On August 12, 2026 (the “Early Settlement Date”), the Issuers issued \$1,686,285,000 in aggregate principal amount of 2038 Notes and \$1,627,538,000 in aggregate principal amount of 2041 Notes in connection with the early settlement of the Exchange Offers.

In connection therewith, the Issuers entered into the below agreements.

Secured Notes Indenture

On the Early Settlement Date, the Issuers, CCO Holdings, LLC (the “Parent Guarantor”) and the Subsidiary Guarantors entered into a supplemental indenture with the Trustee and Collateral Agent in connection with the issuance of the Notes and the terms thereof (the “Twenty-Seventh Supplemental Indenture”). The Twenty-Seventh Supplemental Indenture supplements a base indenture entered into on July 23, 2015, by and among the Issuers, CCO Safari II, LLC, the Trustee and the Collateral Agent (the “Base Indenture” and, together with the Twenty-Seventh Supplemental Indenture, the “Indenture”) providing for the issuance of senior secured notes of the Issuers generally.

The Indenture provides, among other things, that interest is payable on the 2038 Notes on each March 1 and September 1, commencing March 1, 2027. Interest is payable on the 2041 Notes on each March 1 and September 1, commencing March 1, 2027. At any time and from time to time prior to June 1, 2038, the Issuers may redeem the outstanding 2038 Notes in whole or in part at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date, plus a make-whole premium. On or after June 1, 2038, the Issuers may redeem some or all of the outstanding 2038 Notes at a redemption price equal to 100% of the principal amount of the 2038 Notes to be redeemed, plus accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date. At any time and from time to time prior to June 1, 2041, the Issuers may redeem the outstanding 2041 Notes in whole or in part at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date, plus a make-whole premium. On or after June 1, 2041, the Issuers may redeem some or all of the outstanding 2041 Notes at a redemption price equal to 100% of the principal amount of the 2041 Notes to be redeemed, plus accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date. The Notes are senior secured obligations of the Issuers. The Notes are guaranteed on a senior secured basis by the Parent Guarantor and all of the subsidiaries of the Issuers that guarantee the obligations of CCO under its credit agreement (collectively, the “Guarantors”). The Notes and the guarantees are secured by a *pari passu*, first priority security interest, subject to certain permitted liens, in the Issuers’ and the Guarantors’ assets that secure obligations under the credit agreement.

The terms of the Indenture, among other things, limit the ability of the Issuers to grant liens, sell all or substantially all of their assets or merge or consolidate with other entities.

The Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest; breach of other covenants or agreements in the Indenture; failure of certain guarantees to be enforceable; cessation of a material portion of the collateral subject to liens or disaffirmation of obligations under the security documents establishing the security interest in the collateral securing the Notes; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs, the Trustee or the holders of at least 30% in aggregate principal amount of the then outstanding Notes of a series may declare all the Notes of such series to be due and payable immediately.

Registration Rights Agreement

In connection with the issuance of the Notes, the Issuers entered into an Exchange and Registration Rights Agreement with respect to the Notes, dated as of the Early Settlement Date (the “Registration Rights Agreement”), with Barclays Capital Inc., Citigroup Global Markets Inc., Morgan Stanley & Co. LLC, BofA Securities, Inc., Deutsche Bank Securities Inc., Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC and Wells Fargo Securities, LLC, as the dealer managers for the Exchange Offers. Under the Registration Rights Agreement, the Issuers have agreed, in certain circumstances, to file a registration statement with respect to an offer to exchange each series of the Notes for a new issue of substantially identical notes registered under the Securities Act, to cause the exchange offer registration statement to become or be declared effective and to consummate the exchange offer no later than 450 days following the Early Settlement Date. The Issuers may be required to file a shelf registration statement to cover resales of the Notes under certain circumstances. If the foregoing obligations are not satisfied, the Issuers may be required to pay holders of the Notes additional interest at a rate of 0.25% per annum of the principal amount thereof for 90 days immediately following the occurrence of any registration default. Thereafter, the amount of additional interest will increase by an additional 0.25% per annum of the principal amount thereof to 0.5% per annum of the principal amount thereof until all registration defaults have been cured.

For a complete description of the Indenture, the Notes and the Registration Rights Agreement please refer to copies of the Twenty-Seventh Supplemental Indenture, the form of the 2038 Notes, the form of the 2041 Notes and the Registration Rights Agreement filed herewith as Exhibits 4.2, 4.3, 4.4 and 4.5, respectively. The foregoing descriptions of the Indenture and the Notes do not purport to be complete and are qualified in their entirety by reference to the full text of those documents. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Supplemental Indenture and the Issuers and the Trustee, by their execution and delivery of this Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Supplemental Indenture, the provisions of this Supplemental Indenture shall govern and be controlling.

If any such transfer is effected pursuant to subparagraph (B) or (D) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (B) or (D) above.

(iii) *Regulation S Legend.* Each Regulation S Global Note should bear a legend in substantially the following form:

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuers shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Issuers' order or at the Registrar's request.

(ii) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.10 hereof and Section 9.05 of the Base Indenture).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Supplemental Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Issuers shall not be required to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by electronic mail.

(ix) Each Holder of a Note agrees to indemnify the Issuers and the Trustee against any liability that may result from the transfer, exchange or assignment of such Holder's Note in violation of any provision of this Supplemental Indenture and/or applicable United States Federal or state securities law.

(x) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Supplemental Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Supplemental Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xi) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is an additional legally binding obligation of the Issuers and shall be entitled to all of the benefits of this Supplemental Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions of this Supplemental Indenture, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because an Issuer or an Affiliate of an Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 of the Base Indenture, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than an Issuer, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuers, or by any Person directly or indirectly controlled by or under direct or indirect common control with the Issuers or, if the TIA is applicable to this Supplemental Indenture, to the extent required by the TIA, any person controlling the Issuers, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Supplemental Indenture.

Section 2.11 Cancellation.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in its customary manner. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

If the Issuers default in a payment of interest on the Notes, the Issuers shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, which interest on defaulted interest shall accrue until the defaulted interest is deemed paid hereunder, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 of the Base Indenture. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 CUSIP Numbers.

The Issuers in issuing the Notes may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will promptly notify the Trustee in writing of any change in the “CUSIP” numbers.

Section 2.14 FATCA.

The Issuers hereby agree (i) to give notice to the Trustee upon becoming aware that any payment under the Indenture will be treated as a withholdable payment, as such term is used in Sections 1471-1474 of the U.S. Internal Revenue Code of 1986, as amended, and Treasury regulations promulgated thereunder (“*Applicable Law*”); and (ii) that the Trustee shall be entitled to make any withholding or deductions from payments under the Indenture (and shall not be required to pay any additional amounts with respect to any such withholding or deduction on or in respect of the Notes) to the extent necessary to comply with Applicable Law.

ARTICLE 3

With respect to the Notes only, Article 3 of the Base Indenture is hereby replaced with the following:

Section 3.01 Notices to Trustee.

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07, it shall furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officers’ Certificate setting forth (i) the clause of this Supplemental Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price; *provided* that the Issuers shall notify the Trustee 5 days prior to any such redemption, which notice period may be waived by the Trustee.

Section 3.02 Selection of Notes to Be Redeemed.

If less than all of the Notes are to be redeemed at any time, (x) if the Notes are held in definitive form, the Notes shall be selected for redemption by lot, and (y) if the Notes are held in global form, the Notes shall be selected for redemption by the depositary in accordance with their applicable procedures.

In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 15 nor more than 30 days prior to the redemption date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuers in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of a Holder's Notes are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Supplemental Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 Notice of Redemption.

At least 10 days but not more than 60 days before a redemption date, the Issuers shall transmit or cause to be transmitted, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;
- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption and redeemed ceases to accrue on and after the redemption date;
- (g) the paragraph of the Notes and/or Section of this Supplemental Indenture pursuant to which the Notes called for redemption are being redeemed;
- (h) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes;

- (i) any conditions to the Issuers' obligations to redeem the Notes as contemplated by Section 3.04; and
- (j) the CUSIP number, if any.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at its expense; *provided, however*, that the Issuers shall have delivered to the Trustee, at least 10 days prior to the redemption date (or such shorter period as to which the Trustee may agree in its sole discretion), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is transmitted in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price; *provided* that any redemption or notice of any redemption may, at the Issuers' discretion, be given prior to the completion of a transaction or event (including an equity offering, other offering, issuance of indebtedness, a change of control or other transaction or event) and any redemption notice (including the amount of Notes redeemed and conditions precedent applicable to different amounts of Notes redeemed) may, in the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related transaction or event. Any such redemption may be partial as a result of only some of the conditions being satisfied.

If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the redemption date, or by the redemption date so delayed. In addition, the Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

Section 3.05 Deposit of Redemption Price.

At or prior to 10:00 a.m., New York City time, on the redemption date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on such date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption date, interest shall cease to accrue on the Notes of a series or the portions thereof called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 of the Base Indenture.

Section 3.06 Notes Redeemed in Part.

No Notes of \$2,000 principal amount or less shall be redeemed in part. Upon surrender of a Note that is redeemed in part, the Issuers shall issue and, upon the Issuers' written request, the Trustee shall authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

Section 3.07 Optional Redemption.

(a) Except as set forth in Section 3.07(c), the Issuers shall not have the option to redeem Notes pursuant to this Section 3.07(a) prior to the Par Call Date of the Notes. On or after the Par Call Date for the Notes of a series, the Issuers may redeem the Notes of such series, in whole or in part, at the Issuers' option, on at least 10 days' but not more than 60 days' prior mailed or electronically delivered (or otherwise transmitted in accordance with DTC's procedures) notice to the Holders thereof, at a redemption price equal to 100% of the principal amount of the Notes of such series to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date (subject to the rights of Holders of Notes of such series on a record date to receive the related interest payment on the related interest payment date).

