or extend such franchise rights and obtains such renewal or extension within one year following the stated termination or expiration, provided that such negotiations have not been terminated by either party thereto, such franchise rights or the equivalent thereof have not been awarded on an exclusive basis to a third Person and no final determination (within the meaning of Section 635 of the Communications Act of 1934, as amended) has been made that the Borrower or such Subsidiary is not entitled to the renewal or extension thereof;

then, and in any such event, (A) if such event is an Event of Default specified in clause (i) or (ii) of paragraph (f) above with respect to the Borrower, automatically the Revolving Commitments shall immediately terminate and the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) shall immediately become due and payable, and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Majority Lenders, the Administrative Agent may, or upon the request of the Majority Lenders, the Administrative Agent shall, by notice to the Borrower declare the Revolving Commitments to be terminated forthwith, whereupon the Revolving Commitments shall immediately terminate; and (ii) with the consent of the Majority Lenders, the Administrative Agent may, or upon the request of the Majority Lenders, the Administrative Agent shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the beneficiaries of the then

outstanding Letters of Credit shall have presented the documents required thereunder) to be due and payable forthwith, whereupon the same shall immediately become due and payable. With respect to all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this paragraph, the Borrower shall at such time deposit in a cash collateral account opened by the Administrative Agent an amount equal to the aggregate then undrawn and unexpired amount of such Letters of Credit. Amounts held in such cash collateral account shall be applied by the Administrative Agent to the payment of drafts drawn under such Letters of Credit, and the unused portion thereof after all such Letters of Credit shall have expired or been fully drawn upon, if any, shall be applied to repay other obligations of the Borrower hereunder and under the other Loan Documents. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied and all other obligations of the Borrower hereunder and under the other Loan Documents shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the Borrower (or such other Person as may be lawfully entitled thereto). Except as expressly provided above in this Section, presentment, demand, protest and all other notices of any kind are hereby expressly waived by the Borrower.

#### ARTICLE IX THE AGENTS

9.1. Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

9.2. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys in-fact selected by it with reasonable care.

9.3. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

9.4. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Majority Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Majority Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

9.5. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall promptly give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Majority Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereinafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

9.7. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Revolving Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of, the Revolving Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

9.8. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent was not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9. Resignation of Agents. (a) The Administrative Agent may resign at any time by giving at least 60 days' prior written notice of its intention to do so to each of the other Lenders and the Borrower pending the appointment by the Borrower of a successor Administrative Agent reasonably satisfactory to the Majority Lenders. If no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 45 days after the retiring Administrative Agent's giving of such notice of resignation, then the retiring Administrative Agent may with the consent of the Borrower, which shall not be unreasonably withheld or delayed, appoint a successor Administrative Agent which shall be a bank or a trust company organized, or having a branch that is licensed, under the laws of the United States of America or any state thereof and having a combined capital, surplus and undivided profit of at least \$100,000,000.

(b) Any Agent other than the Administrative Agent may resign at any time by giving at least 60 days' prior written notice of its intention to do so to each of the other Lenders and the Borrower. Upon any such resignation, the Borrower may, but shall not be obligated to, appoint a successor Agent in the relevant capacity reasonably satisfactory to the Majority Lenders, provided, that the effectiveness of such resignation shall not be conditioned upon the appointment of a successor.

(c) After any retiring Agent's resignation hereunder as Agent, the provisions of this Agreement shall continue to inure to the benefit of such Agent as to any actions taken or omitted to be taken by it while it was an Agent under this Agreement and the other Loan Documents.

9.10. Other Agents. Notwithstanding any provision to the contrary elsewhere in this Agreement (including the circumstance that the Syndication Agent shall have certain rights regarding notification, consents and other matters, to the extent expressly provided herein), no Agent other than the Administrative Agent shall have any duties or responsibilities hereunder or under any other Loan Document, or any fiduciary relationship with any Lender, and no implied covenants, functions,

responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent.

