Security Ownership of Certain Beneficial Owners and Management, page 37

1. We note your response; however, Rule 13d-3(a) provides that a person may have beneficial ownership if they, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise have or share voting or investment power. Please provide us with further analysis supporting your view that Mr. Malone's position on the Executive Committee of the Board of Liberty Broadband and his relationship with his co-Executive Committee member, Mr. Maffei, does not bestow beneficial ownership upon Mr. Malone as determined under Rule 13d-3(a). Notwithstanding the Executive Committee's requirement for unanimity and the absence of an "agreement" between Messrs. Malone and Maffei, under these facts and circumstances, it appears that Mr. Malone, through his position on the Committee, his role as Chairman, his significant Thomas M. equity interest and his relationship with Mr. Maffei, may have the power to direct the voting and disposition of Liberty Broadband's 25% interest in Charter because of an "arrangement, understanding or relationship" between Mr. Maffei and himself.