(b) [Reserved.]

(c) Prior to the applicable Par Call Date with respect to each series of the Notes, the Issuers may redeem outstanding Notes, in whole or in part, at the Issuers' option, at any time or from time to time, on at least 10 days' but not more than 60 days' prior mailed or electronically delivered (or otherwise transmitted in accordance with DTC's procedures) notice to each Holder of the Notes of such series to be redeemed, at a redemption price expressed as a percentage of principal amount equal to the greater of:

(i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the notes matured on their applicable Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Rate *plus* (i) with respect to the 2038 Notes, 40 basis points and (ii) with respect to the 2041 Notes, 45 basis points, *less* unpaid interest accrued to the date of redemption, and

(ii) 100% of the principal amount of the notes to be redeemed,

plus, in either case, accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date (subject to the rights of Holders of the Notes of such series on a record date to receive the related interest payment on the related interest payment date).

(d) [Reserved.]

Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Section 3.01 through 3.06.

Section 3.08 Mandatory Redemption.

The Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

ARTICLE 4

COVENANTS

With respect to the Notes only, the Issuers hereby agree to expressly subject themselves to the provisions of Article 4 of the Base Indenture.

With respect to the Notes only, Section 4.03 of the Base Indenture is hereby replaced with the following:

Section 4.03 Reports.

CCO shall file with the Trustee, and transmit to Holders, such information, documents and other reports, and such summaries thereof, as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant to such Act; *provided* that any such information, documents or reports required to be filed with the Commission pursuant to Section 13 or 15(d) of the Exchange Act shall be filed with the Trustee within 15 days after the same is so required to be filed with the Commission. CCO shall also comply with the other provisions of Trust Indenture Act Section 314(a). Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including each Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Notwithstanding anything to the contrary set forth above, for so long as the Issuers are direct or indirect majority-owned subsidiaries of any Parent (or other Person which, directly or indirectly, owns a majority of the outstanding common equity interests of CCO), if such Parent (or other Person which, directly or indirectly, owns a majority of the outstanding common equity interests of CCO) has furnished the Holders of the Notes or filed electronically with the Commission the reports described in the preceding paragraphs with respect to such Parent (or other Person which, directly or indirectly, owns a majority of the outstanding common equity interests of CCO) and such reports include a brief explanation (or such explanation is otherwise made available to the Holders) of the material differences between the financial statements of such Parent and that of CCO, then the Issuers shall be deemed to be in compliance with this covenant.

Any information filed with the Commission and available at www.SEC.gov or made available on any Parent's website shall be deemed transmitted, filed and delivered as required under this Section 4.03.

Section 4.04 Special Interest Notice

In the event the Issuers are required to pay Special Interest, the Issuers shall provide written notice to the Trustee of the Issuers' obligation to pay Special Interest no later than 15 days prior to the next interest payment date, which notice shall set forth the amount of the Special Interest to be paid by the Issuers on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holders to determine whether the Special Interest is payable or the amount thereof.

ARTICLE 5

SUCCESSORS

With respect to the Notes only, the Issuers hereby agree to expressly subject themselves to the provisions of Article 5 of the Base Indenture.

ARTICLE 6

DEFAULTS AND REMEDIES

With respect to the Notes only, the Issuers hereby agree to expressly subject themselves to the provisions of Article 6 of the Base Indenture.

With respect to the Notes only, Section 6.01 of the Base Indenture is hereby replaced with the following:

Section 6.01 Events of Default.

Except where otherwise indicated by the context or where the term is otherwise defined for a specific purpose, the term "*Event of Default*" as used in this Indenture with respect to each series of Notes shall mean one of the following described events:

(1) default in the payment of interest on such series of Notes, as applicable, when due, continued for 30 consecutive days;

(2) default in payment of principal of any Note of such series of Notes when due at maturity, upon optional redemption, upon required purchase, upon declaration of acceleration or otherwise;

(3) the failure by the Issuers or any Note Guarantor to comply for 90 days after notice with its covenants or other agreements (other than those described in the immediately preceding clauses (1) and (2) above), *provided* that a default under this clause (3) will not constitute an Event of Default with respect to each series of Notes until the Trustee or the Holders of 30% in principal amount of the outstanding Notes of such series notify the Issuers of the default and the Issuers do not cure such default within the time specified after receipt of such notice; *provided, further*, that a notice of default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of default;

(4)(I) any Issuer or any Subsidiary Guarantor that is a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Code:

- (a) commences a voluntary case,
- (b) consents to the entry of an order for relief against it in an involuntary case,
- (c) consents to the appointment of a custodian of it or for all or substantially all of its property, or
- (d) makes a general assignment for the benefit of its creditors; or

(II) a court of competent jurisdiction enters an order or decree under any Bankruptcy Code that:

- (a) is for relief against an Issuer or a Subsidiary Guarantor that is a Significant Subsidiary in an involuntary case;
- (b) appoints a custodian of an Issuer or a Subsidiary Guarantor that is a Significant Subsidiary or for all or substantially all of the property of an Issuer or a Subsidiary Guarantor that is a Significant Subsidiary; or
- (c) orders the liquidation of an Issuer or a Subsidiary Guarantor that is a Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 consecutive days.

(5) any Note Guarantee of any Subsidiary Guarantor that is a Significant Subsidiary (or Note Guarantees of any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary) ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and/or this Indenture) or any Note Guarantor denies or disaffirms its obligations in writing under its Note Guarantee; and

(6) a material portion of the Collateral ceases to be subject to the Liens of the Security Documents (other than in accordance with the terms of this Indenture and the Security Documents) or any Issuer or Subsidiary Guarantor denies or disaffirms its obligations in writing under the Security Documents to which it is party.

With respect to the Notes only, Section 6.02 of the Base Indenture is hereby replaced with the following:

Section 6.02 Acceleration.

If an Event of Default arising from Section 6.01(4) with respect to CCO occurs and is continuing, the principal of and accrued but unpaid interest on all outstanding Notes of the applicable series shall *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders of such series of Notes.

If any other Event of Default with respect to each series of the Notes occurs and is continuing, the Trustee by notice to the Issuers or the Holders of at least 30% in principal amount of the then outstanding Notes of such series by notice to the Issuers and the Trustee may declare such series of the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. The Holders of a majority in aggregate principal amount of such series of the Notes then outstanding by written notice to the Trustee may on behalf of all of the Holders rescind an acceleration and its consequences with respect to such series of the Notes if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. Any time period in this Indenture to cure any actual or alleged Default or Event of Default with respect to each series of the Notes may be extended or stayed by a court of competent jurisdiction to the extent such actual or alleged Default or Event of Default is the subject of litigation.

Any notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action (a “*Noteholder Direction*”) provided by any one or more Holders (each, a “*Directing Holder*”) must be accompanied by a written representation from each such Holder to the Issuers and the Trustee that such Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that are not) Net Short (a “*Position Representation*”), which representation, in the case of a Noteholder Direction relating to a notice of Default (a “*Default Direction*”), shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the applicable series of Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, covenant to provide the Issuers with such other information as the Issuers may reasonably request from time to time in order to verify the accuracy of such Directing Holder’s Position Representation within five Business Days of request therefor (a “*Verification Covenant*”). In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee, and DTC shall be entitled to rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes of the applicable series, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provide to the Trustee evidence that the Issuers have initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes of the applicable series, the Issuers provide to the Trustee an Officers’ Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed until such time as the Issuers provide the Trustee with an Officers’ Certificate that the Verification Covenant has been satisfied; *provided* that the Issuers shall promptly deliver such Officers’ Certificate to the Trustee upon becoming aware that the Verification Covenant has been satisfied. Any breach of the Position Representation (as evidenced by the delivery to the Trustee of the Officers’ Certificate stating that a Directing Holder failed to satisfy its Verification Covenant) shall result in such Holder’s participation in such Noteholder Direction being disregarded; and if, without the participation of such Holder, the percentage of Notes of the applicable series held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar direction shall not require compliance with the foregoing paragraphs.

The Trustee shall have no obligation to monitor or determine whether a Holder is Net Short and can rely conclusively on the Officers' Certificates delivered by the Issuers and determinations made by a court of competent jurisdiction.

ARTICLE 7

TRUSTEE

With respect to the Notes only, the Issuers hereby agree to expressly subject themselves to the provisions of Article 7 of the Base Indenture.

ARTICLE 8

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02 of this Indenture, the Issuers, the Trustee and the Collateral Agent may amend or supplement this Indenture, the Intercreditor Agreement, any Note Guarantee, any Security Document or the Notes without the consent of any Holder of a Note:

(1) to cure any ambiguity, omission, mistake, defect or inconsistency;

(2) to provide for the assumption by a successor Person of the obligations of the Issuers or any Note Guarantor under the Indenture or the Security Documents;

(3) to provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);

(4) to add Guarantees with respect to the Notes or to add additional Collateral to secure the Notes and the Note Guarantees;

(5) to add to the covenants of the Issuers or any Note Guarantor for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Issuers or any Note Guarantor;

(6) to make any change that would provide any additional rights or benefits to Holders of any series or that does not adversely affect the legal rights under this Indenture of any such Holder;

(7) to conform the text of the Indenture, the Notes, any Note Guarantee, the Intercreditor Agreement or any Security Document to the description and terms of such Notes in the offering circular, offering memorandum, prospectus supplement or other offering document applicable to such Notes as the time of the initial sale thereof;

(8) to make any amendment to the provisions of the Indenture relating to the transfer and legending of Notes; provided, however, that (a) compliance with the Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any other applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(9) to release Collateral from the Lien under the Security Document when permitted or required by the Security Documents, the Indenture or the Intercreditor Agreement;

(10) to evidence and provide for the acceptance and appointment under the Indenture of a successor Trustee or Collateral Agent thereunder pursuant to the requirements thereof;

(11) to release a Note Guarantor pursuant to the terms of Article 10;

(12) to change or eliminate any of the provisions of this Indenture; *provided* that any such change or elimination shall not be effective with respect to any outstanding Notes of any series created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision;

(13) to change or eliminate any provisions of this Indenture or the Notes to eliminate the effect of any Accounting Change or in the application thereof as described in the last paragraph of the definition of “GAAP;” or

(14) to provide for or confirm the issuance of Additional Notes or the Exchange Notes pursuant to the Registration Rights Agreement.