#### ARTICLE X MISCELLANEOUS

10.1. Amendments and Waivers. Neither this Agreement, any other Loan Document nor any term hereof or thereof may be amended orally, nor may any provision hereof or thereof be waived orally but only by an instrument in writing signed by the Majority Lenders (or by the Administrative Agent if authorized in writing to do so by the Majority Lenders) and by the Borrower, except in connection with the Incremental Term Facility or other transactions described in Section 2.1(c) (which requires no consent) and in the event of (a) any reduction in a scheduled payment of principal, interest or fees due hereunder (other than the waiver of charging interest at the Default Rate), (b) any postponement of the timing of scheduled payments of principal, interest or fees hereunder to any Lender, (c) any waiver of any Default due to the Borrower's failure to pay any principal, interest or fees when scheduled to be due hereunder to any Lender, (d) any amendment of this Section 10.1 or of the definition of Majority Lenders or Majority Facility Lenders, (e) any release of Collateral or guarantees, (f) any changes in the several nature of the obligations of the Lenders, or (g) any change to the provisions of Section 2.15 hereof which provide for payments to be distributed to the Lenders on a pro rata basis, any amendment or waiver may be made only by an instrument in writing signed by the Administrative Agent and all the Lenders and by the Borrower. No Lender's Revolving Commitment hereunder may be increased without the written consent of such Lender.

provided that any notice, request or demand to or upon the Administrative Agent or the Lenders shall not be effective until received.

10.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise

of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5. Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Administrative Agent for all its reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements of one firm of counsel to the Administrative Agent and filing and recording fees and expenses, with statements with respect to the foregoing to be submitted to the Borrower prior to the Restatement Effective Date (in the case of amounts to be paid on the Restatement Effective Date) and from time to time thereafter on a quarterly basis or such other periodic basis as the Administrative Agent shall deem appropriate, (b) to pay or reimburse each Lender and each Agent for all its costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents, including the fees and disbursements of one firm of counsel selected by the Administrative Agent and reasonably acceptable to the Syndication Agent (or, in the event that either Syndication Agent determines in good faith that issues apply to it that are not applicable to the Administrative Agent or, with respect to an issue as to which another counsel is proposed to be engaged, that its interests are different from those of the Administrative Agent, one additional firm of counsel selected by J. P. Morgan Securities Inc.), together with any special or local counsel to the Administrative Agent, and not more than one other firm of counsel to the Lenders, (c) to pay, indemnify, and hold each Lender and each Agent harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify, and hold each Lender, each Agent, their affiliates and their respective officers, directors, trustees, employees, agents and controlling persons (each, an "Indemnitee") harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of Holdings, the Borrower, any of its Subsidiaries or any of the Properties and the reasonable fees and expenses of legal counsel in connection with claims, actions or proceedings by any Indemnitee against any Loan Party under any Loan Document (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided, that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to so waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of

whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. All amounts due under this Section 10.5 shall be payable not later than 15 days after written demand therefor. Statements payable by the Borrower pursuant to this Section 10.5 shall be submitted to Kent Kalkwarf (Telephone No. 314-543-2309) (Telecopy No. 314-965-8793), at the address of the Borrower set forth in Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent. The agreements in this Section 10.5 shall survive repayment of the Loans and all other amounts payable hereunder.

10.6. Successors and Assigns; Participations and Assignments.

(a) This Agreement shall be binding upon and inure to the benefit of Holdings, the Borrower, the Lenders, the Agents, all future holders of the Loans and their respective successors (which shall include, in the case of any Lender, any entity resulting from a merger or consolidation) and assigns, except that the Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of each Lender.