The consent of the Holders of the Notes is not necessary to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

Upon the request of the Issuers accompanied by a resolution of their respective boards of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee and the Collateral Agent of an Officers’ Certificate and an Opinion of Counsel pursuant to Section 9.06, the Trustee and the Collateral Agent shall join with the Issuers and any Note Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and the Collateral Agent shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 13.04 Application of Trust Money.

All money deposited with the Trustee pursuant to Section 13.03 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Supplemental Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

7.087% Senior Secured Notes due 2038

Capitalized terms used herein shall have the meanings assigned to them in the Supplemental Indenture referred to below unless otherwise indicated. For the purposes of this Note, “Notes” shall refer to the 7.087% Senior Secured Notes due 2038 of the Issuers.

1. **INTEREST.** The Issuers promise to pay interest on the principal amount of this Note at the rate of 7.087% per annum from the Issue Date until maturity, subject to increase pursuant to the provisions of the Registration Rights Agreement. The Issuers will pay interest semi-annually in arrears on March 1 and September 1 of each year (each, an “*Interest Payment Date*”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be March 1, 2027. The Issuers shall pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue principal and premium, if any, from time to time on demand at a rate that is 1.00% per annum in excess of the rate then in effect; they shall pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. **METHOD OF PAYMENT.** The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on February 15 and August 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Supplemental Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. **PAYING AGENT AND REGISTRAR.** Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Supplemental Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuers issued the Notes under an Indenture dated as of July 23, 2015 (the “*Base Indenture*”), among CCO Safari II, LLC, Charter Communications Operating, LLC, Charter Communications Operating Capital Corp. and The Bank of New York Mellon Trust Company, N.A., as Trustee and Collateral Agent, as supplemented by the Twenty-Seventh Supplemental Indenture dated as of August 12, 2026 (the “*Supplemental Indenture*”), among Charter Communications Operating, LLC, Charter Communications Operating Capital Corp., the guarantors party thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee and Collateral Agent. The terms of the Notes include those stated in the Supplemental Indenture and those made part of the Supplemental Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Supplemental Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Supplemental Indenture, the provisions of the Supplemental Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) Except as set forth in paragraph 5(b) below, the Issuers shall not have the option to redeem the Notes pursuant to this paragraph 5 prior to June 1, 2038 (the “*Par Call Date*”). On or after the Par Call Date, the Issuers may redeem the Notes, in whole or in part, at the Issuers’ option, on at least 10 days’ but not more than 60 days’ prior mailed or electronically delivered (or otherwise transmitted in accordance with DTC’s procedures) notice to the Holders thereof, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date (subject to the rights of Holders of Notes on a record date to receive the related interest payment on the related interest payment date).

(b) At any time and from time to time prior to the Par Call Date, the Issuers may redeem outstanding Notes, in whole or in part, at the Issuers’ option, at any time or from time to time, on at least 10 days’ but not more than 60 days’ prior mailed or electronically delivered (or otherwise transmitted in accordance with DTC’s procedures) notice to the Holders thereof, at a redemption price expressed as a percentage of principal amount equal to the greater of:

(i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the notes matured on their applicable Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Rate *plus* 40 basis points *less* unpaid interest accrued to the date of redemption, and

(ii) 100% of the principal amount of the notes to be redeemed,

plus, in either case, accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date (subject to the rights of Holders of the Notes of such series on a record date to receive the related interest payment on the related interest payment date).

6. MANDATORY REDEMPTION. The Issuers shall not be required to make mandatory redemption payments with respect to the Notes.
7. [Reserved].
8. [Reserved].
9. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Supplemental Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Supplemental Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.
10. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

11. AMENDMENT, SUPPLEMENT AND WAIVER. Subject to certain exceptions, the Supplemental Indenture, the Intercreditor Agreement, any Note Guarantee, the Security Documents or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Subject to certain exceptions, any existing Default or compliance with any provision of the Supplemental Indenture or the Notes may be waived, including by way of amendment, with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Without the consent of any Holder of a Note, the Issuers, the Trustee and the Collateral Agent may amend or supplement the Supplemental Indenture, the Intercreditor Agreement, any Note Guarantee, any Security Document, or the Notes (i) to cure any ambiguity, omission, mistake, defect or inconsistency, (ii) to provide for the assumption by a successor Person of the obligations of the Issuers or any Note Guarantor under the Supplemental Indenture or the Security Documents, (iii) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code), (iv) to add Guarantees with respect to the Notes or to add additional Collateral to secure the Notes and the Note Guarantees, (v) to add to the covenants of the Issuers or any Note Guarantor for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Issuers or any Note Guarantor, (vi) to make any change that would provide any additional rights or benefits to Holders or that does not adversely affect the legal rights under this Supplemental Indenture of any such Holder, (vii) to conform the text of the Supplemental Indenture, the Notes, any Note Guarantee, the Intercreditor Agreement or any Security Document to any provision under the heading “Description of Notes” in the Offering Memorandum, (viii) to make any amendment to the provisions of the Supplemental Indenture relating to the transfer and legending of Notes; *provided, however*, that (a) compliance with the Indenture as so amended would not result in notes being transferred in violation of the Securities Act or any other applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes; (ix) to release Collateral from the Lien under the Security Document when permitted or required by the Security Documents, the Supplemental Indenture or the Intercreditor Agreement, (x) to evidence and provide for the acceptance and appointment under the Supplemental Indenture of a successor Trustee or Collateral Agent thereunder pursuant to the requirements thereof, (xi) to release a Note Guarantor pursuant to the terms of Article 10 of the Indenture, (xii) to make any amendment to the provisions of the Indenture or the Notes to eliminate the effect of any Accounting Change or in the application thereof as described in the last paragraph of the definition of “GAAP” or (xiii) to provide for or confirm the issuance of Additional Notes or the Exchange Notes pursuant to the Registration Rights Agreement.

12. DEFAULTS AND REMEDIES. Each of the following is an Event of Default: (i) default in the payment of interest on the Notes when due, continued for 30 consecutive days on the Notes, (ii) default in payment of principal of any Note when due at maturity, upon optional redemption, upon required purchase, upon declaration of acceleration or otherwise, (iii) the failure by the Issuers or any Note Guarantor to comply for 90 days after notice with its covenants or other agreements (other than those described in the immediately preceding clauses (i) and (ii) above), *provided* that a default under this clause (iii) will not constitute an Event of Default with respect to the Notes until the Trustee or the Holders of 30% in principal amount of the outstanding Notes notify the Issuers of the default and the Issuers do not cure such default within the time specified after receipt of such notice, *provided, further*, that a notice of default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of default, (iv) (I) the Issuers or any Subsidiary Guarantor that is a Significant Subsidiary pursuant to or within the meaning of the Bankruptcy Code: (a) commences a voluntary case, (b) consents to the entry of an order for relief against it in an involuntary case, (c) consents to the appointment of a custodian of it or for all or substantially all of its property, or (d) makes a general assignment for the benefit of its creditors; or (II) a court of competent jurisdiction enters an order or decree under the Bankruptcy Code that (a) is for relief against the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary in an involuntary case; (b) appoints a custodian of the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary or for all or substantially all of the property of the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary; or (c) orders the liquidation of the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 consecutive days; (v) any Note Guarantee of any Subsidiary Guarantor that is a Significant Subsidiary (or Note Guarantees of any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary) ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and/or the Indenture) or any Note Guarantor denies or disaffirms its obligations in writing under its Note Guarantee; and (vi) a material portion of the Collateral ceases to be subject to the Liens of the Security Documents (other than in accordance with the terms of the Indenture and the Security Documents) or any Issuer or Subsidiary Guarantor denies or disaffirms its obligations in writing under the Security Documents to which it is party.

If an Event of Default arising from (vi) above with respect to CCO occurs and is continuing the principal of and accrued but unpaid interest on all outstanding Notes shall ipso facto become due and payable without any declaration or other act on the part of the Trustee or any Holders of the Notes.

If any other Event of Default with respect to the Notes occurs and is continuing, the Trustee by notice to the Issuers or the Holders of at least 30% in principal amount of the then outstanding Notes by notice to the Issuers and the Trustee may declare the Notes to be due and payable immediately. The Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of all of the Holders rescind an acceleration and its consequences with respect to such Notes if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. Any time period in the Indenture to cure any actual or alleged default or Event of Default with respect to the Notes may be extended or stayed by a court of competent jurisdiction to the extent such actual or alleged default or Event of Default is the subject of litigation.

Any Noteholder Direction provided by any one or more Directing Holders must be accompanied by a Position Representation, which representation, in the case of a Default Direction shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, make a Verification Covenant. In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee, and DTC shall be entitled to rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provide to the Trustee evidence that the Issuers have initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers provide to the Trustee an Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed until such time as the Issuers provide the Trustee with an Officers' Certificate that the Verification Covenant has been satisfied; *provided* that the Issuers shall promptly deliver such Officers' Certificate to the Trustee upon becoming aware that the Verification Covenant has been satisfied. Any breach of the Position Representation (as evidenced by the delivery to the Trustee of the Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant) shall result in such Holder's participation in such Noteholder Direction being disregarded; and if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar direction shall not require compliance with the foregoing paragraphs.

13. TRUSTEE DEALINGS WITH ISSUERS. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for any Issuer or its Affiliates, and may otherwise deal with any Issuer or its Affiliates, as if it were not the Trustee.

14. NO RECOURSE AGAINST OTHERS. A director, officer, employee, incorporator, member or stockholder of the Issuers, as such, shall not have any liability for any obligations of the Issuers under the Notes or the Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. GOVERNING LAW. THE INTERNAL LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS NOTE AND THE SUPPLEMENTAL INDENTURE WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. EACH OF THE PARTIES HERETO AND THE HOLDERS AGREE TO SUBMIT TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE.

16. AUTHENTICATION. This Note shall not be valid until authenticated by the manual or electronic signature of the Trustee or an authenticating agent.

17. ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES. In addition to the rights provided to Holders of Notes under the Supplemental Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in the Registration Rights Agreement.

19. CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Supplemental Indenture, the Base Indenture and/or the Registration Rights Agreement, as applicable. Requests may be made to the Issuers:

7.337% Senior Secured Notes due 2041

Capitalized terms used herein shall have the meanings assigned to them in the Supplemental Indenture referred to below unless otherwise indicated. For the purposes of this Note, “Notes” shall refer to the 7.337% Senior Secured Notes due 2041 of the Issuers.

1. INTEREST. The Issuers promise to pay interest on the principal amount of this Note at the rate of 7.337% per annum from the Issue Date until maturity, subject to increase pursuant to the provisions of the Registration Rights Agreement. The Issuers will pay interest semi-annually in arrears on March 1 and September 1 of each year (each, an “*Interest Payment Date*”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be March 1, 2027. The Issuers shall pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue principal and premium, if any, from time to time on demand at a rate that is 1.00% per annum in excess of the rate then in effect; they shall pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on February 15 and August 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Supplemental Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Supplemental Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuers issued the Notes under an Indenture dated as of July 23, 2015 (the “*Base Indenture*”), among CCO Safari II, LLC, Charter Communications Operating, LLC, Charter Communications Operating Capital Corp. and The Bank of New York Mellon Trust Company, N.A., as Trustee and Collateral Agent, as supplemented by the Twenty-Seventh Supplemental Indenture dated as of August 12, 2026 (the “*Supplemental Indenture*”), among Charter Communications Operating, LLC, Charter Communications Operating Capital Corp., the guarantors party thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee and Collateral Agent. The terms of the Notes include those stated in the Supplemental Indenture and those made part of the Supplemental Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Supplemental Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Supplemental Indenture, the provisions of the Supplemental Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) Except as set forth in paragraph 5(b) below, the Issuers shall not have the option to redeem the Notes pursuant to this paragraph 5 prior to June 1, 2041 (the “*Par Call Date*”). On or after the Par Call Date, the Issuers may redeem the Notes, in whole or in part, at the Issuers’ option, on at least 10 days’ but not more than 60 days’ prior mailed or electronically delivered (or otherwise transmitted in accordance with DTC’s procedures) notice to the Holders thereof, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed *plus* accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date (subject to the rights of Holders of Notes on a record date to receive the related interest payment on the related interest payment date).

(b) At any time and from time to time prior to the Par Call Date, the Issuers may redeem outstanding Notes, in whole or in part, at the Issuers’ option, at any time or from time to time, on at least 10 days’ but not more than 60 days’ prior mailed or electronically delivered (or otherwise transmitted in accordance with DTC’s procedures) notice to the Holders thereof, at a redemption price expressed as a percentage of principal amount equal to the greater of:

(i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the notes matured on their applicable Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Rate *plus* 45 basis points *less* unpaid interest accrued to the date of redemption, and

(ii) 100% of the principal amount of the notes to be redeemed,

plus, in either case, accrued and unpaid interest on the principal amount being redeemed to, but not including, the redemption date (subject to the rights of Holders of the Notes of such series on a record date to receive the related interest payment on the related interest payment date).

6. MANDATORY REDEMPTION. The Issuers shall not be required to make mandatory redemption payments with respect to the Notes.
7. [Reserved].
8. [Reserved].

The transfer of Notes may be registered and Notes may be exchanged as provided in the Supplemental Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Supplemental Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.
10. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

11. AMENDMENT, SUPPLEMENT AND WAIVER. Subject to certain exceptions, the Supplemental Indenture, the Intercreditor Agreement, any Note Guarantee, the Security Documents or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Subject to certain exceptions, any existing Default or compliance with any provision of the Supplemental Indenture or the Notes may be waived, including by way of amendment, with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Without the consent of any Holder of a Note, the Issuers, the Trustee and the Collateral Agent may amend or supplement the Supplemental Indenture, the Intercreditor Agreement, any Note Guarantee, any Security Document, or the Notes (i) to cure any ambiguity, omission, mistake, defect or inconsistency, (ii) to provide for the assumption by a successor Person of the obligations of the Issuers or any Note Guarantor under the Supplemental Indenture or the Security Documents, (iii) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code), (iv) to add Guarantees with respect to the Notes or to add additional Collateral to secure the Notes and the Note Guarantees, (v) to add to the covenants of the Issuers or any Note Guarantor for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Issuers or any Note Guarantor, (vi) to make any change that would provide any additional rights or benefits to Holders or that does not adversely affect the legal rights under this Supplemental Indenture of any such Holder, (vii) to conform the text of the Supplemental Indenture, the Notes, any Note Guarantee, the Intercreditor Agreement or any Security Document to any provision under the heading “Description of Notes” in the Offering Memorandum, (viii) to make any amendment to the provisions of the Supplemental Indenture relating to the transfer and legending of Notes; *provided, however*, that (a) compliance with the Indenture as so amended would not result in notes being transferred in violation of the Securities Act or any other applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes; (ix) to release Collateral from the Lien under the Security Document when permitted or required by the Security Documents, the Supplemental Indenture or the Intercreditor Agreement, (x) to evidence and provide for the acceptance and appointment under the Supplemental Indenture of a successor Trustee or Collateral Agent thereunder pursuant to the requirements thereof, (xi) to release a Note Guarantor pursuant to the terms of Article 10 of the Indenture, (xii) to make any amendment to the provisions of the Indenture or the Notes to eliminate the effect of any Accounting Change or in the application thereof as described in the last paragraph of the definition of “GAAP” or (xiii) to provide for or confirm the issuance of Additional Notes or the Exchange Notes pursuant to the Registration Rights Agreement.

12. DEFAULTS AND REMEDIES. Each of the following is an Event of Default: (i) default in the payment of interest on the Notes when due, continued for 30 consecutive days on the Notes, (ii) default in payment of principal of any Note when due at maturity, upon optional redemption, upon required purchase, upon declaration of acceleration or otherwise, (iii) the failure by the Issuers or any Note Guarantor to comply for 90 days after notice with its covenants or other agreements (other than those described in the immediately preceding clauses (i) and (ii) above), *provided* that a default under this clause (iii) will not constitute an Event of Default with respect to the Notes until the Trustee or the Holders of 30% in principal amount of the outstanding Notes notify the Issuers of the default and the Issuers do not cure such default within the time specified after receipt of such notice, *provided, further*, that a notice of default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of default, (iv) (I) the Issuers or any Subsidiary Guarantor that is a Significant Subsidiary pursuant to or within the meaning of the Bankruptcy Code: (a) commences a voluntary case, (b) consents to the entry of an order for relief against it in an involuntary case, (c) consents to the appointment of a custodian of it or for all or substantially all of its property, or (d) makes a general assignment for the benefit of its creditors; or (II) a court of competent jurisdiction enters an order or decree under the Bankruptcy Code that (a) is for relief against the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary in an involuntary case; (b) appoints a custodian of the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary or for all or substantially all of the property of the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary; or (c) orders the liquidation of the Issuers or a Subsidiary Guarantor that is a Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 consecutive days; (v) any Note Guarantee of any Subsidiary Guarantor that is a Significant Subsidiary (or Note Guarantees of any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary) ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and/or the Indenture) or any Note Guarantor denies or disaffirms its obligations in writing under its Note Guarantee; and (vi) a material portion of the Collateral ceases to be subject to the Liens of the Security Documents (other than in accordance with the terms of the Indenture and the Security Documents) or any Issuer or Subsidiary Guarantor denies or disaffirms its obligations in writing under the Security Documents to which it is party.

If an Event of Default arising from (vi) above with respect to CCO occurs and is continuing the principal of and accrued but unpaid interest on all outstanding Notes shall ipso facto become due and payable without any declaration or other act on the part of the Trustee or any Holders of the Notes.

If any other Event of Default with respect to the Notes occurs and is continuing, the Trustee by notice to the Issuers or the Holders of at least 30% in principal amount of the then outstanding Notes by notice to the Issuers and the Trustee may declare the Notes to be due and payable immediately. The Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of all of the Holders rescind an acceleration and its consequences with respect to such Notes if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. Any time period in the Indenture to cure any actual or alleged default or Event of Default with respect to the Notes may be extended or stayed by a court of competent jurisdiction to the extent such actual or alleged default or Event of Default is the subject of litigation.