(b) Any Lender other than any Conduit Lender may, without the consent of the Borrower or the Administrative Agent, in accordance with applicable law, at any time sell to one or more banks, financial institutions or other entities (each, a "Participant"), including, without limitation, any Conduit Participant, participating interests in any Loan owing to such Lender or any Revolving Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, and the Borrower and the Agents shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would (i) reduce the amount or extend the scheduled date of amortization or maturity of any Loan, (ii) reduce the rate of interest or any fee or extend any due date thereof or (iii) increase the amount or extend the expiry date of any Lender's commitment, in each case to the extent subject to such participation. The Borrower agrees that if amounts outstanding under this Agreement and the Loans are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that, in purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Section 10.7(a) as fully as if it were a Lender hereunder. The Borrower also agrees that each Participant shall be entitled to the benefits of Sections 2.16, 2.17 and 2.18 with respect to its participation in the Revolving Commitments and the Loans outstanding from time to time as if it was a Lender; provided that, in the case of Section 2.17, such Participant shall have complied with the requirements of said Section and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred.

(c) Any Lender other than any Conduit Lender (an "Assignor") may, in accordance with applicable law, at any time and from time to time assign to any Lender, any affiliate of any Lender or any Approved Fund or, with the consent of the Borrower and the Administrative Agent (which, in each case, shall not be unreasonably withheld or delayed), to an additional bank, financial institution or other

entity (an "Assignee") all or any part of its rights and obligations under this Agreement pursuant to an Assignment and Acceptance, executed by such Assignee, such Assignor and any other Person whose consent is required pursuant to this paragraph, and delivered to the Administrative Agent for its acceptance and recording in the Register; provided that, except in the case of an assignment of all of a Lender's interests under this Agreement, no such assignment to an Assignee (other than a Lender, any affiliate of any Lender or any Approved Fund, each an "Intracreditor Assignee") shall (i) be in an aggregate principal amount of less than (x) \$5,000,000, in the case of the Revolving Facility and the Tranche A Term Facility or (y) \$1,000,000, in the case of the Tranche B Term Facility and the Incremental Term Facility or (ii) cause the Assignor to have Aggregate Exposure of less than (x) \$3,000,000, in the case of the Revolving Facility and the Tranche A Term Facility or (y) \$1,000,000, in the case of the Tranche B Term Facility and the Incremental Term Facility, in the case of either clause (i) or (ii), unless otherwise agreed by the Borrower and the Administrative Agent; provided further that, except in the case of an assignment of all of a Lender's interests under this Agreement, no such assignment to an Intracreditor Assignee shall (i) be in an aggregate principal amount of less than \$250,000 or (ii) cause the Assignor to have Aggregate Exposure of less than \$250,000, in each case unless otherwise agreed by the Borrower and the Administrative Agent. For purposes of clauses (i) and (ii) of the preceding sentence, the amounts described therein shall be aggregated in respect of each Lender and its related Approved Funds, if any. Any such assignment need not be ratable as among the Facilities. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Acceptance, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of a Lender hereunder with a Revolving Commitment and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of an Assignor's rights and obligations under this Agreement, such Assignor shall cease to be a party hereto). Notwithstanding any provision of this Section 10.6, the consent of the Borrower shall not be required for any assignment that occurs when an Event of Default pursuant to Section 8(a) or 8(f) shall have occurred and be continuing. On the effective date of any Assignment and Acceptance, the Administrative Agent shall give notice of the terms thereof to the Syndication Agent. Notwithstanding the foregoing, any Conduit Lender may assign at any time to its designating Lender hereunder without the consent of the Borrower or the Administrative Agent any or all of the Loans it may have funded hereunder and pursuant to its designation agreement and without regard to the limitations set forth in the first sentence of this Section 10.6(c).

(d) The Administrative Agent shall, on behalf of the Borrower, maintain at its address referred to in Section 10.2 a copy of each Assignment and Acceptance delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Revolving Commitment of, and the principal amount of the Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, each other Loan Party, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing the Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Acceptance, and thereupon one or more new Notes shall be issued to the designated Assignee. The Administrative Agent will promptly send a copy of the Register to the Borrower upon request.

(e) Upon its receipt of an Assignment and Acceptance executed by an Assignor, an Assignee and any other Person whose consent is required by Section 10.6(c), together with payment to the

Administrative Agent of a registration and processing fee of \$3,500 (with only one such fee being payable in connection with simultaneous assignments to or by two or more related Approved Funds), the Administrative Agent shall (i) promptly accept such Assignment and Acceptance and (ii) record the information contained therein in the Register on the effective date determined pursuant thereto.