Any Noteholder Direction provided by any one or more Directing Holders must be accompanied by a Position Representation, which representation, in the case of a Default Direction shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, make a Verification Covenant. In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee, and DTC shall be entitled to rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provide to the Trustee evidence that the Issuers have initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers provide to the Trustee an Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed until such time as the Issuers provide the Trustee with an Officers' Certificate that the Verification Covenant has been satisfied; *provided* that the Issuers shall promptly deliver such Officers' Certificate to the Trustee upon becoming aware that the Verification Covenant has been satisfied. Any breach of the Position Representation (as evidenced by the delivery to the Trustee of the Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant) shall result in such Holder's participation in such Noteholder Direction being disregarded; and if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar direction shall not require compliance with the foregoing paragraphs.

13. TRUSTEE DEALINGS WITH ISSUERS. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for any Issuer or its Affiliates, and may otherwise deal with any Issuer or its Affiliates, as if it were not the Trustee.

14. NO RECOURSE AGAINST OTHERS. A director, officer, employee, incorporator, member or stockholder of the Issuers, as such, shall not have any liability for any obligations of the Issuers under the Notes or the Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. GOVERNING LAW. THE INTERNAL LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS NOTE AND THE SUPPLEMENTAL INDENTURE WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. EACH OF THE PARTIES HERETO AND THE HOLDERS AGREE TO SUBMIT TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE.

16. AUTHENTICATION. This Note shall not be valid until authenticated by the manual or electronic signature of the Trustee or an authenticating agent.

17. ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES. In addition to the rights provided to Holders of Notes under the Supplemental Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in the Registration Rights Agreement.

19. CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Supplemental Indenture, the Base Indenture and/or the Registration Rights Agreement, as applicable. Requests may be made to the Issuers:

SECTION 2. Registration Under the Securities Act.

(a) Except as set forth in Section 2(b) below, with respect to each series of Notes, the Issuers and the Guarantors agree to file under the Securities Act, as soon as practicable, a registration statement relating to an offer to exchange (such registration statement, the “Exchange Offer Registration Statement,” and such offer, the “Exchange Offer”) any and all Registrable Securities for a like aggregate principal amount of Exchange Notes. The Issuers and the Guarantors agree to use their reasonable best efforts to cause the Exchange Offer Registration Statement to become or be declared effective under the Securities Act as soon as practicable after the Closing Date. The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with the Exchange Act. The Issuers and the Guarantors further agree to use their reasonable best efforts to complete the Exchange Offer not later than 450 days following the Closing Date (or if such 450th day is not a business day, the next succeeding business day) (the “Exchange Date”) and to exchange Exchange Notes for all Registrable Securities that have been properly tendered and not withdrawn on or prior to the expiration of the Exchange Offer. The Issuers and the Guarantors shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable United States federal and state securities laws to complete the Exchange Offer; provided, however, that in no event shall such period be less than 20 business days after the date notice of the Exchange Offer is mailed to holders. The Exchange Offer will be deemed to have been completed only if the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are, upon receipt, transferable by each such holder without restriction under the Securities Act and the Exchange Act and without material restrictions under the blue sky or securities laws of a substantial majority of the States of the United States of America. The Exchange Offer shall be deemed to have been completed upon the earlier to occur of (i) the Issuers having exchanged the Exchange Notes for all outstanding Registrable Securities pursuant to the Exchange Offer and (ii) the Issuers having exchanged, pursuant to the Exchange Offer, Exchange Notes for all Registrable Securities that have been properly tendered and not withdrawn before the expiration of the Exchange Offer. The Issuers and the Guarantors agree (x) to include in the Exchange Offer Registration Statement a prospectus for use in any resales by any holder of Exchange Notes that is a broker-dealer and identifies itself as such by written notice to the Issuers prior to the effectiveness of the Exchange Offer Registration Statement and (y) to keep such Exchange Offer Registration Statement effective for a period (the “Resale Period”) beginning when Exchange Notes are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 180th day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Offer Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Sections 6(a), (c), (d) and (e) hereof.

(b) If (i) on or prior to the time the Exchange Offer is completed existing law or Commission policy or interpretations are changed such that the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Exchange Offer has not been completed by the Exchange Date, or (iii) the Exchange Offer is not available to any holder which notifies the Issuers in writing, then, in each case, the Issuers and the Guarantors shall, in lieu of (or, in the case of clause (iii), in addition to) conducting the Exchange Offer contemplated by Section 2(a), file a “shelf” registration statement in accordance with the remainder of this Section 2(b) below, under the Securities Act with respect to the applicable series of Notes that could not be exchanged for any reason set forth in clauses (i) through (iii) above. The Issuers and the Guarantors shall, on or prior to 30 days after the time such obligation to file arises, file a “shelf” registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the “Shelf Registration” and such registration statement, the “Shelf Registration Statement”). The Issuers and the Guarantors agree to use their reasonable best efforts (x) to cause the Shelf Registration Statement to become or be declared effective by the Commission on or prior to the later of 450 days (or if such 450th day is not a business day, the next succeeding business day) following the Closing Date and the 90th day (or if such 90th day is not a business day, the next succeeding business day) after the date such filing obligations arises (the “Shelf Filing Deadline”) and to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of (i) the second anniversary of the Effective Time or (ii) such time as there are no longer any Registrable Securities outstanding; provided, however, that no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder, and (y) after the Effective Time of the Shelf Registration Statement, promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to take any action reasonably necessary to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement; provided, however, that nothing in this clause (y) shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Issuers in accordance with Section 3(e)(iii) hereof. The Issuers and the Guarantors further agree to supplement or make amendments to the Shelf Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Issuers and the Guarantors for such Shelf Registration Statement or by the Securities Act for shelf registration, and the Issuers and the Guarantors agree to furnish to each Electing Holder copies of any such supplement or amendment prior to its being used or promptly following its filing with the Commission.

(c) In the event that (i) the Shelf Registration Statement has not become effective or been declared effective by the Commission on or prior to the Shelf Filing Deadline, (ii) the Exchange Offer has not been completed on or prior to the Exchange Date, (iii) the Exchange Offer Registration Statement required by Section 2(a) hereof is filed and becomes or is declared effective but thereafter shall either be withdrawn by the Issuers and the Guarantors or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective, in each case prior to the completion of the Exchange Offer or (iv) the Shelf Registration Statement required by Section 2(b) hereof is filed and becomes or is declared effective but shall thereafter either be withdrawn by the Issuers and the Guarantors or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a “Registration Default” and each period during which a Registration Default has occurred and is continuing, a “Registration Default Period”), then, as liquidated damages for such Registration Default, subject to the provisions of Section 9(b), special interest (“Special Interest”), in addition to the Base Interest, shall accrue on the aggregate principal amount of the outstanding Transfer Restricted Notes (as defined below) affected by such Registration Default at a per annum rate of 0.25% for the first 90 days of the Registration Default Period and at a per annum rate of 0.50% thereafter for the remaining portion of the Registration Default Period, commencing on (A) the 90th day after the filing of such Shelf Registration Statement was required, in the case of clause (i) above (but in no event prior to the 450th day after the Closing Date), (B) the 450th day after the Closing Date, in the case of clause (ii) above, (C) the day such Exchange Offer Registration Statement ceases to be effective, in the case of clause (iii) above and (D) the day such Shelf Registration Statement ceases to be effective, in the case of clause (iv) above. Following the cure of all Registration Defaults relating to particular Transfer Restricted Notes (which shall be the Effective Time of the Shelf Registration Statement in the case of clause (i) above, the date of the completion of the Exchange Offer, in the case of clause (ii) above, the date that the Exchange Offer Registration Statement again becomes effective, in the case of clause (iii) above, and the date that the Shelf Registration Statement again becomes effective, in the case of clause (iv) above), the interest rate borne by the relevant Transfer Restricted Notes will be reduced to the original interest rate borne by such Transfer Restricted Notes; provided, however, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Notes shall again be increased pursuant to the foregoing provisions. All accrued Special Interest shall be paid in cash by the Issuers on each Interest Payment Date (as defined in the Indenture). For purposes of this Agreement, “Transfer Restricted Notes” shall mean, with respect to any Registration Default, any Notes or Exchange Notes of the applicable series which have not ceased being Registrable Securities pursuant to the definition thereof in Section 1 of this Agreement. Notwithstanding anything contained herein, Special Interest shall be the sole and exclusive remedy with respect to a Registration Default.

(d) If any holder determines that it is not eligible to participate in the Exchange Offer with respect to the exchange of Registrable Securities constituting any portion of an unsold allotment, at the request of such holder, then, subject to any prohibitions or restrictions imposed by any applicable law or regulations, the Issuers shall use their commercially reasonable efforts to issue and deliver to such holder, in exchange for such Registrable Securities, a like principal amount of Exchange Notes. Such issuance shall not be deemed to be part of the Exchange Offer. The Issuers and the Guarantors shall use their commercially reasonable efforts to cause the CUSIP Service Bureau to issue the same CUSIP number for Exchange Notes described in this Section 2(d) as for Exchange Notes issued pursuant to the Exchange Offer. Any such Exchange Notes shall, at the time of issuance, and subject to the limitations set forth in Section 1 hereof, constitute Registrable Securities for purposes of this Agreement (other than Section 2(a) hereof).

(e) The Issuers and the Guarantors shall use their reasonable best efforts to take all actions necessary or advisable to be taken by them to ensure that the transactions contemplated herein are effected as so contemplated in Section 2(a) or 2(b) hereof.