(f) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section 10.6 concerning assignments relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests, including any pledge or assignment by a Lender of any Loan to any Federal Reserve Bank in accordance with applicable law or including, in the case of any Lender that is an investment fund, any pledge or assignment of all or any portion of such Lender's rights under this Agreement to any holders of obligations owed, or securities issued, by such Lender as security for such obligations or securities, or to any trustee for, or any other representative of, such holders; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

10.7. Adjustments; Set-off. (a) Except to the extent that this Agreement expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender (a "Benefitted Lender") shall receive any payment of all or part of the amounts owing to it hereunder, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the amounts owing to such other Lender hereunder, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the amounts owing to each such other Lender hereunder, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest, unless such Benefitted Lender is required to pay interest thereon, in which case each Lender returning funds to such Benefitted Lender shall pay its pro rata share of such interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to Holdings or the Borrower, any such notice being expressly waived by Holdings and the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Holdings or the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of Holdings or the Borrower, as the case may be. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and

application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

10.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10. Integration. This Agreement and the other Loan Documents represent the agreement of Holdings, the Borrower, the Agents and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the any Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

10.11. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

10.12. Submission To Jurisdiction; Waivers. Each of Holdings and the Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to Holdings or the Borrower, as the case may be at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

10.13. Acknowledgments. Each of Holdings and the Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Lender has any fiduciary relationship with or duty to Holdings or the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agents and Lenders, on one hand, and Holdings and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Agents and the Lenders or among Holdings, the Borrower and the Agents and the Lenders.

10.14. Releases of Guarantees and Liens. (a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Administrative Agent is hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender except as expressly required by Section 10.1) to take any action requested by the Borrower having the effect of releasing any Collateral or Guarantee Obligations (i) to the extent necessary to permit consummation of any transaction not prohibited by any Loan Document or that has been approved in accordance with Section 10.1 or (ii) under the circumstances described in paragraph (b) below.

(b) At such time as the Loans, the Reimbursement Obligations and the other obligations under the Loan Documents (other than obligations under or in respect of Hedge Agreements or letters of credit obtained other than pursuant to this Agreement) shall have been paid in full, the Revolving Commitments have been terminated and no Letters of Credit shall be outstanding, the Collateral shall be released from the Liens created by the Guarantee and Collateral Agreement, and the Guarantee and Collateral Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each Loan Party under the Guarantee and Collateral Agreement shall terminate, all without delivery of any instrument or performance of any act by any Person.

10.15. Confidentiality. Each Agent and each Lender agrees to keep confidential all non-public information provided to it by any Loan Party pursuant to this Agreement that is designated by such Loan Party as confidential; provided that nothing herein shall prevent any Agent or any Lender from disclosing any such information (a) to any Agent, any Lender or any affiliate of any Lender or any Approved Fund, (b) to any Transferee or prospective Transferee that agrees to comply with the provisions of this Section, (c) to its employees, directors, agents, attorneys, accountants and other professional advisors or those of any of its affiliates who have a need to know, (d) upon the request or demand of any Governmental Authority, (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (f) if requested or required to do so in connection with any litigation or similar proceeding, (g) that has been publicly disclosed, (h) any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, (i) in connection with the exercise of any remedy hereunder or under any other Loan Document or (j) to any direct or indirect contractual counterparty in swap agreements or such contractual counterparty's professional advisor (so long as such

contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.15).

10.16. WAIVERS OF JURY TRIAL. HOLDINGS, THE BORROWER, THE AGENTS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their proper and duly authorized officers as of the day and year first above written.

FORM OF  
SPECIFIED SUBORDINATED NOTE

\$ \_\_\_\_\_

New York, New York  
[Date]

\_\_\_\_\_, a \_\_\_\_\_ (the "Obligor"), hereby promises to pay to the order of \_\_\_\_\_, a \_\_\_\_\_ (together with any transferee or other holder of this Subordinated Note, the "Holder"), on [INSERT DATE NO EARLIER THAN ONE YEAR AFTER FINAL MATURITY OF FACILITIES AT TIME OF ISSUANCE OF SUBORDINATED NOTE] the principal amount of \_\_\_\_\_ DOLLARS (\$ \_\_\_\_\_) in lawful money of the United States of America.