(f) Any reference herein to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time and any reference herein to any post-effective amendment to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

(g) For the avoidance of doubt, the Issuers' and the Guarantors' obligations under this Section 2, including, without limitation, the obligation to consummate an Exchange Offer pursuant to clause (a) and, as applicable, to file and keep effective a Shelf Registration Statement pursuant to clause (b), and, in each case, all other related obligations of the Issuers and the Guarantors under this Agreement, shall separately apply with respect to each series of Notes (and the Registrable Securities and Exchange Notes with respect to such series of Notes), and Special Interest, if any (and any related Registration Default), under clause (c) shall be separately determined, calculated, due and payable with respect to each series of Notes, as applicable.

SECTION 3. Registration Procedures. If the Issuers and the Guarantors file a registration statement pursuant to Section 2(a) or Section 2(b), the following provisions shall apply:

(a) At or before the Effective Time of the Exchange Offer or the Shelf Registration, as the case may be, the Issuers and the Guarantors shall cause the Indenture to be qualified under the Trust Indenture Act of 1939.

(b) In the event that such qualification would require the appointment of a new trustee under the Indenture, the Issuers and the Guarantors shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(c) In connection with the Issuers' and the Guarantors' obligations with respect to the registration of Exchange Notes as contemplated by Section 2(a) (the "Exchange Offer Registration"), if applicable, the Issuers and the Guarantors shall, as soon as practicable (or as otherwise specified):

(i) prepare and file with the Commission an Exchange Offer Registration Statement on any form which may be utilized by the Issuers and the Guarantors and which shall permit the Exchange Offer and resales of Exchange Notes by broker-dealers during the Resale Period to be effected as contemplated by Section 2(a);

(ii) as soon as practicable prepare and file with the Commission such amendments and supplements to such Exchange Offer Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Exchange Offer Registration Statement for the periods and purposes contemplated in Section 2(a) hereof and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Exchange Offer Registration Statement, and promptly provide each broker-dealer holding Exchange Notes with such number of copies of the prospectus included therein (as then amended or supplemented), in conformity in all material respects with the requirements of the Securities Act and the Trust Indenture Act, as such broker-dealer reasonably may request prior to the expiration of the Resale Period, for use in connection with resales of Exchange Notes;

(iii) prepare and furnish to each such holder a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of such Exchange Notes during the Resale Period, such prospectus conforms in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(iv) use their reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of such Exchange Offer Registration Statement or any post-effective amendment thereto as soon as practicable;

(vii) provide a CUSIP number for all Exchange Notes, not later than the applicable Effective Time;

(viii) comply with all applicable rules and regulations of the Commission, and make generally available to their securityholders as soon as practicable but no later than eighteen months after the effective date of such Exchange Offer Registration Statement, an earnings statement of a Parent (as defined in the Indenture) and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of such Parent, Rule 158 thereunder);

(ix) mail to each holder a copy of the prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of instruction and related documents;

(x) utilize the services of a depositary for the Exchange Offer, which may be the Trustee, any new trustee under the Indenture, or an affiliate of any of them;

(xi) permit holders to withdraw tendered Notes at any time prior to the close of business, New York City time, on the last business day on which the Exchange Offer is open;

(ii) not less than 30 calendar days prior to the Effective Time of the Shelf Registration Statement, mail the Notice and Questionnaire to the holders of Registrable Securities; no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement as of the Effective Time, and no holder shall be entitled to use the prospectus forming a part thereof for resales of Registrable Securities at any time, unless such holder has returned a completed and signed Notice and Questionnaire to the Issuers by the deadline for response set forth therein; provided, however, that holders of Registrable Securities shall have at least 28 calendar days from the date on which the Notice and Questionnaire is first mailed to such holders to return a completed and signed Notice and Questionnaire to the Issuers;

(iii) after the Effective Time of the Shelf Registration Statement, upon the request of any holder of Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such holder; provided that the Issuers shall not be required to take any action to name such holder as a selling securityholder in the Shelf Registration Statement or to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities until such holder has returned a completed and signed Notice and Questionnaire to the Issuers;

(iv) as soon as practicable prepare and file with the Commission such amendments and supplements to such Shelf Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Shelf Registration Statement for the period specified in Section 2(b) and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Shelf Registration Statement, and furnish to the Electing Holders copies of any such supplement or amendment simultaneously with or prior to its being used or filed with the Commission;

(viii) promptly notify each of the Dealer Managers, the Electing Holders, any sales or placement agent therefor and any underwriter thereof (which notification may be made through any managing underwriter that is a representative of such underwriter for such purpose) and confirm such advice in writing, (A) when such Shelf Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Shelf Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto, or any request by the Commission for amendments or supplements to such Shelf Registration Statement or prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or, to the knowledge of the Issuers and the Guarantors, threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Issuers and the Guarantors contemplated by Section 3(e)(xvii) or Section 5 hereof cease to be true and correct in all material respects, (E) of the receipt by the Issuers of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or, to the knowledge of the Issuers, threatening of any proceeding for such purpose, or (F) if at any time when a prospectus is required to be delivered under the Securities Act, that such Shelf Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act, or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(x) if requested by any managing underwriter or underwriters, any placement or sales agent or any Electing Holder, promptly incorporate in a prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the Commission, and as such managing underwriter or underwriters, such agent or such Electing Holder specifies should be included therein relating to the terms of the sale of such Registrable Securities, including, without limitation, information (i) with respect to the principal amount of Registrable Securities being sold by such Electing Holder or agent or to any underwriters, the name and description of such Electing Holder, agent or underwriter, the offering price of such Registrable Securities, and any discount, commission or other compensation payable in respect thereof and the purchase price being paid therefor by such underwriters and (ii) with respect to any other material terms of the offering of the Registrable Securities to be sold by such Electing Holder or agent or to such underwriters; and make all required filings of such prospectus supplement or post-effective amendment upon notification of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(xi) furnish to each Electing Holder, each placement or sales agent, if any, therefor, each underwriter, if any, thereof and the respective counsel referred to in Section 3(e)(vi) hereof an executed copy (or, in the case of an Electing Holder, a conformed copy) of such Shelf Registration Statement, each such amendment and supplement thereto (in each case including all exhibits thereto (in the case of an Electing Holder of Registrable Securities, upon request) and documents incorporated by reference therein) and such number of copies of such Shelf Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by such Electing Holder, agent or underwriter, as the case may be) and of the prospectus included in such Shelf Registration Statement (including, without limitation, each preliminary prospectus and any summary prospectus), in conformity in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act, and such other documents, as such Electing Holder, agent, if any, and underwriter, if any, may reasonably request in order to facilitate the offering and disposition of the Registrable Securities owned by such Electing Holder, offered or sold by such agent or underwritten by such underwriter and to permit such Electing Holder, agent and underwriter to satisfy the prospectus delivery requirements of the Securities Act; and the Issuers and the Guarantors hereby consent to the use of such prospectus (including, without limitation, such preliminary and summary prospectus) and any amendment or supplement thereto by each such Electing Holder and by any such agent and underwriter, in each case in the form most recently provided to such person by the Issuers and the Guarantors, in connection with the offering and sale of the Registrable Securities covered by the prospectus (including, without limitation, such preliminary and summary prospectus) or any supplement or amendment thereto;

(xii) use their reasonable best efforts to (A) register or qualify the Registrable Securities to be included in such Shelf Registration Statement under such securities laws or blue sky laws of such jurisdictions as any Electing Holder and each placement or sales agent, if any, therefor and underwriter, if any, thereof shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Shelf Registration is required to remain effective under Section 2(b) above and for so long as may be necessary to enable any such Electing Holder, agent or underwriter to complete its distribution of the Registrable Securities pursuant to such Shelf Registration Statement and (C) take any and all other actions as may be reasonably necessary or advisable to enable each such Electing Holder, agent, if any, and underwriter, if any, to consummate the disposition in such jurisdictions of such Registrable Securities; provided, however, that neither of the Issuers or the Guarantors shall be required for any such purpose to (1) qualify as a foreign corporation or limited liability company, as the case may be, in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(d)(xii), (2) consent to general service of process in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws (or other organizational document) or any agreement between it and holders of its ownership interests;

(xiii) use their reasonable best efforts to obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Shelf Registration or the offering or sale in connection therewith or to enable the selling holder or holders to offer, or to consummate the disposition of, their Registrable Securities;

(xiv) unless any Registrable Securities shall be in book-entry only form, cooperate with the Electing Holders and the managing underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates, if so required by any securities exchange upon which any Registrable Securities are listed, shall be penned, lithographed or engraved, or produced by any combination of such methods, on steel engraved borders, and which certificates shall not bear any restrictive legends; and, in the case of an underwritten offering, enable such Registrable Securities to be in such denominations and registered in such names as the managing underwriters may request at least two business days prior to any sale of the Registrable Securities;

(xv) provide a CUSIP number for all Registrable Securities, not later than the applicable Effective Time;

(xvi) enter into one or more underwriting agreements, engagement letters, agency agreements, “best efforts” underwriting agreements or similar agreements, as appropriate, including customary provisions relating to indemnification and contribution (but no less favorable than those set forth in Section 6 with respect to all parties indemnified under Section 6), unless such provisions are acceptable to Electing Holders of at least 50% in aggregate principal amount of the Registrable Securities and any managing underwriters, and take such other actions in connection therewith as any Electing Holders of at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding shall request in order to expedite or facilitate the disposition of such Registrable Securities;