1. Interest. Interest on the principal amount hereof, at a rate per annum equal to [INSERT RATE ACCEPTABLE TO ADMINISTRATIVE AGENT], shall accrue and, except as otherwise provided in paragraph 2 below, be payable at such times as shall be agreed to by the Obligor and the Holder.

2. Payments. Notwithstanding anything to the contrary herein, no payment or prepayment of principal of or interest on this Subordinated Note may be made, directly or indirectly, if a Default or Event of Default (as each such term is defined in the Credit Agreement referred to below) shall have occurred and be continuing or would result therefrom. Subject to the preceding sentence, (a) payments of principal of and interest on this Subordinated Note shall be made in immediately available funds to such account of the Holder as the Holder may designate in writing and (b) the Obligor may prepay all or any part of the principal of this Subordinated Note, together with accrued interest on the amount prepaid, to the extent permitted by the Credit Agreement. If any payment hereunder becomes due and payable on a day other than a business day, the due date thereof shall be extended to the next succeeding business day.

3. Definitions. Terms defined in the Credit Agreement referred to below are used herein with the meanings set forth in such Credit Agreement unless otherwise defined herein. As used herein, the following terms shall have the following meanings:

"Credit Agreement" shall mean the Credit Agreement, dated as of February 2, 1999, as amended and restated as of January 3, 2002, among the Obligor, certain of its affiliates, the Lenders parties thereto and the Syndication Agent, Documentation Agents and Administrative Agent named therein, as amended, restated, supplemented or otherwise modified from time to time.

"Senior Creditors" shall mean the collective reference to the Lenders, the Administrative Agent and all other holders of Senior Debt.

"Senior Debt" shall mean (a) (i) the principal amount of all loans and guarantee obligations from time to time outstanding or owing under the Credit

Agreement and the other Loan Documents executed and delivered by the Obligor pursuant thereto, together with interest thereon (including, without limitation, any interest subsequent to the filing by or against the Obligor of any bankruptcy, reorganization or similar proceeding, whether or not such interest would constitute an allowed claim in any such proceeding, calculated at the rate set forth for overdue loans in the Credit Agreement) and all fees and expenses owing under the Credit Agreement and the other Loan Documents and (ii) all other obligations of the Obligor under the Credit Agreement and the other Loan Documents and (b) all other Indebtedness of the Obligor, except for the Subordinated Debt and any Indebtedness which is expressly by its terms or the terms of the instrument creating or evidencing such Indebtedness made equal or subordinate in right of payment with respect to the Subordinated Debt.

"Subordinated Debt" shall mean the principal amount of this Subordinated Note from time to time outstanding and unpaid, together with accrued and unpaid interest thereon and any other amounts of any kind whatsoever from time to time owing hereunder.

4. Subordination. (a) Payment of the Subordinated Debt is and shall be expressly subordinate and junior in right of payment to the prior payment in full in cash of the Senior Debt to the extent and in the manner set forth herein, and the Subordinated Debt is hereby so subordinated as a claim against the Obligor or any of the assets of the Obligor, whether such claim be (i) in the event of any distribution of the assets of the Obligor upon any voluntary or involuntary dissolution, winding-up, total or partial liquidation or reorganization, or bankruptcy, insolvency, receivership or other statutory or common law proceedings or arrangements involving the Obligor or the readjustment of its liabilities or any assignment for the benefit of creditors or any marshaling of its assets or liabilities (collectively called a "Reorganization"), or (ii) other than in connection with a Reorganization, to the prior payment in full in cash of the Senior Debt.

(b) If the Holder shall receive any payment in violation of the terms hereof, it shall hold such payment in trust for the benefit of the Senior Creditors and forthwith pay it over to the Administrative Agent, for application to and payment of the Senior Debt.

(c) In the event of any Reorganization relative to the Obligor or its properties, then all of the Senior Debt shall first be paid in full in cash before any payment is made upon the Subordinated Debt, and in any such proceedings any payment or distribution of any kind or character, whether in cash or property or securities, which may be payable or deliverable in respect of this Subordinated Note shall be paid or delivered directly to the Administrative Agent, for application in payment of the Senior Debt, unless and until all the Senior Debt is paid in full in cash, and the Holder hereby irrevocably authorizes the Administrative Agent, as attorney-in-fact for the Holder, to vote any claim or proof of claim in such proceedings in respect of the Subordinated Debt, to file or prove any claim in such proceedings in respect of the Subordinated Debt, to demand, sue for, collect and receive any such payment or distribution, to apply such payment or distribution to the payment of the Senior Debt, and to take such other action (including acceptance or rejection of any plan of Reorganization) in the name of the Holder or of the relevant Senior Creditors as the Administrative Agent may deem necessary or advisable for

the enforcement of the provisions hereof. The Holder shall execute and deliver such other and further powers of attorney, assignments, proofs of claim or other instruments, and take such other actions, as may be requested by the Administrative Agent in order to enable the Administrative Agent to accomplish any of the foregoing, but only with respect to the Holder's capacity as a holder hereof and not in respect of any other relationship between the Holder and the Obligor.

(d) In the event that, notwithstanding the foregoing, upon any such Reorganization, any payment or distribution of the assets of the Obligor of any kind or character, whether in cash, property or securities, shall be received by the Holder in respect of this Subordinated Note before all Senior Debt is paid in full in cash, such payment or distribution shall be held in trust for the Senior Creditors and shall forthwith be paid over to the Administrative Agent for application to the payment of the Senior Debt until all Senior Debt shall have been paid in full in cash.

(e) Any amounts received by the Administrative Agent hereunder for application to the Senior Debt shall be so applied to such portion of the Senior Debt as shall be determined by the Administrative Agent in its sole discretion. The provisions of this Subordinated Note shall not be deemed to impose on the Administrative Agent any duties or responsibilities to any Senior Creditor, or create any fiduciary relationship with any Senior Creditor.

(f) The Holder agrees that, until the Senior Debt has been paid in full in cash, (i) if a Default or Event of Default shall have occurred and be continuing or would result therefrom, or if a Reorganization shall have commenced, it will not take, demand or receive, or take any action to accelerate or collect, any payment of all or any part of the Subordinated Debt and (ii) it will not file, join in or facilitate any petition or proceeding seeking the bankruptcy of the Obligor.

(g) The Senior Creditors, or any of them, may, at any time and from time to time, without the consent of or notice to the Holder, without incurring any responsibility to the Holder, and without impairing or releasing any of the rights of any Senior Creditor, or any of the obligations of the Holder:

(i) change the amount or terms of or renew or extend any Senior Debt or enter into or amend in any manner any agreement relating to any Senior Debt;

(ii) sell, exchange, release or otherwise deal with any property at any time pledged or mortgaged to secure any Senior Debt;

(iii) release anyone liable in any manner for the payment or collection of any Senior Debt; and

(iv) exercise or refrain from exercising any rights against the Obligor and others (including the Holder).

(h) The Holder hereby waives notice of or proof of reliance by any Senior Creditor upon the provisions hereof, and the Senior Debt shall conclusively be deemed to have been created, contracted, incurred or maintained in reliance upon the provisions hereof.

(i) The Obligor hereby waives diligence, presentment, demand, protest and notice of any kind whatsoever. The nonexercise by the Administrative Agent or any other Senior Creditor of any of its rights hereunder in any particular instance shall not constitute a waiver thereof in that or any subsequent instance.

(j) The subordination provisions contained herein are for the benefit of the Senior Creditors and their respective successors and assigns and may not be rescinded or cancelled or modified in any way without the prior written consent of the Administrative Agent.

5. Entire Agreement. Each of the Obligor and the Holder confirms that this Subordinated Note constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

6. Severability.