(xvii) whether or not an agreement of the type referred to in Section 3(e)(xvi) hereof is entered into, and whether or not any portion of the offering contemplated by the Shelf Registration is an underwritten offering or is made through a placement or sales agent or any other entity, (A) make such representations and warranties to the Electing Holders and the placement or sales agent, if any, therefor and the underwriters, if any, thereof in form, substance and scope as are customarily made in connection with an offering of debt securities pursuant to any appropriate agreement or to a registration statement filed on the form applicable to the Shelf Registration; (B) obtain an opinion of counsel to the Issuers and the Guarantors in customary form, subject to customary limitations, assumptions and exclusions, and covering such matters, of the type customarily covered by such an opinion, as the managing underwriters, if any, or as any Electing Holders of at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding may reasonably request, addressed to such Electing Holder or Electing Holders and the placement or sales agent, if any, therefor and the underwriters, if any, thereof and dated the date of the Effective Time of such Shelf Registration Statement (and if such Shelf Registration Statement contemplates an underwritten offering of a part or all of the Registrable Securities, dated the date of the closing under the underwriting agreement relating thereto); (C) obtain a “cold comfort” letter or letters from the independent certified public accountants of the Issuers and the Guarantors addressed to the selling Electing Holders, the placement or sales agent, if any, therefor or the underwriters, if any, thereof, dated (i) the effective date of such Shelf Registration Statement and (ii) the effective date of any prospectus supplement to the prospectus included in such Shelf Registration Statement or post-effective amendment to such Shelf Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus (and, if such Shelf Registration Statement contemplates an underwritten offering pursuant to any prospectus supplement to the prospectus included in such Shelf Registration Statement or post-effective amendment to such Shelf Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus, dated the date of the closing under the underwriting agreement relating thereto), such letter or letters to be in customary form and covering such matters of the type customarily covered by letters of such type; (D) deliver such documents and certificates, including, without limitation, officers’ certificates, as may be reasonably requested by any Electing Holders of at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding or the placement or sales agent, if any, therefor and the managing underwriters, if any, thereof to evidence the accuracy of the representations and warranties made pursuant to clause (A) above or those contained in Section 5(a) hereof and the compliance with or satisfaction of any agreements or conditions contained in the underwriting agreement or other similar agreement entered into by the Issuers and the Guarantors pursuant to Section 3(e)(xvi); and (E) undertake such obligations relating to expense reimbursement, indemnification and contribution as are provided in Section 6 hereof;

(xviii) notify in writing each holder of Registrable Securities of any proposal by the Issuers and the Guarantors to amend or waive any provision of this Agreement pursuant to Section 9(h) hereof and of any amendment or waiver effected pursuant thereto, each of which notices shall contain the substance of the amendment or waiver proposed or effected, as the case may be;

(xix) in the event that any broker-dealer registered under the Exchange Act shall underwrite any Registrable Securities or participate as a member of an underwriting syndicate or selling group or “assist in the distribution” (within the meaning of the Conduct Rules (the “**Conduct Rules**”) of the Financial Industry Regulatory Authority, Inc. (“**FINRA**”) or any successor thereto, as amended from time to time) thereof, whether as a holder of such Registrable Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, assist such broker-dealer in complying with the requirements of such Conduct Rules, including, without limitation, by (A) if such Conduct Rules shall so require, engaging a “qualified independent underwriter” (as defined in such Conduct Rules) to participate in the preparation of the Shelf Registration Statement relating to such Registrable Securities, to exercise usual standards of due diligence in respect thereto and, if any portion of the offering contemplated by such Shelf Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Registrable Securities, (B) indemnifying any such qualified independent underwriter to the extent of the indemnification of underwriters provided in Section 6 hereof (or to such other customary extent as may be requested by such underwriter), and (C) providing such information to such broker-dealer as may be required in order for such broker-dealer to comply with the requirements of the Conduct Rules; and

(xx) comply with all applicable rules and regulations of the Commission, and make generally available to its securityholders as soon as practicable but in any event not later than eighteen months after the effective date of such Shelf Registration Statement, an earnings statement of a Parent and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of such Parent, Rule 158 thereunder).

(f) In the event that the Issuers or any Guarantor would be required, pursuant to Section 3(e)(viii)(F) hereof, to notify the Electing Holders, the placement or sales agent, if any, therefor and the managing underwriters, if any, thereof, the Issuers or such Guarantor shall prepare and furnish to each of the Electing Holders, to each placement or sales agent, if any, and to each such underwriter, if any, a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Securities, such prospectus conforms in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act, and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. Each Electing Holder agrees that upon receipt of any notice from the Issuers or the Guarantors pursuant to Section 3(e)(viii)(F) hereof, such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Issuers or the Guarantors, such Electing Holder shall deliver to the Issuers and the Guarantors (at the Issuers' and each Guarantor's expense) all copies, other than permanent file copies, then in such Electing Holder's possession of the prospectus covering such Registrable Securities at the time of receipt of such notice.

(g) In the event of a Shelf Registration, in addition to the information required to be provided by each Electing Holder in its Notice and Questionnaire, the Issuers and the Guarantors may require such Electing Holder to furnish to the Issuers and the Guarantors such additional information regarding such Electing Holder and such Electing Holder's intended method of distribution of Registrable Securities as may be required in order to comply with the Securities Act. Each such Electing Holder agrees to notify the Issuers and the Guarantors as promptly as practicable of any inaccuracy or change in information previously furnished by such Electing Holder to the Issuers and the Guarantors or of the occurrence of any event in either case as a result of which any prospectus relating to such Shelf Registration contains or would contain an untrue statement of a material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly to furnish to the Issuers and the Guarantors any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

SECTION 4. Registration Expenses. The Issuers and the Guarantors agree, subject to the last sentence of this Section 4, to bear and to pay or cause to be paid promptly all expenses incident to the Issuers' and each Guarantor's performance of or compliance with this Agreement, including, without limitation, (a) all Commission and any FINRA registration, filing and review fees and expenses including, without limitation, fees and disbursements of counsel for the placement or sales agent or underwriters in connection with such registration, filing and review, (b) all fees and expenses in connection with the qualification of the Notes for offering and sale under the securities laws and blue sky laws referred to in Section 3(e)(xii) hereof and determination of their eligibility for investment under the laws of such jurisdictions as any managing underwriters or the Electing Holders may designate, including, without limitation, any fees and disbursements of counsel for the Electing Holders or underwriters in connection with such qualification and determination, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each prospectus included therein or prepared for distribution pursuant hereto, each amendment or supplement to the foregoing, the expenses of preparing the Notes for delivery and the expenses of printing or producing any underwriting agreements, agreements among underwriters, selling agreements and blue sky or legal investment memoranda and all other documents in connection with the offering, sale or delivery of Notes to be disposed of (including, without limitation, certificates representing the Notes), (d) messenger, telephone and delivery expenses relating to the offering, sale or delivery of Notes and the preparation of documents referred in clause (c) above, (e) fees and expenses of the Trustee under the Indenture, any agent of the Trustee and any reasonable fees and expenses for counsel for the Trustee and of any collateral agent or custodian, (f) internal expenses (including, without limitation, all salaries and expenses of each Issuer's and each Guarantor's officers and employees performing legal or accounting duties), (g) fees, disbursements and expenses of counsel and independent certified public accountants of the Issuers and the Guarantors (including, without limitation, the expenses of any opinions or "cold comfort" letters required by or incidental to such performance and compliance), (h) reasonable fees, disbursements and expenses of one counsel for the Electing Holders retained in connection with a Shelf Registration, as selected by the Electing Holders of at least a majority in aggregate principal amount of the Registrable Securities held by Electing Holders (which counsel shall be reasonably satisfactory to the Issuers and the Guarantors), (i) any fees charged by securities rating services engaged by the Issuers for rating the Notes, and (j) reasonable fees, expenses and disbursements of any other persons, including, without limitation, special experts, retained by the Issuers and the Guarantors in connection with such registration (collectively, the "Registration Expenses"). To the extent that any Registration Expenses are incurred, assumed or paid by any holder of Registrable Securities or any placement or sales agent therefor or underwriter thereof, the Issuers and the Guarantors shall reimburse such person for the full amount of the Registration Expenses so incurred, assumed or paid promptly after receipt of a request therefor. Notwithstanding the foregoing, the holders of the Registrable Securities being registered shall pay all agency fees and commissions and underwriting discounts and commissions attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than the counsel and experts specifically referred to above.

SECTION 5. Representations, Warranties and Covenants. Except with respect to clauses (a) and (b) below, the Issuers and the Guarantors represent and warrant to, and agree with, each Dealer Manager and each of the holders from time to time of Registrable Securities the information set forth in this Section 5.

With respect to clauses (a) and (b) below, the Issuers and the Guarantors covenant to each of the holders from time to time of Registrable Securities that:

(a) Each registration statement covering Registrable Securities and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, and, in the case of an underwritten offering of Registrable Securities, at the time of the closing under the underwriting agreement relating thereto, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than from (i) such time as a notice has been given to holders of Registrable Securities pursuant to Section 3(e)(viii)(F) or Section 3(c)(iii) hereof until (ii) such time as the Issuers and the Guarantors furnish an amended or supplemented prospectus pursuant to Section 3(f) or Section 3(c)(iii) hereof, each such registration statement, and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof, as then amended or supplemented, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Issuers and the Guarantors by a holder of Registrable Securities expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a) hereof, when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Issuers and the Guarantors by a holder of Registrable Securities expressly for use therein.

(c) This Agreement has been duly authorized, executed and delivered by the Issuers and the Guarantors.

SECTION 6. Indemnification.

(a) The Issuers and the Guarantors, jointly and severally, agree to indemnify and hold harmless each holder of Registrable Securities or Exchange Notes, as the case may be, covered by any Exchange Offer Registration Statement or Shelf Registration Statement (including each holder and, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or (iii) hereof, each holder that is a broker-dealer and elects to exchange for Exchange Notes any Registrable Securities that it acquired for its own account as a result of market-making activities or other trading activities (but not directly from the Issuers, the Guarantors or any affiliate of the Issuers) for Exchange Notes) (each an “Exchanging Dealer”), the affiliates, directors, officers, employees and agents of each such holder and each person who controls any such holder within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Exchange Offer Registration Statement or Shelf Registration Statement as originally filed or in any amendment thereof, or in any preliminary prospectus or the prospectus included in any registration statement, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Issuers and the Guarantors will not be liable in any case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Issuers and the Guarantors by or on behalf of any such holder specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Issuers and the Guarantors may otherwise have.

The Issuers and the Guarantors, jointly and severally, also agree to indemnify or contribute as provided in Section 6(d) to Losses of any underwriter of Registrable Securities or Exchange Notes, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees or agents and each person who controls such underwriter within the meaning of either the Securities Act or the Exchange Act, on substantially the same basis as that of the indemnification of the selling holders provided in this Section 6(a) and shall, if requested by any holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 3(e)(xvi) hereof.

(b) Each holder of Registrable Securities or Exchange Notes covered by an Exchange Offer Registration Statement or Shelf Registration Statement (including, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or Section 3(f)(iv) hereof, each Exchanging Dealer) severally agrees to indemnify and hold harmless the Issuers and the Guarantors, and each of their affiliates, directors, employees, members, managers and agents and each Person who controls the Issuers and the Guarantors within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the Issuers and the Guarantors to each such holder, but only with reference to written information relating to such holder furnished to the Issuers and the Guarantors by or on behalf of such holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any such holder may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 6 or notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 6, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, except as provided in the next sentence, after notice from the indemnifying party to such indemnified party of its election to so assume the defense thereof, the indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. Notwithstanding the indemnifying party's rights in the prior sentence, the indemnified party shall have the right to employ its own counsel (and one local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. No indemnifying party shall, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general circumstances or allegations, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties. An indemnifying party shall not be liable under this Section 6 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by such indemnifying party, which consent shall not be unreasonably withheld. No indemnifying party shall, without the written consent of the indemnified party (which consent shall not be unreasonably withheld), effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnification could have been sought hereunder by such indemnified party, unless such settlement (x) includes an unconditional release of such indemnified party, in form and substance reasonably satisfactory to such indemnified party, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of such indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 6 is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party agrees to contribute to the aggregate losses, claims, damages and liabilities (including, without limitation, legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively “Losses”) to which such indemnifying party may be subject in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party on the one hand and by the indemnified party on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the indemnifying party on the one hand and the indemnified party on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. Benefits received by the Issuers shall be deemed to be equal to the sum of (x) the benefits received by the Issuers from the offering of the Notes or the Exchange Notes and (y) the total amount of Special Interest which the Issuers were not required to pay as a result of registering the securities covered by the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such Losses. Benefits received by any other holders shall be deemed to be equal to the proceeds received from the sale of the Registrable Securities or Exchange Notes, as applicable. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth in the prospectus forming a part of the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such Losses. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party on the one hand or the indemnified party on the other and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the holders or any agents or underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no holder shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, and no underwriter shall be required to contribute any amount in excess of the amount by which the total price of the Registrable Securities underwritten by it and distributed to the public exceeds the amount of any damages which such underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The holders’ and any underwriters’ obligations in this subsection (d) to contribute are several in proportion to the principal amount of Registrable Securities registered or underwritten, as the case may be, by them, and not joint. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 6, each person who controls any holder, agent or underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of a holder, agent or underwriter shall have the same rights to contribution as such holder, agent or underwriter, and each person who controls the Issuers or the Guarantors within the meaning of either the Securities Act or the Exchange Act and each officer and director of the Issuers or the Guarantors shall have the same rights to contribution as the Issuers or the Guarantors, subject in each case to the applicable terms and conditions of this paragraph (d).

(e) The provisions of this Section will remain in full force and effect, regardless of any investigation made by or on behalf of any holder or the Issuers or the Guarantors or any of the officers, directors or controlling persons referred to in this Section hereof, and will survive the sale by a holder of securities covered by an Exchange Offer Registration Statement or Shelf Registration Statement.

SECTION 7. Underwritten Offerings.

(a) Selection of Underwriters. If any of the Registrable Securities covered by the Shelf Registration are to be sold pursuant to an underwritten offering, the managing underwriter or underwriters thereof shall be designated by Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, provided that such designated managing underwriter or underwriters is or are reasonably acceptable to the Issuers and the Guarantors.

(b) Participation by Holders. Each holder of Registrable Securities hereby agrees with each other such holder that no such holder may participate in any underwritten offering hereunder unless such holder (i) agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements with respect to such Registrable Securities approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

SECTION 8. Rule 144.

(a) Each of the Issuers covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, it shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including, without limitation, the reports under Section 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144, or any similar or successor rule or regulation hereafter adopted by the Commission. Upon the request of any holder of Registrable Securities in connection with that holder's sale pursuant to Rule 144, the Issuers shall deliver to such holder a written statement as to whether they have complied with such requirements.

(b) At any time while any of the Notes are “restricted securities” within the meaning of Rule 144, if the Issuers are no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act (as opposed to just having the obligations suspended), the Issuers or a Parent shall prepare and furnish to any Holder, any beneficial owner of the Notes and any prospective purchaser of Notes designated by a Holder or a beneficial owner of the Notes, promptly upon request, the information required pursuant to Rule 144A(d)(4) (or any successor thereto) under the Securities Act in connection with the offer, sale or transfer of Notes. Such information may be provided by a Parent in filings with the Commission which filing shall satisfy the obligations set forth in this clause (b). The requirements set forth in this clause (b) will not be applicable after the one year anniversary of the issuance of any Notes.

SECTION 9. Miscellaneous.

(a) No Inconsistent Agreements. The Issuers and the Guarantors represent, warrant, covenant and agree that they have not granted, and shall not grant, registration rights with respect to Registrable Securities or any other Notes which would be inconsistent with the terms contained in this Agreement.

(b) Specific Performance. Except with respect to a Registration Default, the parties hereto acknowledge that there would be no adequate remedy at law if the Issuers or the Guarantors fail to perform any of their obligations hereunder and that the Dealer Managers and the holders from time to time of the Registrable Securities may be irreparably harmed by any such failure, and accordingly agree that the Dealer Managers and such holders, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Issuers or the Guarantors under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction.

(c) Notices. All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given (i) when delivered by hand, if delivered personally or by courier, (ii) when sent by facsimile (with written confirmation of receipt), provided that a copy is mailed by registered or certified mail, return receipt requested or (iii) three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: if to the Issuers, c/o Charter Communications, Inc., 400 Washington Blvd., Stamford, Connecticut 06902, Attention: General Counsel, Electronic Mail: jamal.haughton@charter.com; with a Copy to: LegalNotices@charter.com, with a copy to: Kirkland & Ellis LLP, 601 Lexington Avenue, New York, NY 10022, Facsimile: (212) 446-4900, Attention: Christian O. Nagler, P.C. and if to a holder, to the address of such holder set forth in the security register or other records of the Issuers, or to such other address as the Issuers or any such holder may have furnished to the other in writing in accordance herewith, with a copy in like manner as set forth in Schedule 2 hereto. Notices of change of address shall be effective only upon receipt.

(d) Parties in Interest. All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and the holders from time to time of the Registrable Securities and the respective successors and assigns of the parties hereto and such holders. In the event that any person shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits, and be conclusively deemed to have agreed to be bound by all the applicable terms and provisions, of this Agreement. If the Issuers or the Guarantors shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all the applicable terms hereof.

(e) Survival. The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, any director, officer or partner of such holder, any agent or underwriter or any director, officer or partner thereof, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Dealer Manager Agreement and the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer.

(f) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(g) Headings. The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) Entire Agreement; Amendments. This Agreement and the other writings referred to herein (including, without limitation, the Indenture and the form of Notes) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument duly executed by the Issuers and the Guarantors and the holders of at least a majority in aggregate principal amount of the Registrable Securities at the time outstanding. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) Inspection. For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the holders of Registrable Securities shall be made available for inspection and copying, upon reasonable prior notice, on any business day during normal business hours by any holder of Registrable Securities for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities under the Notes, the Indenture and this Agreement) at the offices of the Issuers at the address thereof set forth in Section 9(c) above and at the office of the Trustee under the Indenture.

(j) Counterparts. This Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

(l) Securities Held by the Issuers, etc. Whenever the consent or approval of holders of a specified percentage of principal amount of Registrable Securities or Exchange Notes is required hereunder, Registrable Securities or Exchange Notes, as applicable, held by the Issuers or their affiliates (controlled by the Issuers and other than subsequent holders of Registrable Securities or Exchange Notes if such subsequent holders are deemed to be affiliates solely by reason of their holdings of such Registrable Securities or Exchange Notes) shall not be counted in determining whether such consent or approval was given by the holders of such required percentage.

(m) Additional Notes. Notwithstanding anything contained herein, any registration statement and exchange offer herein contemplated may include other securities issued by the Issuers and guaranteed by the Guarantors.

(n) Termination. The obligations of the Issuers and the Guarantors under this Agreement to register or qualify the Registrable Securities or otherwise make any offer shall terminate when there are no Registrable Securities outstanding.

SECTION 10. Release of Guarantors. Notwithstanding anything herein to the contrary, if a Guarantor is released from its obligations under the Indenture in accordance with the terms thereof, such Guarantor shall be automatically released from its obligations hereunder.
